The ~~board~~ **department of local government finance** shall compute the tax on a railroad car company's indefinite-situs distributable property based upon the average property tax rate in this state. The average property tax rate in this state for a year equals (A) the total of the property taxes in this state that will come due during that year divided by (B) the total net assessed valuation of property in this state for the preceding year's assessment. The ~~board~~ **department of local government finance** shall base its computation of the average property tax rate for a year upon information which is available to the ~~board~~ **department** as of December 31 of the preceding year. The ~~board~~ **department of local government finance** shall compute the tax on a railroad company's distributable property based upon the average property tax rate that is imposed by taxing districts that are located in any county in which a railroad company, that is taxed under this section, provides railroad services. The average property tax rate of taxing districts that are located in any county in which a railroad company that is taxed under this section equals (i) the total of the property taxes in those taxing districts that will come due during that year divided by (ii) the total net assessed valuation of property in those districts for the preceding year's assessment. The ~~board~~ **department of local government finance** shall base its computation on the average property tax rate for a year upon information which is available to the board as of December 31 of the preceding year.

(b) The ~~state board of tax commissioners~~ **department of local government finance** shall certify the tax it imposes on indefinite-situs distributable property of railroad car companies and a railroad company's distributable property taxed under this section to the department of state revenue. Each of those companies shall pay the tax to the department of state revenue on or before December 31 of the year the assessment is made. If one (1) of those companies does not pay the tax when it is due, the company shall pay a penalty, in addition to the tax, equal to twenty-five percent (25%) of the delinquent tax. When the tax imposed on indefinite-situs distributable property of railroad car companies by this chapter becomes delinquent, the department of state revenue shall proceed with the collection of the delinquent tax and penalty in accordance with the provisions of IC 6-8.1-8.

(c) The department of state revenue shall promptly deposit all amounts collected under this section that are derived from indefinite-situs distributable property of railroad car companies in the

state treasury for credit to the commuter rail service fund established by IC 8-3-1.5-20.5 to be used exclusively for debt financing of the commuter transportation district's long term capital needs.

(d) The department of state revenue shall promptly deposit all amounts collected under this section from a railroad company in the state treasury for credit to the electric rail service fund established by IC 8-3-1.5-20.6.

(a) A public utility company shall pay any taxes which are based upon the ~~state board of tax commissioners'~~ **department of local government finance's** assessment of distributable property regardless of whether or not an appeal of the assessment is pending. However, the collection of the taxes may be enjoined pending an original tax appeal under IC 33-3-5.

(b) The ~~state board of tax commissioners~~ **department of local government finance** shall reassess distributable property and shall certify the reassessment to the county auditor of each county in which the property is taxable if:

(1) ~~a court~~ **the Indiana board:**

(A) sets aside the ~~board's department's~~ original assessment and orders the ~~board department~~ to reassess the distributable property; **or**

(B) refers the matter to the department under section 32 of this chapter with instructions to make another assessment; and

(2) the decision of: ~~that court~~

(A) **the Indiana board** is not appealed to a higher the tax court; **or**

(B) **the tax court in which the matter was referred to the department under section 32 of this chapter is not appealed to the supreme court.**

(c) If the tax court sets aside the Indiana board's final determination and the Indiana board reassesses distributable property, the Indiana board shall certify the reassessment to the county auditor of each county in which the property is taxable if the decision of the tax court is not appealed to the supreme court.

SECTION 83. IC 6-1.1-8-37 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 37. (a) If: ~~a state board of tax commissioners'~~

original assessment; or

(2) the Indiana board's reassessment of distributable property is less than the department's original assessment;

the auditor of each affected county shall compute the tax refund, if any, which is due the public utility company. The county auditor shall then issue a warrant to the company for the amount of the refund due, and the county treasurer shall pay the warrant, without an appropriation for the disbursement.

(b) If: ~~a state board of tax commissioners'~~

(1) the department of local government finance's reassessment of distributable property is greater than the ~~board's~~ **department's** original assessment; or

(2) the Indiana board's reassessment of distributable property is greater than the department's original assessment;

the auditor of each affected county shall enter the difference as an assessment of omitted property. The county auditor shall compute and the county treasurer shall collect the additional tax due in the same manner that taxes on omitted property are computed and collect. However, the county officials may not charge penalty or interest on the additional tax due unless the public utility company does not pay the tax within thirty (30) days after the date notice of the additional tax due is given to the company.

(c) The accounts of the various taxing units shall be credited or charged with each unit's proportionate share of additional taxes collected and refunds made under this section.

SECTION 84. IC 6-1.1-8-39 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39. The annual assessments of a public utility company's property are presumed to include all the company's property which is subject to taxation under this chapter. However, this presumption does not preclude the subsequent assessment of a specific item of tangible property which is clearly shown to have been omitted from the assessments for that year. The appropriate township assessor shall make assessments of omitted fixed property. The ~~state board of tax commissioners~~ **department of local government finance** shall make assessments of omitted distributable property. However, the ~~board~~ **department of local government finance** may not assess omitted distributable property after the expiration of ten (10) years from the last day of the year in which the assessment should have been made.

SECTION 85. IC 6-1.1-8-40 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 40. When the ~~state board of tax commissioners~~ **department of local government finance**

assesses distributable property which was omitted from the assessment for a particular year, the ~~board~~ **department** shall, as nearly as possible, assess the omitted distributable property in the same manner that the ~~board~~ **department** assesses other distributable property. The taxes due on the omitted distributable property shall be calculated by using the same tax rates which were applicable for the tax year that the distributable property was omitted from the assessment. The public utility company shall pay interest on the taxes due on the omitted distributable property at the rate of two percent (2%) per month, or fraction of a month. The interest due shall be calculated on the period of time beginning with January 1 of the year following the year in which the property was omitted from the assessment and ending with the day the taxes are paid. However, the ~~state board of tax commissioners~~ **department of local government finance** may waive any portion of the interest due under this section at the time the ~~board~~ **department** makes its final assessment of the omitted distributable property.

SECTION 86. IC 6-1.1-8-41 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 41. The ~~state board of tax commissioners~~ **department of local government finance** shall keep itself informed about the methods which other states use to value public utility companies.

(a) The ~~state board of tax commissioners~~ **department of local government finance** shall promulgate rules and regulations to provide equal treatment for the public utility companies within each classification. These rules and regulations may not:

- (1) prohibit the assessment and taxation of a company's property which is subject to taxation under this chapter; or
- (2) prohibit the ~~board~~ **department of local government finance** from making adjustments in those cases where the rules and regulations would result in an assessment that would be unfair to the state or to the public utility company.

(b) The ~~state board of tax commissioners~~ **department of local government finance** may adopt rules and regulations to carry out the intent and provisions of this chapter. The rules and regulations must be consistent with this chapter.

(a) An applicant must provide a statement of benefits to the designating body. If the designating body requires information from the applicant for economic revitalization area status for use in making its decision about whether to designate an economic revitalization area, the applicant shall provide the completed statement of benefits form to the designating body before the hearing required by section 2.5(c) of this chapter. Otherwise, the statement of benefits form must be submitted to the designating body before the initiation of the redevelopment or rehabilitation for which the person desires to claim a deduction under this chapter. other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(b) The designating body must review the statement of benefits required under subsection (a). The designating body shall determine whether an area should be designated an economic revitalization area or whether a deduction should be allowed, based on (and after it has made) the following findings:

- (1) Whether the estimate of the value of the redevelopment or rehabilitation is reasonable for projects of that nature.
- (2) Whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed described redevelopment or rehabilitation.
- (3) Whether the estimate of the annual salaries of those individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed described redevelopment or rehabilitation.
- (4) Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed described redevelopment or rehabilitation.
- (5) Whether the totality of benefits is sufficient to justify the deduction.

A designating body may not designate an area an economic revitalization area or approve a deduction unless the findings required by this subsection are made in the affirmative.

(c) Except as provided in subsections (a) through (b), the owner of property which is located in an economic revitalization area is entitled to a deduction from the assessed value of the property. If the area is a residentially distressed area, the period is not more than five (5) years. (d) For an area designated as an economic revitalization area after June 30, 2000, that is not a residentially distressed area, the designating body shall determine the number of years for which the property owner is entitled to a deduction. However, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

- (1) as part of the resolution adopted under section 2.5 of this chapter; or
- (2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the county auditor. A certified copy of the resolution shall be sent to the county auditor who shall make the deduction as provided in section 5 of this chapter.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(e) Except for deductions related to redevelopment or rehabilitation of real property in a county containing a consolidated city or a deduction related to redevelopment or rehabilitation of real property initiated before December 31, 1987, in areas designated as economic revitalization areas before that date, a deduction for the redevelopment or rehabilitation of real property may not be approved for the following facilities:

(A) was eligible for tax abatement under this chapter before July 1, 1995; or

(B) is described in IC 7.1-5-7-11.

(f) This subsection applies only to a county having a population of more than two hundred thousand (200,000) but less than three hundred thousand (300,000). Notwithstanding subsection (e)(11), in a county subject to this subsection a designating body may, before September 1, 2000, approve a deduction under this chapter for the redevelopment or rehabilitation of real property consisting of residential facilities that are located in unincorporated areas of the county if the designating body makes a finding that the facilities are needed to serve any combination of the following:

shall be adjusted in accordance with this subsection in the following circumstances:

Notwithstanding any other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(c) The designating body must review the statement of benefits required under subsection (b). The designating body shall determine whether an area should be designated an economic revitalization area or whether the deduction shall be allowed, based on (and after it has made) the following findings:

(f) Notwithstanding subsections (d) and (e), a deduction under this section is not allowed in the first year the deduction is claimed for new manufacturing equipment or new research and development equipment, or both, to the extent that it would cause the assessed value of all of the personal property of the owner in the taxing district in which the equipment is located (excluding personal property that is assessed as construction in process) to be less than the assessed value of all of the personal property of the owner in that taxing district (excluding personal property that is assessed as construction in process) in the immediately preceding year.

(g) If a deduction is not fully allowed under subsection (f) in the

first year the deduction is claimed, then the percentages specified in subsection (d) or (e) apply in the subsequent years to the amount of deduction that was allowed in the first year.

(h) For an economic revitalization area designated before July 1, 2000, the designating body shall determine whether a property owner whose statement of benefits is approved after April 30, 1991, is entitled to a deduction for five (5) or ten (10) years. For an economic revitalization area designated after June 30, 2000, the designating body shall determine the number of years the deduction is allowed. However, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

- (1) as part of the resolution adopted under section 2.5 of this chapter; or

A certified copy of the resolution shall be sent to the county auditor and the ~~state board of tax commissioners~~ **department of local government finance**.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(i) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (1) is convicted of a violation under IC 13-7-13-3 (repealed), IC 13-7-13-4 (repealed), or IC 13-30-6; or

(2) a new location within a different economic revitalization area if the area is within the jurisdiction of the designating body.

(b) Before adopting a resolution under this section, the designating body shall conduct a public hearing on the proposed resolution. Notice of the public hearing shall be published in accordance with IC 5-3-1. In addition, the designating body shall notify each taxing unit within the original and the new economic revitalization area of the proposed resolution, including the date and time of the public hearing. If a resolution is adopted under this section, the designating body shall deliver a copy of the adopted resolution to the county auditor and the **state board of tax commissioners department of local government finance** within thirty (30) days after its adoption.

(c) New manufacturing equipment relocated under this section remains eligible for the assessed value deduction under this chapter. ~~However,~~ The same deduction percentage is to be applied as if the new manufacturing equipment had not been relocated.

SECTION 122. IC 6-1.1-12.1-5, AS AMENDED BY P.L.4-2000, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. If the designating body adopts such a resolution, the deduction does not apply to the next installment of property taxes owed by the property owner or to any subsequent installment of property taxes.

The court shall hear evidence on the appeal and may confirm the action of the designating body or sustain the appeal. The judgment of the court is final and conclusive unless an appeal is taken as in other civil actions.

(f) If an appeal under subsection (e) is pending, the taxes resulting from the termination of the deduction are not due until after the appeal is finally adjudicated and the termination of the deduction is finally determined.

Subsections (f), (g), (h), and (i) do not apply to an additional appropriation made from the cumulative bridge fund if the appropriation meets the requirements under IC 8-16-3-3(c).

(d) A political subdivision may make an additional appropriation without approval of the ~~state board of tax commissioners~~ **department of local government finance** if the additional appropriation is made from a fund that is not described under subsection (b). However, the fiscal officer of the political subdivision shall report the additional appropriation to the ~~state board of tax commissioners~~ **department of local government finance**.

(e) After the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the ~~state board of tax commissioners~~ **department of local government finance**.

(f) When the ~~state board of tax commissioners~~ **department of local government finance** receives a certified copy of a proposal for an additional appropriation under subsection (e), the ~~board~~ **department** shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the ~~board~~ **department of local government finance** receives the proposal.

(g) In making the determination under subsection (f), the ~~board~~ **department of local government finance** shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.

(h) If the ~~state board of tax commissioners~~ **department of local government finance** disapproves an additional appropriation under subsection (f), the ~~state board of tax commissioners~~ **department** shall specify the reason for its disapproval on the determination sent to the

- (2) state with reasonable specificity the reason for the request.

The ~~state board of tax commissioners~~ **department of local government finance** must act on a request for reconsideration within fifteen (15) days of receiving the request.

SECTION 162. IC 6-1.1-18-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) The proper officers of a political subdivision may transfer money from one major budget classification to another within a department or office if:

- (1) they determine that the transfer is necessary;
- (2) the transfer does not require the expenditure of more money than the total amount set out in the budget as finally determined under this article;
- (3) the transfer is made at a regular public meeting and by proper ordinance or resolution; and
- (4) the transfer is certified to the county auditor.

(b) A transfer may be made under this section without notice and without the approval of the ~~state board of tax commissioners~~ **department of local government finance**.

SECTION 163. IC 6-1.1-18.5-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) A civil taxing unit is not subject to the levy limits imposed by section 3 of this chapter for an ensuing calendar year if the civil taxing unit did not adopt an ad valorem property tax levy for the immediately preceding calendar year.

(b) If under subsection (a) a civil taxing unit is not subject to the levy limits imposed under section 3 of this chapter for a calendar year, the civil taxing unit shall refer its proposed budget, ad valorem property tax levy, and property tax rate for that calendar year to the local government **tax** control board established by section 11 of this chapter before the tax levy is advertised. The local government tax control board shall then review and make a recommendation to the ~~state board of tax commissioners~~ **department of local government finance** on the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for that calendar year. The ~~state board of tax commissioners~~ **department of local government finance** shall make

a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for that calendar year. However, a civil taxing unit may not impose a property tax levy for a year if the unit did not exist as of March 1 of the preceding year.

SECTION 164. IC 6-1.1-18.5-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit if the civil taxing unit is committed to levy the taxes to pay or fund either:

- (1) bonded indebtedness; or
- (2) lease rentals under a lease with an original term of at least five (5) years.

(b) Before a civil taxing unit may incur bonded indebtedness or enter into a lease with an original term of at least five (5) years, the civil taxing unit must request and obtain approval from the ~~state board of tax commissioners~~ **department of local government finance** to incur the bonded indebtedness or execute the lease. The ~~state board of tax commissioners~~ **department of local government finance** may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the lease.

(c) The ~~state board of tax commissioners~~ **department of local government finance** shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the ~~state board of tax commissioners~~ **department of local government finance** may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the ~~board~~ **department** sends notice of the extension to the executive officer of the civil taxing unit.

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(b) The maximum property tax rate levied under the statutes listed in subsection (a) must be adjusted each time a general reassessment of property takes effect.

(c) The new maximum rate under a statute listed in subsection (a) is the tax rate determined under STEP SEVEN of the following formula:

STEP ONE: Determine the maximum rate for the political subdivision levying a property tax under the statute for the year preceding the year in which the general reassessment takes effect.

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the year preceding the year the general reassessment takes effect to the year that the general reassessment is effective.

STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

(d) The ~~state board of tax commissioners~~ **department of local government finance** shall compute the maximum rate allowed under subsection (c) and provide the rate to each political subdivision with authority to levy a tax under a statute listed in subsection (a).

SECTION 166. IC 6-1.1-18.5-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 11. (a) A local government tax control board is established. The board consists of nine (9) members, seven (7) of whom are voting members and two (2) of whom are nonvoting members.

(2) One (1) member appointed by the ~~state board of tax commissioners~~ **department of local government finance**.

(3) Five (5) members appointed by the governor. Three (3) of the members appointed by the governor must be citizens of Indiana who do not hold a political or elective office in state or local government. The governor may seek the recommendation of representatives of the cities, towns, and counties before appointing the other two (2) members to the board.

(c) The two (2) nonvoting members of the board shall be appointed as follows:

(1) One (1) member of the house of representatives, appointed by the speaker of the house.

(2) One (1) member of the senate, appointed by the president pro tempore of the senate.

(d) All members of the local government tax control board shall serve at the will of the board or person that appointed them.

(e) The local government tax control board shall annually hold an organizational meeting. At this organizational meeting the board shall elect a chairman and a secretary from its membership. The board shall meet after each organizational meeting as often as its business requires.

(f) The ~~state board of tax commissioners~~ **department of local government finance** shall provide the local government tax control board with rooms, staff, and secretarial assistance for its meetings.

(i) Each member of the local government tax control board who is a state employee is entitled to reimbursement for travel expenses and other expenses actually incurred in connection with the member's duties, as provided in the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency.

SECTION 167. IC 6-1.1-18.5-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental

functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter may, before October 2 of the calendar year immediately preceding the ensuing calendar year, appeal to the ~~state board of tax commissioners~~ **department of local government finance** for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The ~~state tax board of commissioners~~ **department of local government finance** shall promptly deliver to the local government tax control board every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the local government tax control board shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the local government tax control board has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the board with any relevant records or books.

(d) If an officer or member:

- (1) fails to appear at a hearing of the local government tax control board after having been given written notice from the local government tax control board requiring his attendance; or
- (2) fails to produce for the local government tax control board's use the books and records that the local government tax control board by written notice required the officer or member to produce;

then the local government tax control board may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the local government tax control board, to provide information to the local government tax control board, or to produce books and records for the local government tax control board's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of an affidavit under

C

subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the officer or member was acting in good faith and with reasonable cause. If the circuit court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

SECTION 168. IC 6-1.1-18.5-13.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13.5. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that the ~~state board of tax commissioners~~ **department of local government finance** give permission to a town having a population of more than ~~four hundred eighteen (418)~~ but less than six hundred (600) that is located in a county having a population of more than sixty-eight thousand (68,000) but less than ~~seventy-three thousand (73,000)~~ **three hundred seventy-five (375) but less than five hundred (500)** located in a county having a population of more than seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400) to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the town needs the increase to pay the costs of furnishing fire protection for the town. However, any increase in the amount of the town's levy recommended by the local government tax control board under this section for the ensuing calendar year may not exceed the greater of:

- (1) twenty-five thousand dollars (\$25,000); or
- (2) twenty percent (20%) of the sum of:
 - (A) the amount authorized for the cost of furnishing fire protection in the town's budget for the immediately preceding calendar year; plus
 - (B) the amount of any additional appropriations authorized under IC 6-1.1-18-5 during that calendar year for the town's use in paying the costs of furnishing fire protection.

SECTION 169. IC 6-1.1-18.5-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) The local government tax control board may recommend to the ~~state board of tax commissioners~~ **department of local government finance** a correction of any advertising error, mathematical error, or error in data made at the local level for any calendar year that affects the determination of the limitations established by section 3 of this chapter or the tax rate or

C

levy of a civil taxing unit. The ~~state board of tax commissioners~~ **department of local government finance** may on its own initiative correct such an advertising error, mathematical error, or error in data for any civil taxing unit.

(b) A correction made under subsection (a) for a prior calendar year shall be applied to the civil taxing unit's levy limitations, rate, and levy for the ensuing calendar year to offset any cumulative effect that the error caused in the determination of the civil taxing unit's levy limitations, rate, or levy for the ensuing calendar year.

SECTION 170. IC 6-1.1-18.5-15 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 15. The ~~state board of tax commissioners~~ **department of local government finance**, upon receiving a recommendation made under section 13 or 14 of this chapter, shall enter an order adopting, rejecting, or adopting in part and rejecting in part the recommendation of the local government tax control board. The decision of the ~~state board of tax commissioners~~ **department of local government finance** is final.

SECTION 171. IC 6-1.1-18.5-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) A civil taxing unit may request permission from the local government tax control board to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if:

- (1) the civil taxing unit experienced a property tax revenue shortfall that resulted from erroneous assessed valuation figures being provided to the civil taxing unit;
- (2) the erroneous assessed valuation figures were used by the civil taxing unit in determining its total property tax rate; and
- (3) the error in the assessed valuation figures was found after the civil taxing unit's property tax levy resulting from that total rate was finally approved by the ~~state board of tax commissioners~~ **department of local government finance**.

(b) If the local government tax control board determines that such a shortfall has occurred, it shall recommend to the ~~state board of tax commissioners~~ **department of local government finance** that the civil taxing unit be allowed to impose a property tax levy exceeding the limit imposed by section 3 of this chapter, and the ~~state board of tax commissioners~~ **department** shall adopt such recommendation. However, the maximum amount by which the civil taxing unit's levy may be increased over the limits imposed by section 3 of this chapter equals the remainder of the civil taxing unit's property tax levy for the particular calendar year as finally approved by the ~~state board of tax commissioners~~ **department of local government finance** minus the

C
o
p

actual property tax levy collected by the civil taxing unit for that particular calendar year.

(c) Any property taxes collected by a civil taxing unit over the limits imposed by section 3 of this chapter under the authority of this section may not be treated as a part of the civil taxing unit's maximum permissible ad valorem property tax levy for purposes of determining its maximum permissible ad valorem property tax levy for future years.

(d) If the ~~state board of tax commissioners~~ **department of local government finance** authorizes an excess tax levy under this section, it shall take appropriate steps to insure that the proceeds are first used to repay any loan made to the civil taxing unit for the purpose of meeting its current expenses.

SECTION 172. IC 6-1.1-18.5-17 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 17. (a) As used in this section, "levy excess" means the part of the ad valorem property tax levy actually collected by a civil taxing unit, for taxes first due and payable during a particular calendar year, that exceeds the civil taxing unit's ad valorem property tax levy, as approved by the ~~state board of tax commissioners~~ **department of local government finance** under IC 6-1.1-17.

(b) A civil taxing unit's levy excess is valid and may not be contested on the grounds that it exceeds the civil taxing unit's levy limit for the applicable calendar year. However, the civil taxing unit shall deposit, except as provided in subsection (h), the part of its levy that exceeds one hundred two percent (102%) of the civil taxing unit's ad valorem property tax levy for the applicable calendar year, as approved by the ~~state board of tax commissioners~~ **department of local government finance** under IC 6-1.1-17, in a special fund to be known as the civil taxing unit's levy excess fund.

(c) The chief fiscal officer of a civil taxing unit may invest money in the civil taxing unit's levy excess fund in the same manner in which money in the civil taxing unit's general fund may be invested. However, any income derived from investment of the money shall be deposited in and becomes a part of the levy excess fund.

(d) The ~~state board of tax commissioners~~ **department of local government finance** may require a civil taxing unit to include the amount in its levy excess fund in the civil taxing unit's budget fixed under IC 6-1.1-17.

(e) Except as provided by subsection (f), a civil taxing unit may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the ~~state board of tax commissioners~~ **department of local government**

C
o

finance under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the property tax levy limits imposed under this chapter, a civil taxing unit shall treat the money in its levy excess fund that the ~~state board of tax commissioners~~ **department of local government finance** permits it to spend during a particular calendar year as part of its ad valorem property tax levy for that same calendar year.

(f) A civil taxing unit may transfer money from its levy excess fund to its other funds to reimburse those funds for amounts withheld from the civil taxing unit as a result of refunds paid under IC 6-1.1-26.

(g) Subject to the limitations imposed by this section, a civil taxing unit may use money in its levy excess fund for any lawful purpose for which money in any of its other funds may be used.

(h) If the amount that would, notwithstanding this subsection, be deposited in the levy excess fund of a civil taxing unit for a particular calendar year is less than one hundred dollars (\$100), no money shall be deposited in the levy excess fund of the unit for that year.

SECTION 173. IC 6-1.1-19-1.5, AS AMENDED BY P.L.291-2001, SECTION 89, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1.5. (a) The following definitions apply throughout this section and IC 21-3-1.7:

(1) "Adjustment factor" means the adjustment factor determined by the ~~state board of tax commissioners~~ **department of local government finance** for a school corporation under IC 6-1.1-34.

(2) "Adjusted target property tax rate" means:

(A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by

(B) the school corporation's adjustment factor.

(3) "Previous year property tax rate" means the school corporation's previous year general fund property tax rate after the reductions cited in IC 21-3-1.7-5(1), IC 21-3-1.7-5(2), and IC 21-3-1.7-5(3).

(b) Except as otherwise provided in this chapter, a school corporation may not, for an ensuing calendar year, impose a general fund ad valorem property tax levy which exceeds the following:

STEP ONE: Determine the result of:

(A) the school corporation's adjusted target property tax rate; minus

(B) the school corporation's previous year property tax rate.

STEP TWO: Determine the result of:

(A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by

(B) the quotient resulting from:

C
o
p
y

- (i) the absolute value of the result of the school corporation's adjustment factor minus one (1); divided by
- (ii) two (2).

STEP THREE: If the school corporation's adjusted target property tax rate:

- (A) exceeds the school corporation's previous year property tax rate, perform the calculation under STEP FOUR and not under STEP FIVE;
- (B) is less than the school corporation's previous year property tax rate, perform the calculation under STEP FIVE and not under STEP FOUR; or
- (C) equals the school corporation's previous year property tax rate, determine the levy resulting from using the school corporation's adjusted target property tax rate and do not perform the calculation under STEP FOUR or STEP FIVE.

The school corporation's 2002 assessed valuation shall be used for purposes of determining the levy under clause (C) in 2002 and in 2003.

STEP FOUR: Determine the levy resulting from using the school corporation's previous year property tax rate after increasing the rate by the lesser of:

- (A) the STEP ONE result; or
- (B) the sum of:
 - (i) five cents (\$0.05); plus
 - (ii) if the school corporation's adjustment factor is more than one (1), the STEP TWO result.

The school corporation's 2002 assessed valuation shall be used for purposes of determining the levy under this STEP in 2002 and in 2003.

STEP FIVE: Determine the levy resulting from using the school corporation's previous year property tax rate after reducing the rate by the lesser of:

- (A) the absolute value of the STEP ONE result; or
- (B) the sum of:
 - (i) nine cents (\$0.09); plus
 - (ii) if the school corporation's adjustment factor is less than one (1), the STEP TWO result.

The school corporation's 2002 assessed valuation shall be used for purposes of determining the levy under this STEP in 2002 and in 2003.

STEP SIX: Determine the result of:

- (A) the STEP THREE (C), STEP FOUR, or STEP FIVE result,

whichever applies; plus

(B) an amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

The maximum levy is to include the portion of any excessive levy and the levy for new facilities.

(c) For purposes of this section, "total assessed value", as adjusted under subsection (d), with respect to a school corporation means the total assessed value of all taxable property for ad valorem property taxes first due and payable during that year.

(d) The ~~state board of tax commissioners~~ **department of local government finance** may adjust the total assessed value of a school corporation to eliminate the effects of appeals and settlements arising from a statewide general reassessment of real property.

(e) The ~~state board~~ **department of local government finance** shall annually establish an assessment ratio and adjustment factor for each school corporation to be used upon the review and recommendation of the budget committee. The information compiled, including background documentation, may not be used in a:

- (1) review of an assessment under IC 6-1.1-8, IC 6-1.1-13, IC 6-1.1-14, or IC 6-1.1-15;
- (2) petition for a correction of error under IC 6-1.1-15-12; or
- (3) petition for refund under IC 6-1.1-26.

(f) All tax rates shall be computed by rounding the rate to the nearest one-hundredth of a cent (\$0.0001). All tax levies shall be computed by rounding the levy to the nearest dollar amount.

SECTION 174. IC 6-1.1-19-1.7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1.7. (a) As used in this section, "levy excess" means that portion of the ad valorem property tax levy actually collected by a school corporation, for taxes first due and payable during a particular calendar year, which exceeds the school corporation's total levy, as approved by the ~~state board of tax commissioners~~ **department of local government finance** under IC 6-1.1-17, for those property taxes.

(b) A school corporation's levy excess is valid, and the general fund portion of a school corporation's levy excess may not be contested on the grounds that it exceeds the school corporation's general fund levy limit for the applicable calendar year. However, the school corporation shall deposit, except as provided in subsection (h), that portion of a school corporation's levy excess which exceeds one hundred two percent (102%) of the school corporation's total levy, as approved by

the ~~state board of tax commissioners~~ **department of local government finance** under IC 6-1.1-17, for the applicable calendar year, in a special fund to be known as the school corporation's levy excess fund.

(c) The chief fiscal officer of a school corporation may invest money in the school corporation's levy excess fund in the same manner in which money in the school corporation's general fund may be invested. However, any income derived from investment of the money shall be deposited in and become a part of the levy excess fund.

(d) The ~~state board of tax commissioners~~ **department of local government finance** may require a school corporation to include the amount in the school corporation's levy excess fund in the school corporation's budget fixed under IC 6-1.1-17.

(e) Except as provided in subsection (f), a school corporation may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the ~~state board of tax commissioners~~ **department of local government finance** under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the property tax levy limits fixed under this chapter, a school corporation shall treat the money in its levy excess fund that the ~~state board of tax commissioners~~ **department of local government finance** permits the school corporation to spend during a particular calendar year as part of the school corporation's ad valorem property tax levy for that same calendar year.

(f) A school corporation may transfer money from its levy excess fund to its other funds to reimburse those funds for amounts withheld from the school corporation as a result of refunds paid under IC 6-1.1-26.

(g) Subject to the limitations imposed by this section, a school corporation may use money in its levy excess fund for any lawful purpose for which money in any of its other funds may be used.

(h) If the amount that would be deposited in the levy excess fund of a school corporation for a particular calendar year is less than one hundred dollars (\$100), no money shall be deposited in the levy excess fund of the school corporation for that year.

(c) If a county board of tax adjustment approves, or recommends the approval of, an excessive tax levy for a school corporation, the auditor of the county for which the county board is acting shall reduce the excessive tax levy to the maximum normal tax levy. Such a reduction shall be set out in the notice required to be published by the auditor under IC 6-1.1-17-12, and an appeal shall be permitted therefrom as provided under IC 6-1.1-17 as modified by this chapter.

(d) Appeals from any action of a county board of tax adjustment or county auditor in respect of a school corporation's budget, tax levy, or tax rate may be taken as provided for by IC 6-1.1-17. Notwithstanding IC 6-1.1-17, a school corporation may appeal to the ~~state board of tax commissioners~~ **department of local government finance** for emergency financial relief for the ensuing calendar year at any time after the budget, tax rate, and tax levy of the school corporation are fixed under IC 6-1.1-17-5, but not later than twenty (20) days after the county auditor publishes notice under IC 6-1.1-17-12 of the tax rate to be charged in the school corporation for the ensuing calendar year.

(e) In the appeal petition in which a school corporation seeks emergency financial relief, the appellant school corporation shall allege that, unless it is given the emergency financial relief for which it petitions, it will be unable to carry out, in the ensuing calendar year, the public educational duty committed to it by law, and it shall support that allegation by reasonably detailed statements of fact.

(f) When an appeal petition in which a school corporation petitions for emergency financial relief is filed with the ~~state board of tax commissioners~~, **department of local government finance**, the ~~board department~~ shall include, in the notice of the hearing in respect of the petition that it is required to give under IC 6-1.1-17-16, a statement to the effect that the appellant school corporation is seeking emergency financial relief for the ensuing calendar year. A subsequent action taken by the ~~state board of tax commissioners~~ **department of local government finance** in respect of such an appeal petition is not invalid, however, or otherwise affected, if the ~~board department~~ fails to include such a statement in the hearing notice.

Disobedience of the summons is punishable as a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of the affidavit and the issuance and service of the summons under this section shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the action of the officer or member was taken in good faith and with reasonable cause. SECTION 178. IC 6-1.1-19-4.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.2. The ~~state board of tax commissioners~~ **department of local government finance** in determining whether to approve or disapprove a school building construction project and the tax control board in determining whether to recommend approval or disapproval of a school building construction project shall consider the following factors:

- (1) The current and proposed square footage of school building space per student.
- (2) Enrollment patterns within the school corporation.
- (3) The age and condition of the current school facilities.
- (4) The cost per square foot of the school building construction project.
- (5) The effect that completion of the school building construction project would have on the school corporation's tax rate.
- (6) Any other pertinent matter.

SECTION 179. IC 6-1.1-19-4.4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.4. (a) With respect to every appeal petition that is delivered to the tax control board by the ~~state board of tax commissioners~~ **department of local government finance** under section 4.1 of this chapter and that does not include a request for emergency financial relief, the tax control board shall, after the tax control board makes the study of the appeal petition and related materials that the tax control board considers necessary, recommend to the ~~state board of tax commissioners~~, **department**, in respect of the particular appeal petition that:

- (1) the order of the county board of tax adjustment or the county auditor in respect of the appellant school corporation's budget, tax levy, or tax rate for the ensuing calendar year be approved;
- (2) the order of the county board of tax adjustment or the county auditor in respect of the appellant school corporation's budget, tax levy, or tax rate be disapproved and that the appellant school corporation's budget, tax levy, or tax rate be reduced as specified in the tax control board's recommendation;

C

(3) the order of the county board of tax adjustment or the county auditor in respect of the appellant school corporation's budget, tax levy, or tax rate be disapproved and that the appellant school corporation's budget, tax levy, or tax rate be increased as specified in the tax control board's recommendation; or
 (4) combined with a recommendation allowed under subdivision (1), (2), or (3), the adjusted base tax levy for the school corporation be increased if the school corporation can show a need for the increased adjusted base levy due to:

(A) the opening after December 31, 1972, of a new school facility; or

(B) the opening after July 1, 1988, of an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space.

The adjusted base levy increase, if approved by the tax control board, shall be an amount equal to the increase in costs resulting to the school corporation from the opening and operation of the new school facility or the reopening and operation of an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space. In determining those increased costs, the tax control board shall consider the costs to the school corporation of complying with safety, health, space, heat, or lighting standards required by state or federal law or regulation, and the other physical operation costs that in the opinion of the tax control board justify an adjustment in the school corporation's adjusted base levy.

(b) With respect to an appeal petition described in this section, the tax control board may not make a recommendation that, if followed by the ~~state board of tax commissioners~~, **department of local government finance**, would authorize the appellant school corporation for the ensuing calendar year:

(1) to collect a general fund tax levy in excess of the general fund tax levy initially adopted and advertised by the appellant school corporation;

(2) to impose a general fund tax rate in excess of the general fund tax rate initially adopted and advertised by the appellant school corporation; or

(3) to collect an excessive tax levy.

government finance under section 4.1 of this chapter and that includes a request for emergency financial relief (except an appeal petition described in section 4.7 of this chapter), the tax control board shall, after having made the study of the appeal petition and related materials that the tax control board considers necessary, make an appropriate recommendation to the ~~state board of tax commissioners~~ **department**. If the appeal petition requests an excessive tax levy under subsection (c), the tax control board shall expedite the board's review as necessary to permit the referendum to be conducted without a special election. In respect of the appeal petition, the tax control board may make to the ~~state board of tax commissioners~~ **department of local government finance** any of the recommendations described in section 4.4(a) of this chapter, subject to the limitations described in section 4.4(b) of this chapter.

(b) In addition, if the tax control board concludes that the appellant school corporation cannot, in the ensuing calendar year, carry out the public educational duty committed to the appellant school corporation by law if, for the ensuing calendar year, the appellant school corporation does not receive emergency financial relief, the tax control board may recommend to the ~~state board of tax commissioners~~ **department of local government finance** that the order of the county board of tax adjustment or the county auditor in respect of the budget, tax levy, or tax rate of the appellant school corporation be approved, or disapproved and modified, as specified in the tax control board's recommendation and that the appellant school corporation receive emergency financial relief from the state, on terms to be specified by the tax control board in the board's recommendation, in the form of:

- (1) a grant or grants from any funds of the state that are available for such a purpose;
- (2) a loan or loans from any funds of the state that are available for such a purpose;

 - (B) use, for general fund purposes, any unobligated balance in

C

the appellant school corporation's cumulative building fund and the proceeds of any levy made or to be made by the appellant school corporation for the appellant school corporation's cumulative building fund;

(6) permission to use, for general fund purposes, any unobligated balance in any construction fund, including any unobligated proceeds of a sale of the school corporation's general obligation bonds; or

(7) a combination of the emergency financial relief described in subdivisions (1) through (6).

(c) In addition to, or in lieu of, any recommendation that the tax control board may make under this section, the tax control board may recommend that the appellant school corporation be permitted to make an excessive tax levy for the ensuing calendar year. The recommendation may not be put into effect until a majority of the individuals who vote in a referendum that is conducted in accordance with the following requirements approves the appellant school corporation's making an excessive tax levy for the ensuing calendar year:

(1) Whenever:

(A) the tax control board recommends to the ~~state board of tax commissioners~~ **department of local government finance** that the appellant school corporation be permitted to make an excessive tax levy for the ensuing calendar year if a majority of the individuals voting in a referendum held in the appellant school corporation approves the appellant school corporation's making an excessive tax levy;

(B) the ~~state board of tax commissioners~~ **department of local government finance** gives the board's written approval of the recommendation; and

(C) the appellant school corporation requests that the tax control board take the steps necessary to cause a referendum to be conducted;

the tax control board shall proceed in accordance with this subsection.

(2) The question to be submitted to the voters in the referendum must read as follows:

school corporation's normal tax rate?"

(3) The tax control board shall act under IC 3-10-9-3 to certify the question to be voted on at the referendum to the county election board of each county in which any part of the appellant school corporation lies. Each county clerk shall, upon receiving the question certified by the tax control board, call a meeting of the county election board to make arrangements for the referendum. The referendum shall be held in the next primary or general election in which the residents of the appellant school corporation are entitled to vote after certification of the question under IC 3-10-9-3. However, if the referendum would be held at a primary or general election more than six (6) months after certification by the tax control board, the referendum shall be held at a special election to be conducted not less than sixty (60) days after the question is certified to the circuit court clerk or clerks by the tax control board. The appellant school corporation shall advise each affected county election board of the date on which the appellant school corporation desires that the referendum be held, and, if practicable, the referendum shall be held on the day specified by the appellant school corporation. The referendum shall be held under the direction of the county election board, which shall take all steps necessary to carry out the referendum. Not less than ten (10) days before the date on which the referendum is to be held, the county election board shall cause notice of the question that is to be voted upon at the referendum to be published in accordance with IC 5-3-1 and IC 20-5-12. If the referendum is not conducted at a primary or general election, the appellant school corporation in which the referendum is to be held shall pay all of the costs of holding the referendum.

(4) Each county election board shall cause the question certified to the circuit court clerk by the tax control board to be placed on the ballot in the form prescribed by IC 3-10-9-4. The county election board shall also cause an adequate supply of ballots and voting equipment to be delivered to the precinct election board of each precinct in which the referendum is to be held.

(5) The individuals entitled to vote in the referendum are all of the registered voters resident in the appellant school corporation.

(6) Each precinct election board shall count the affirmative votes and the negative votes cast in the referendum and shall certify those two (2) totals to the county election board of each county in which the referendum is held. The circuit court clerk of each county shall, immediately after the votes cast in the referendum

have been counted, certify the results of the referendum to the tax control board. Upon receiving the certification of all of the votes cast in the referendum, the tax control board shall promptly certify the result of the referendum to the ~~state board of tax commissioners~~ **department of local government finance**. If a majority of the individuals who voted in the referendum voted "yes" on the referendum question, the ~~state board of tax commissioners~~ **department of local government finance**, upon being notified in the manner described in this subsection of the result of the referendum, shall take prompt and appropriate steps to notify the appellant school corporation that the appellant school corporation is authorized to collect, for the calendar year that next follows the calendar year in which the referendum is held, an excessive tax levy not greater than the amount approved in the referendum. The excessive tax levy shall become the adjusted base levy for that calendar year following the referendum for the school corporation in which the referendum is held, unless the question upon which the voters voted at the referendum has been framed to preclude the excessive tax levy from becoming the adjusted base levy of the school corporation. If a majority of the persons who voted in the referendum did not vote "yes" on the referendum question, the appellant school corporation may not make any tax levy for its general fund other than a normal tax levy.

(d) With respect to any school corporation to which a loan or advance of state funds is made under this section, or for which such a loan or an advance is recommended, for purposes other than the purpose specified in section 4.7 of this chapter, the tax control board may recommend to the ~~state board of tax commissioners~~ **department of local government finance** that the school corporation be authorized, for a specified calendar year, and solely for the purpose of enabling the school corporation to repay the loan or advance, to collect an excessive tax levy. A recommendation under this subsection must specify the amount of the recommended excessive tax levy. Upon receiving the recommendation from the tax control board, and without any other proceeding, the ~~state board of tax commissioners~~ **department of local government finance** may authorize the school corporation, for a specified calendar year, to make an excessive tax levy in accordance with the recommendation of the tax control board or in accordance with a modification of the recommendation that the ~~state board of tax commissioners~~ **department** determines is proper. Whenever the ~~state board of tax commissioners~~ **department of local government finance**

exercises the power given to the ~~state board of tax commissioners~~ **department** under this subsection, the ~~state board~~ **department** shall, in the ~~state board's~~ **department's** order to the affected school corporation, specify the amount of the authorized excessive tax levy and take appropriate steps to ensure that so much of the proceeds of the excessive tax levy as should be used for loan repayment purposes is not used for any other purpose. The ~~state board of tax commissioners~~ **department of local government finance** may not exercise the power described in this subsection to authorize any school corporation to collect an excessive tax levy for more than one (1) calendar year in any period of four (4) consecutive calendar years.

SECTION 181. IC 6-1.1-19-4.6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.6. The ~~state board of tax commissioners~~ **department of local government finance** in determining whether to approve or disapprove a school building construction project and the tax control board in determining whether to recommend approval or disapproval of a school building construction project may not approve or recommend the approval of a project that is financed through the issuance of bonds if the bonds mature more than twenty-five (25) years after the date of the bonds' issuance.

SECTION 182. IC 6-1.1-19-4.7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.7. (a) With respect to every appeal petition that:

- (1) is delivered to the tax control board by the ~~state board of tax commissioners~~ **department of local government finance** under section 4.1 of this chapter; and
- (2) includes a request for emergency relief for the purpose of making up a shortfall that has resulted:
 - (A) whenever:
 - (i) erroneous assessed valuation figures were provided to the school corporation;
 - (ii) erroneous figures were used to determine the school corporation's total property tax rate; and
 - (iii) the school corporation's general fund tax levy was reduced under IC 6-1.1-17-16(d); or
 - (B) whenever the assessed valuation figures that were provided to and used by the school corporation to determine the property tax rate did not accurately reflect appeals filed by property owners;

the tax control board shall recommend to the ~~state board of tax commissioners~~ **department of local government finance** that the

school corporation receive emergency financial relief. The relief shall be in the form specified in section 4.5(b)(1) through 4.5(b)(7) of this chapter, or in a combination of the forms of relief specified in section 4.5(b)(1) through 4.5(b)(7) of this chapter.

(b) The tax control board shall, if the tax control board determines that a shortfall exists as described in subsection (a), recommend that a school corporation that appeals for the purpose stated in subsection (a) be permitted to collect an excessive tax levy for a specified calendar year in the amount of the difference between:

(1) the school corporation's property tax levy for a particular year as finally approved by the ~~state board of tax commissioners;~~ **department of local government finance;** and

(2) the school corporation's actual property tax levy for the particular year.

(c) With respect to each appeal petition that:

(1) is delivered to the tax control board by the ~~state board of tax commissioners~~ **department of local government finance** under section 4.1 of this chapter;

(2) includes a request for emergency relief for the purpose of making up a shortfall that has resulted because of a delinquent property taxpayer; and

(3) the tax control board finds that the balance in the school corporation's levy excess fund plus the property taxes collected for the school corporation is less than ninety-eight percent (98%) of the school corporation's property tax levy for that year, as finally approved by the ~~state board of tax commissioners;~~ **department of local government finance;**

the tax control board may recommend to the ~~state board of tax commissioners~~ **department of local government finance** that the school corporation receive emergency financial relief in the form specified in section 4.5(b)(1) through 4.5(b)(7) of this chapter and be permitted to collect an excessive tax levy for a specified calendar year in the amount of the difference between the school corporation's property tax levy for a particular year, as finally approved by the ~~state board of tax commissioners;~~ **department,** and the school corporation's actual property tax collections plus any balance in the school corporation's levy excess fund.

(d) Every recommendation made by the tax control board under this section shall specify the amount of the excessive tax levy. The ~~state board of tax commissioners~~ **department of local government finance** shall authorize the school board to make an excessive tax levy in accordance with the recommendation without any other proceeding.

C
o
p

Whenever the ~~state board of tax commissioners~~ **department of local government finance** authorizes an excessive tax levy under this subsection, the ~~state board~~ **department** shall take appropriate steps to ensure that the proceeds of the excessive tax levy are first used to repay any loan authorized under sections 4.3 through 5.3 of this chapter.

SECTION 183. IC 6-1.1-19-4.9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.9. (a) This section does not apply to a school corporation that receives emergency financial relief under section 4.5(c) or section 4.7 of this chapter.

(b) Every school corporation with respect to which the tax control board recommends, and the ~~state board of tax commissioners~~ **department of local government finance** authorizes, emergency financial relief under section 4.5 of this chapter (including relief in the form of an authorization to make an excessive tax levy) is, if the school corporation accepts the authorized relief, prohibited throughout any calendar year in which or for which the school corporation receives the emergency financial relief from taking any of the prohibited actions described in this subsection until the action is recommended by the tax control board to the ~~state board of tax commissioners~~ **department** and authorized by the ~~state board of tax commissioners~~ **department**. The prohibited actions are any of the following:

- (1) The acquisition of real estate for school building purposes, the construction of new school buildings, or the remodeling or renovation of existing school buildings.
- (2) The making of a lease of real or personal property for an annual rental or the incurring of any other contractual obligation (except an employment contract for a new employee, which contract is to supersede the contract of a terminating employee) calling for an annual outlay by the school corporation in excess of ten thousand dollars (\$10,000).
- (3) The purchase of personal property for a consideration in excess of ten thousand dollars (\$10,000).
- (4) The adoption or advertising of a budget, tax levy, or tax rate for any calendar year.

SECTION 184. IC 6-1.1-19-5.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5.1. (a) A school corporation may conduct an analysis of that school corporation's:

- (1) total transfer tuition payments actually made or estimated to be made on behalf of students transferring from the school corporation; and
- (2) total revenue actually received or estimated to be received by the school corporation on behalf of students transferring to the school corporation;

to determine the net financial impact of transfer tuition on the particular school corporation for the school year ending in the calendar year immediately preceding the ensuing calendar year or the calendar year that precedes the ensuing calendar year by two (2) years, or both. If the school corporation determines from the analysis that the amount of revenue received by the school corporation under subdivision (2) is less than the amount of transfer tuition payments made by the school corporation under subdivision (1), the school corporation may include the amount attributable to the difference between the subdivision (1) and subdivision (2) amounts in the school corporation's appeal for an excessive levy under this chapter. However, a school corporation may not include the amount of a particular deficit in more than one (1) appeal.

(b) A school corporation may appeal to the ~~state board of tax commissioners~~ **department of local government finance** under this chapter to increase the school corporation's maximum permissible general fund levy for the following year by the amount described in subsection (a). Upon the demonstration by the school corporation to the ~~state board of tax commissioners~~ **department of local government finance** that the amount of transfer tuition payments received by the school corporation under subsection (a)(2) is less than the amount of transfer tuition payments made by the school corporation under subsection (a)(1), the ~~state board of tax commissioners~~ **department** shall grant the increase described in this section.

(c) If a school corporation is granted an increase under this section, the amount attributable to the increase may not be included in the school corporation's adjusted base levy for the year following the year in which the increase applies or the school corporation's determination of tuition support.

(d) A levy increase described in this section may be based on an estimate of transfer tuition payments paid or received by a school corporation. If the actual difference between the transfer tuition payments made by a school corporation and the transfer tuition

C

payments received by a school corporation for a school year is less than the estimate used to grant a levy increase described in this section, the ~~state board of tax commissioners~~ **department of local government finance** may reduce the levies imposed by a school corporation by the amount of the overage.

SECTION 185. IC 6-1.1-19-5.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5.3. (a) The tax control board may recommend to the ~~state board of tax commissioners~~ **department of local government finance** a correction of mathematical errors in data that affect the determination of:

- (1) a school corporation's adjusted base levy;
- (2) a school corporation's excessive tax levy; or
- (3) a school corporation's normal tax levy.

(b) The ~~state board of tax commissioners~~ **department of local government finance** may correct mathematical errors in data for any school corporation.

SECTION 186. IC 6-1.1-19-5.4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5.4. (a) A school corporation may appeal to the ~~state board of tax commissioners~~ **department of local government finance** under this chapter to increase the maximum operating costs levy that is permitted for the school corporation's operating costs account for its transportation fund under IC 21-2-11.5. To be granted an increase by the ~~state board of tax commissioners~~ **department of local government finance**, the school corporation must establish that the increase is necessary because of a transportation operating cost increase of at least ten percent (10%) over the preceding year as a result of at least one (1) of the following:

- (1) A fuel expense increase.
- (2) A significant increase in the number of students enrolled in the school corporation that need transportation or a significant increase in the mileage traveled by the school corporation's buses compared to the previous year.
- (3) A significant increase in the number of students enrolled in special education who need transportation or a significant increase in the mileage traveled by the school corporation's buses due to students enrolled in special education as compared to the previous year.
- (4) Increased transportation operating costs due to compliance with a court ordered desegregation plan.
- (5) The closure of a school building within the school corporation that results in a significant increase in the distances that students must be transported to attend another school building.

C
o
p
y

In addition, before the ~~state board of tax commissioners~~ **department of local government finance** may grant a maximum operating costs account levy increase, the school corporation must establish that the school corporation will be unable to provide transportation services without an increase. The ~~state board of tax commissioners~~ **department of local government finance** may grant a maximum operating costs levy increase that is less than the increase requested by the school corporation.

(b) If the ~~state board of tax commissioners~~ **department of local government finance** determines that a permanent increase in the maximum permissible operating costs levy is necessary, the maximum operating costs levy after the increase granted under this section becomes the school corporation's maximum permissible transportation fund's operating costs account levy under IC 21-2-11.5.

SECTION 187. IC 6-1.1-19-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) A school corporation that did not impose a general fund tax levy for the preceding calendar year may not collect a general fund tax levy for the ensuing calendar year until that general fund tax levy (and the related budget, appropriations, and general fund tax rate), after being adopted and advertised and considered by the proper county board of tax adjustment as provided by law, is reviewed by the tax control board, which shall make its recommendations in respect thereof to the ~~state board of tax commissioners;~~ **department of local government finance**, and is approved by the ~~state board of tax commissioners;~~ **department**.

(b) For all purposes relevant to this chapter:

- (i) **(1)** the adjusted base levy for a school corporation that must have its levy approved under subsection (a) is the total dollar amount of the ad valorem tax levy for its general fund that, after being approved, is made by the school corporation for taxes collectible in the first full calendar year after the approval; and
- (ii) **(2)** the ADA ratio for a school corporation that must have its levy approved under subsection (a) is the quotient resulting from a division of the school corporation's current ADA by the ADA first determined after the approval for the school corporation in accordance with the rules and regulations established by the state board of education.

(c) For purposes of this chapter:

- (i) **(1)** where territory is transferred from one (1) school corporation to another after April 4, 1973, under IC 20-4-4 or IC 20-3-14, ADA, current ADA, and ADA ratio shall be

C
o
p

interpreted, insofar as possible, as though the pupils in the territory had been transferred in the school year ending in 1973; and

(ii) **(2)** where territory is transferred for one (1) school corporation to another after June 1, 1978, under IC 20-4-4 or IC 20-3-14, adjusted base levy, normal tax levy, and the other terms used in this chapter shall be interpreted, insofar as possible, as though the assessed valuation of the territory had been transferred prior to March 1, 1977, in accordance with rules and a final determination by the ~~state board of tax commissioners~~ **department of local government finance**.

SECTION 188. IC 6-1.1-19-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. Any recommendation that is to be made by the tax control board to the ~~state board of tax commissioners~~ **department of local government finance** pursuant to any provision of this chapter shall be made at such a time as is prescribed in this chapter and, if no time for the making of such a recommendation is prescribed in this chapter, then the recommendation shall be made at such a time as will permit the ~~state board of tax commissioners~~ **department** to complete those duties of the ~~board~~ **department** that are defined in IC ~~1971~~, 6-1.1-17 within the time allowed by law for the completion of those duties, or such additional time as is reasonably necessary for the ~~state board of tax commissioners~~ **department** and the tax control board to complete the duties provided by this chapter. No tax levy shall be invalid because of the failure of either **the tax control board or the department of local government finance** to complete its duties within the time or time limits provided by this chapter or any other law. Subject to the provisions of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** may accept, reject, or accept in part and reject in part any recommendation of the tax control board that is made to it under this chapter and may make any order that is consistent with the provisions of IC ~~1971~~, 6-1.1-17. The ~~state board of tax commissioners~~ **department of local government finance** may not approve or authorize an excessive tax levy except in accordance with the provisions of this chapter.

SECTION 189. IC 6-1.1-19-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) A school corporation may not incur bond indebtedness, enter into a lease rental agreement, or repay from the debt service fund loans made for the purchase of school buses under IC 20-9.1-6-5, unless the school corporation has first obtained the ~~state board of tax commissioners~~

department of local government finance's approval of the lease rental agreement, bond issue or school bus purchase loan. This restriction does not apply to ad valorem property taxes which a school corporation levies to pay or fund bond or lease rental indebtedness created or incurred before July 1, 1974.

(b) The ~~state board of tax commissioners~~ **department of local government finance** may either approve, disapprove, or modify then approve a school corporation's proposed lease rental agreement, bond issue or school bus purchase loan. Before it approves or disapproves a proposed lease rental agreement, bond issue or school bus purchase loan, the ~~state board of tax commissioners~~ **department of local government finance** may seek the recommendation of the tax control board.

(c) The ~~state board of tax commissioners~~ **department of local government finance** shall render a decision not more than three (3) months after the date it receives a request for approval under subsection (a). However, the ~~state board of tax commissioners~~ **department of local government finance** may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the ~~board~~ **department** sends notice of the extension to the executive officer of the school corporation.

(d) After December 31, 1995, the ~~state board of tax commissioners~~ **department of local government finance** may not approve a school corporation's proposed lease rental agreement or bond issue to finance the construction of additional classrooms unless the school corporation first:

- (1) establishes that additional classroom space is necessary; and
- (2) conducts a feasibility study, holds public hearings, and hears public testimony on using a twelve (12) month school term (instead of the nine (9) month school term (as defined in IC 20-10.1-2-2)) rather than expanding classroom space.

(e) This section does not apply to school bus purchase loans made by a school corporation which will be repaid solely from the general fund of the school corporation.

SECTION 190. IC 6-1.1-19-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) This section applies to a school corporation that:

- (1) is located in a county having a population of more than three hundred thousand (300,000) but less than four hundred thousand (400,000);
- (2) is a party to a lawsuit alleging that its schools are segregated

C
o
p

in violation of the Constitution of the United States or federal law;
 (3) desires to improve or maintain racial balance among two (2) or more schools within the school corporation, regardless of the school corporation's basis for desiring to improve or maintain racial balance; and

(4) has a minority student enrollment that comprises at least ten percent (10%) of its total student enrollment, using the most recent enrollment data available to the school corporation.

(b) As used in this section, "minority student" means a student who is black, Spanish American, Asian American, or American Indian.

(c) A school corporation may establish a racial balance fund and petition the school property tax control board to impose an ad valorem property tax to raise revenue for the fund. However, before a school corporation may impose an ad valorem property tax under this section, the school corporation must file a petition with the school property tax control board. The petition must be filed before June 1 of the year preceding the first year the school corporation desires to impose the property tax and must include the following:

- (1) The name of the school corporation.
- (2) A settlement agreement among the parties to a desegregation lawsuit that includes the program that will improve or maintain racial balance in the school corporation.
- (3) The proposed property tax levy.
- (4) Any other item required by the school property tax control board.

(d) The school property tax control board may recommend to the ~~state board of tax commissioners~~ **department of local government finance** that a school corporation be allowed to establish a racial balance fund to be funded by an ad valorem property tax levy. The amount of the levy shall be determined each year and the levy may not exceed the lesser of the following:

- (1) The revenue derived from a tax rate of eight and thirty-three hundredths cents (\$0.0833) for each one hundred dollars (\$100) of assessed valuation within the school corporation.
- (2) The revenue derived from a tax rate equal to the difference between the maximum rate allowed for the school corporation's capital projects fund under IC 21-2-15 minus the actual capital projects fund rate that will be in effect for the school corporation for a particular year.

(e) The ~~state board of tax commissioners~~ **department of local government finance** shall review the petition of the school corporation and the recommendation of the school property tax control board and:

C
o
p
y

- (1) disapprove the petition if the petition does not comply with this section;
- (2) approve the petition; or
- (3) approve the petition with modifications.

(f) A property tax levy under this section is in addition to, and not part of, the school corporation's general fund property tax levy for purposes of determining the school corporation's maximum permissible general fund property tax levy under this chapter.

(g) Money received from a property tax levy under this section shall be deposited in the school corporation's racial balance fund established under this section. Money in the fund may be used only for education programs that improve or maintain racial balance in the school corporation. ~~However,~~ Money in the fund may not be used for:

- (1) transportation; or
- (2) capital improvements;

even though those costs may be attributable to the school corporation's proposed programs for improving or maintaining racial balance in the school corporation.

SECTION 191. IC 6-1.1-19-10.5, AS ADDED BY P.L.291-2001, SECTION 241, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10.5. Notwithstanding the order of the ~~state board of tax commissioners~~ **department of local government finance** in the matter of the excessive levy appeal for emergency financial relief for Jay County School Corporation, the ~~state board of tax commissioners~~ **department** shall grant approval of an excessive levy to a school corporation that has requested **the excessive levy** as a result of an intercept action. Such relief shall be granted as an advance of state funds to be paid back to the ~~state~~ **treasurer of state** in one hundred twenty (120) payments of thirteen thousand eight hundred eighty-two dollars (\$13,882) beginning on January 15, 2001, and ending with final payment on December 31, 2010.

SECTION 192. IC 6-1.1-20-3.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.2. If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service or lease rentals without completing the following procedures:

- (1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:
 - (A) publication in accordance with IC 5-3-1; and
 - (B) first class mail to the organizations described in section

C
o
p

3.1(1)(B) of this chapter.

A notice under this subdivision must include a statement that any owners of real property within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property within the political subdivision. Each signature on a petition must be dated and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county auditor under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county auditor, deliver to the county auditor or the county auditor's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county auditor shall issue to an owner or owners of real property within the political subdivision the number of petition or remonstrance forms requested by the owner or owners. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition and remonstrance period.

Persons requesting forms may not be required to identify themselves and may be allowed to pick up additional copies to distribute to other property owners. The county auditor may not issue a petition or remonstrance form earlier than twenty-nine

C
o
p

(29) days after the notice is given under subdivision (1). The county auditor shall certify the date of issuance on each petition or remonstrance form that is distributed under this subdivision.

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county auditor within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county auditor must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within fifteen (15) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county auditor may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property within the political subdivision.

(6) If a greater number of owners of real property within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county auditor's certificate under subdivision (5). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(7) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the ~~state board of tax commissioners~~ **department of local government finance** required by IC 6-1.1-18.5-8 or IC 6-1.1-19-8.

SECTION 193. IC 6-1.1-20-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) When the proper officers of a political subdivision decide to issue bonds in a total amount which exceeds five thousand dollars (\$5,000), they shall give notice of the decision by:

- (1) posting; and
- (2) publication once each week for two (2) weeks.

The notice required by this section shall be posted in three (3) public places in the political subdivision and published in accordance with IC 5-3-1-4. The decision to issue bonds may be a preliminary decision.

(b) Ten (10) or more taxpayers who will be affected by the proposed issuance of the bonds and who wish to object to the issuance on the grounds that it is unnecessary or excessive may file a petition in the office of the auditor of the county in which the political subdivision is located. The petition must be filed within fifteen (15) days after the notice required by subsection (a) ~~of this section~~ is given, and it must contain the objections of the taxpayers and facts which show that the proposed issue is unnecessary or excessive. When taxpayers file a petition in the manner prescribed in this subsection, the county auditor shall immediately forward a certified copy of the petition and any other relevant information to the ~~state board of tax commissioners~~ **department of local government finance**.

SECTION 194. IC 6-1.1-20-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) Upon receipt of a certified petition filed in the manner prescribed in section 5(b) of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** shall fix a time and place for a hearing on the matter. The ~~state board~~ **department of local government finance** shall hold the hearing not less than five (5) or more than thirty (30) days after the ~~board department~~ receives the petition, and the ~~state board department~~ shall hold the hearing in the political subdivision or in the county where the political subdivision is located. At least five (5) days before the date fixed for the hearing, the ~~state board of tax commissioners~~ **department of local government finance** shall give notice of the hearing, by mail, to the executive officer of the political subdivision and to the first ten (10) taxpayers who signed the petition. The mailings shall be addressed to the officer and the taxpayers at their usual place of residence.

(b) After the hearing required by this section, the ~~state board of tax commissioners~~ **department of local government finance** may approve, disapprove, or reduce the amount of the proposed issue. The ~~board department of local government finance~~ must render a

C
o
p

decision not later than three (3) months after the hearing, and if no decision is rendered within that time, the issue is considered approved unless the ~~board~~ **department** takes the extension provided for in this section. ~~However,~~ A three (3) month extension of the time period during which the decision must be rendered may be taken by the ~~board~~ **department of local government finance** if the ~~board~~ **department** by mail gives notice of the extension to the executive officer of the political subdivision and to the first ten (10) taxpayers who signed the petition, at least ten (10) days before the end of the original three (3) month period. If no decision is rendered within the extension period, the issue is considered approved. The action taken by the ~~state board of tax commissioners~~ **department of local government finance** on the proposed issue is final.

SECTION 195. IC 6-1.1-20-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. When the proper officers of a political subdivision decide to issue any bonds, notes, or warrants which will be payable from property taxes and which will bear interest in excess of eight percent (8%) per annum, the political subdivision shall submit the matter to the ~~state board of tax commissioners~~ **department of local government finance** for review. The ~~board~~ **department of local government finance** may either approve or disapprove the rate of interest.

SECTION 196. IC 6-1.1-20-9, AS AMENDED BY P.L.47, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) When the proper officers of a political subdivision decide to issue bonds payable from property taxes to finance a public improvement, they shall adopt an ordinance or resolution which sets forth their determination to issue the bonds. Except as provided in subsection (b), ~~of this section,~~ the political subdivision may not advertise for or receive bids for the construction of the improvement until the expiration of the latter of:

- (1) the time period within which taxpayers may file a petition for review of or a remonstrance against the proposed issue; or
- (2) the time period during which a petition for review of the proposed issue is pending before the ~~state board of tax commissioners~~ **department of local government finance**.

(b) When a petition for review of a proposed issue is pending before the ~~state board of tax commissioners~~ **department of local government finance**, the ~~board~~ **department** may order the political subdivision to advertise for and receive bids for the construction of the public improvement. When the ~~board~~ **department of local government finance** issues such an order, the political subdivision

C
o
p
y

shall file a bid report with the ~~state board of tax commissioners~~ **department** within five (5) days after the bids are received, and the ~~board department~~ shall render a final decision on the proposed issue within fifteen (15) days after it receives the bid report. Notwithstanding the provisions of this subsection, a political subdivision may not enter into a contract for the construction of a public improvement while a petition for review of the bond issue which is to finance the improvement is pending before the ~~state board of tax commissioners~~ **department of local government finance**.

SECTION 197. IC 6-1.1-20.7-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. A person desiring to claim the credit provided by section 9 of this chapter must file a certified application, on forms prescribed by the ~~state board of tax commissioners~~ **department of local government finance**, with:

SECTION 198. IC 6-1.1-20.9-3, AS AMENDED BY P.L.125-1999, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) An individual who desires to claim the credit provided by section 2 of this chapter must file a certified statement in duplicate, on forms prescribed by the ~~state board of tax commissioners~~ **department of local government finance**, with the auditor of the county in which the homestead is located. The statement shall include the parcel number or key number of the real estate and the name of the city, town, or township in which the real estate is located. The statement must be filed during the twelve (12) months before May 11 of the year prior to the first year for which the person wishes to obtain the credit for the homestead. The statement applies for that first year and any succeeding year for which the credit is allowed.

(b) The certified statement referred to in subsection (a) shall contain the name of any other county and township in which the individual owns or is buying real property.

(c) If an individual who is receiving the credit provided by this chapter changes the use of his real property, so that part or all of that real property no longer qualifies for the homestead credit provided by this chapter, the individual must file a certified statement with the auditor of the county, notifying the auditor of the change of use within sixty (60) days after the date of that change. (d) An individual who receives the credit provided by section 2 of this chapter for property that is jointly held with another owner in a particular year and remains eligible for the credit in the following year is not required to file a statement to reapply for the credit following the removal of the joint owner if:

- (1) the individual is the sole owner of the property following the death of the individual's spouse;
- (2) the individual is the sole owner of the property following the death of a joint owner who was not the individual's spouse; or
- (3) the individual is awarded sole ownership of property in a divorce decree.

SECTION 199. IC 6-1.1-20.9-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. Before April 1 of each year prior to the year in which the credit is allowed, the auditor of each county shall certify to the ~~state board of tax commissioners~~ **department of local government finance** the amount of the assessed valuation which qualifies for the homestead credit. Before February 1 of each year, the auditor of each county shall certify to the ~~state board of tax commissioners~~ **department of local government finance** the amount of homestead credits allowed in that county for that calendar year.

SECTION 200. IC 6-1.1-21-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) On or before March 1 of each year, the ~~state board of tax commissioners~~ **department of local government finance** shall certify to the department on a form approved by the state board of accounts, an estimate of the total county tax levy collectible in that calendar year for each county in the state. The estimate shall be based on the tax collections for the preceding calendar year, adjusted as necessary to reflect the total county tax levy (as defined in section 2(g) of this chapter) from the budgets, tax levies, and rates as finally determined and acted upon by the ~~state board of tax commissioners~~ **department of local government finance**. The department, with the assistance of the auditor of state, shall determine on the basis of the report an amount equal to twenty percent (20%) of the total county tax levy, which is the estimated property tax replacement.

(b) In the same report containing the estimate of a county's total county tax levy, the ~~state board of tax commissioners~~ **department of local government finance** shall also certify the amount of homestead credits provided under IC 6-1.1-20.9 which are allowed by the county

C
o

for the particular calendar year.

(c) If there are one (1) or more taxing districts in the county that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** shall estimate an additional distribution for the county in the same report required under subsection (a). This additional distribution equals the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Estimate that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of the estimated property tax replacement determined under subsection (a) that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; times
- (B) the property taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(d) The sum of the amounts determined under subsections (a) through (c) is the particular county's estimated distribution for the calendar year.

SECTION 201. IC 6-1.1-21-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) There is established a property tax replacement fund board to consist of the commissioner of the department, the ~~chairman commissioner~~ **department of local government finance**, the director of the budget agency, and two (2) ex officio nonvoting representatives of the general assembly of the state of Indiana. C
o

(a) The receipt by the qualified taxing unit of the loan proceeds is not considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7. The receipt by the qualified taxing unit of any payment of delinquent tax owed by a taxpayer in bankruptcy is considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7.

(3) the taxing unit appeals to the ~~state board of tax commissioners~~ **department of local government finance** for emergency financial relief under this chapter in the same manner as an appeal for emergency relief under IC 6-1.1-18.5-12 or IC 6-1.1-19-4.1.

The board shall make a loan from the counter-cyclical revenue and economic stabilization fund to the taxing unit in the amount specified in the order of the ~~state board of tax commissioners~~ **department of local government finance** under section 7 of this chapter not more than thirty (30) days after the ~~state board of tax commissioners~~ **department** notifies the board under section 7 of this chapter that the appeal for emergency relief has been granted. equal to the result determined in STEP THREE of the following formula:

STEP ONE: Determine under section 10 of this chapter the lost revenue in the calendar year for each fund described in section 6(b)(2) of this chapter.

STEP TWO: Determine the sum of the STEP ONE amounts for all funds described in section 6(b)(2) of this chapter.

STEP THREE: Multiply the STEP TWO result by a phase out factor based on the following table and the number of calendar years that have occurred after the calendar year in which an act of the United States Congress described in section 6(b)(1) of this chapter initially takes effect to reduce or eliminate the payment by a taxpayer of property taxes:

Elapsed Years	Phase Out Factor
0	1.00
1	.80
2	.60
3	.40
4	.20
5 and thereafter	0.00

Round the result to the nearest dollar (\$1).

(b) The board may rely on the order of the ~~state board of tax commissioners~~ **department of local government finance** under section 7 of this chapter to determine the:

- (1) eligibility of a taxing unit for a loan under this chapter; and
- (2) amount of a loan to grant to a taxing unit under this chapter.

SECTION 209. IC 6-1.1-21.7-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. The lost revenue for a fund is the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the property tax levy approved by the ~~state board of tax commissioners~~ **department of local government finance** for the base year, as adjusted by the following:

- (A) If the taxpayer made payments in lieu of taxes in the base year that were not included in the property tax levy for the base year, add the amount of the payments in lieu of taxes made by the taxpayer in the base year to the amount of the tax levy.
- (B) If part of the taxpayer's property that was used in the base year to compute the taxpayer's payments to the taxing unit is

not in the taxing unit or would not otherwise be the basis for taxpayer payments to the taxing unit in the current year, reduce the amount determined in this STEP to reflect the removal of the property.

(C) If the taxpayer's property used to compute the property taxes or payments in lieu of property taxes paid in the base year is depreciable property that would have had a lower assessed value in the current year, reduce the amount determined in this STEP to reflect the lower amount of property taxes or payments in lieu of property taxes that the taxpayer would have paid in the current year for the same property.

STEP TWO: Determine the current levy using the tax rate used for the base year as follows:

(A) Determine the assessed value of all taxable property on which property taxes will be collected:

- (i) in the current year; and
- (ii) for the smaller of the geographic area in which the taxing unit imposed property taxes for collection in the base year or the geographic area in which the taxing unit imposes property taxes in the current year.

If a general reassessment has become effective in a year after the base year, adjust the assessed value determined in this clause to neutralize the effects of reassessment.

(B) Multiply the assessed value determined for the current year under clause (A) by the tax rate for the fund in the base year.

(C) Divide the result under clause (B) by one hundred (100).

(D) Subtract the amount of any:

- (i) property tax payment; or
- (ii) payment in lieu of property taxes;

made by the taxpayer to the fund for the current year that is not included in the amount determined under clause (C).

STEP THREE: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP ONE amount minus the STEP TWO amount.

SECTION 210. IC 6-1.1-22-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) The auditor of each county shall, before March 15 of each year, prepare a roll of property taxes payable in that year for the county. This roll shall be known as the "tax duplicate" and shall show:

(g) The money allocated to each taxing district shall be apportioned and distributed among the taxing units of that taxing district in the same manner and at the same time that property taxes are apportioned and distributed.

(h) The ~~state board of tax commissioners~~ **department of local government finance** may, with the approval of the attorney general, compromise the amount of property taxes, together with any interest or penalties on those taxes, assessed against property owned by a person that has a case pending under state or federal bankruptcy law. SECTION 261. IC 6-1.1-37-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) If a person fails to file a required personal property return on or before the due date, the county auditor shall add a penalty of twenty-five dollars (\$25) to the person's next property tax installment. The county auditor shall also add an additional penalty to the taxes payable by the person if he fails to file the personal property return within thirty (30) days after the due date. The amount of the additional penalty is twenty percent (20%) of the taxes finally determined to be due with respect to the personal property which should have been reported on the return.

(b) For purposes of this section, a personal property return is not due until the expiration of any extension period granted by the township assessor under IC 6-1.1-3-7(b).

on the return, then the county auditor shall add a penalty of twenty percent (20%) of the additional taxes finally determined to be due as a result of the undervaluation. The penalty shall be added to the property tax installment next due for the return on which the property was undervalued. If a person has complied with all of the requirements for claiming a deduction, an exemption, or an adjustment for abnormal obsolescence, then the increase in assessed value that results from a denial of the deduction, exemption, or adjustment for abnormal obsolescence is not considered to result from an undervaluation for purposes of this subsection.

(f) A penalty is due with an installment under subsection (a), (d), or (e) whether or not an appeal is filed under IC 6-1.1-15-5 with respect to the tax due on that installment.

SECTION 262. IC 6-1.1-37-10, AS AMENDED BY P.L.154-1999, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. On the day immediately following the due dates in May and November of each year following the year of the initial delinquency, an additional penalty equal to ten percent (10%) of any taxes remaining unpaid shall be added. These penalties are imposed only on the principal amount of the delinquent taxes. However, if the ~~state board of tax commissioners~~ **department of local government finance** determines that an emergency has occurred which precludes the mailing of the tax statement in any county at the time set forth in IC 6-1.1-22-8, the ~~board~~ **department** shall establish by order a new date on which the installment of taxes in that county is due and no installment is delinquent if paid by the date so established.

(b) If any due date falls on a Saturday, a Sunday, a national legal holiday recognized by the federal government, or a statewide holiday, the act that must be performed by that date is timely if performed by the next succeeding day that is not a Saturday, a Sunday, or one (1) of those holidays.

(c) A payment to the county treasurer is considered to have been paid by the due date if the payment is:

(a) A declaratory ordinance adopted under section 2 of this chapter and confirmed under section 3 of this chapter must include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. The allocation provision must apply to the entire economic development district. The allocation provisions must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the economic development district be allocated and distributed as follows:

- (1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:
 - (A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units. However, if the effective date of the allocation provision of a declaratory ordinance is after March 1, 1985, and before January 1, 1986, and if an improvement to property was partially completed on March 1, 1985, the unit may provide in the declaratory ordinance that the taxes attributable to the assessed value of the property as finally determined for March 1, 1984, shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, part or all of the property tax proceeds in excess of those described in subdivision (1), as specified in the declaratory ordinance, shall be allocated to the unit for the economic development district and, when collected, paid into a special fund established by the unit for that economic development district that may be used only to pay the principal of and interest on obligations owed by the unit under IC 4-4-8 for the financing of industrial development programs in, or serving, that economic development district. The amount not paid into the special fund shall be paid to the respective units in the manner prescribed by subdivision (1).

(3) When the money in the fund is sufficient to pay all outstanding principal of and interest (to the earliest date on which the obligations can be redeemed) on obligations owed by the unit under IC 4-4-8 for the financing of industrial development programs in, or serving, that economic development district, money in the special fund in excess of that amount shall be paid to the respective taxing units in the manner prescribed by subdivision (1).

(b) Property tax proceeds allocable to the economic development district under subsection (a)(2) must, subject to subsection (a)(3), be irrevocably pledged by the unit for payment as set forth in subsection (a)(2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the economic development district that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory ordinance is the lesser of:

C
o
p
y

(d) Notwithstanding any other law, each assessor shall, upon petition of the fiscal body, reassess the taxable property situated upon or in, or added to, the economic development district effective on the next assessment date after the petition.

(e) Notwithstanding any other law, the assessed value of all taxable property in the economic development district, for purposes of tax limitation, property tax replacement (except as provided in IC 6-1.1-21-3(c), IC 6-1.1-21-4(a)(3), and IC 6-1.1-21-5(c)), and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(g) As used in this section, "property taxes" means:

- (1) taxes imposed under this article on real property; and
- (2) any part of the taxes imposed under this article on depreciable personal property that the unit has by ordinance allocated to the economic development district. However, the ordinance may not limit the allocation to taxes on depreciable personal property with any particular useful life or lives.

If a unit had, by ordinance adopted before May 8, 1987, allocated to an economic development district property taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the ordinance continues in effect until an ordinance is adopted by the unit under subdivision (2).

(h) As used in this section, "base assessed value" means:

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (f); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property

by section 24 of this chapter but who has failed to file a deduction application within the dates prescribed in subsection (a) or (b) may file a deduction application between March 1 and May 10 of a subsequent year which is applicable for the year filed and the subsequent years without any additional certified deduction application being filed for the amounts of the deduction which would be applicable to such years under this chapter if such a deduction application had been filed in accordance with subsection (a) or (b).

(f) On verification of the correctness of a certified deduction application by the assessor of the township in which the property is located, the county auditor shall, if the property is covered by a resolution adopted under section 24 of this chapter, make the appropriate deduction.

(g) The amount and period of the deduction provided for property by section 24 of this chapter are not affected by a change in the ownership of the property if the new owner of the property:

(1) is a person that:

(A) has never had an ownership interest in an entity that contributed; and

(B) has not contributed;

a contaminant (as defined in IC 13-11-2-42) that is the subject of the voluntary remediation, as determined under the written standards adopted by the department of environmental management;

SECTION 285. IC 6-1.1-42-28, AS AMENDED BY P.L.119-1999, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 28. (a) Subject to this section, the amount of the deduction which the property owner is entitled to receive under this chapter for a particular year equals the product of:

(1) the increase in the assessed value resulting from the remediation and redevelopment in the zone or the location of personal property in the zone, or both; multiplied by

(2) the percentage determined under subsection (b).

(b) The percentage to be used in calculating the deduction under subsection (a) is as follows:

6th	17%

(3) For deductions allowed over a ten (10) year period:

(2) If an appeal of an assessment is approved that results in a reduction of the assessed value of the redeveloped or rehabilitated property, the amount of any deduction shall be adjusted to reflect the percentage decrease that resulted from the appeal.

(3) The amount of the deduction may not exceed the limitations imposed by the designating body under section 23 of this chapter.

(4) The amount of the deduction must be proportionally reduced by the proportionate ownership of the property by a person that:

(A) has an ownership interest in an entity that contributed; or

(B) has contributed;
 a contaminant (as defined in IC 13-11-2-42) that is the subject of the voluntary remediation, as determined under the written standards adopted by the department of environmental management.

SECTION 286. IC 6-1.1-42-30, AS AMENDED BY P.L.119-1999, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 30. (a) Within forty-five (45) days after receipt of the information described in section 29 of this chapter, the designating body may determine whether the property owner has substantially complied with the statement of benefits filed under sections 6 and 18 of this chapter.

(b) If the designating body determines that the property owner has not substantially complied with the statement of benefits and that the failure to substantially comply was not caused by factors beyond the control of the property owner (such as declines in demand for the property owner's products or services), the designating body shall mail a written notice to the property owner. The written notice must include the following provisions:

- (1) An explanation of the reasons for the designating body's determination.
- (2) The date, time, and place of a hearing to be conducted by the designating body for the purpose of further considering the property owner's compliance with the statement of benefits. The date of the hearing may not be more than thirty (30) days after the date on which the notice is mailed.

If a notice mailed to a property owner concerns a statement of benefits approved for personal property under section 24 of this chapter, the designating body shall also mail a copy of the notice to the ~~state board of tax commissioners~~ **department of local government finance**.

(c) On the date specified in the notice described in subsection (b)(2), the designating body shall conduct a hearing for the purpose of further considering the property owner's compliance with the statement of benefits. Based on the information presented at the hearing by the property owner and other interested parties, the designating body shall again determine whether the property owner has made reasonable efforts to substantially comply with the statement of benefits and whether any failure to substantially comply was caused by factors beyond the control of the property owner. If the designating body

C

determines that the property owner has not made reasonable efforts to comply with the statement of benefits, the designating body shall adopt a resolution terminating the property owner's deduction under section 24 of this chapter. If the designating body adopts such a resolution, the deduction does not apply to the next installment of property taxes owed by the property owner or to any subsequent installment of property taxes.

(d) If the designating body adopts a resolution terminating a deduction under subsection (c), the designating body shall immediately mail a certified copy of the resolution to:

- (1) the property owner;

- (3) the ~~state board of tax commissioners~~ **department of local government finance** if the deduction was granted for personal property under section 24 of this chapter.

The county auditor shall remove the deduction from the tax duplicate and shall notify the county treasurer of the termination of the deduction. If the designating body's resolution is adopted after the county treasurer has mailed the statement required by IC 6-1.1-22-8, the county treasurer shall immediately mail the property owner a revised statement that reflects the termination of the deduction.

(e) A property owner whose deduction is terminated by the designating body under this section may appeal the designating body's decision by filing a complaint in the office of the clerk of the circuit or superior court together with a bond conditioned to pay the costs of the appeal if the appeal is determined against the property owner. An appeal under this subsection shall be promptly heard by the court without a jury and determined within thirty (30) days after the time of the filing of the appeal. The court shall hear evidence on the appeal and may confirm the action of the designating body or sustain the appeal. The judgment of the court is final and conclusive unless an appeal is taken as in other civil actions.

(f) If an appeal under subsection (e) is pending, the taxes resulting from the termination of the deduction are not due until after the appeal is finally adjudicated and the termination of the deduction is finally determined.

SECTION 287. IC 6-1.1-42-32 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 32. (a) Each calendar year, the county auditor shall publish the following in a newspaper of general interest and readership and not one of limited subject matter:

under this chapter during that year. The list must contain the following:

- (A) The name and address of each person approved for or receiving a deduction that was filed for during the year.
 - (B) The amount of each deduction that was filed for during the year.
 - (C) The years for which each deduction that was filed for during the year will be available.
 - (D) The total amount for all deductions that were filed for and granted during the year.
 - (2) The total amount of all deductions for real property that were in effect under section 24 of this chapter during the year.
 - (3) The total amount of all deductions for personal property that were in effect under section 24 of this chapter during the year.
 - (b) The county auditor shall file the information described in subsection (a)(2) and (a)(3) with the ~~state board of tax commissioners~~ **department of local government finance** each calendar year.
- SECTION 288. IC 6-3-2-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) As used in this section, "export income" means the gross receipts from the sale, transfer, or exchange of tangible personal property destined for international markets that is:
- (1) manufactured at a plant located within a maritime opportunity district established under IC 6-1.1-40; and
 - (2) shipped through a port operated by the state.
- (b) As used in this section, "export sales ratio" means the quotient of:
- (1) the taxpayer's export income; divided by
 - (2) the taxpayer's gross receipts from the sale, transfer, or exchange of tangible personal property, regardless of its destination.
- (c) As used in this section, "taxpayer" means a person or corporation that has export income.
- (d) The Indiana port commission established by IC 8-10-1 shall notify the department when a maritime opportunity district is established under IC 6-1.1-40. The notice must include:
- (1) the resolution passed by the commission to establish the district; and
 - (2) a list of all taxpayers located in the district.
- (e) The port commission shall also notify the department of any subsequent changes in the list of taxpayers located in the district.
- (f) A taxpayer is entitled to a deduction from the taxpayer's adjusted

gross income in an amount equal to the lesser of:

- (1) the taxpayer's adjusted gross income; or
- (2) the product of the export sales ratio multiplied by the percentage set forth in subsection (g).

(g) The percentage to be used in determining the amount a taxpayer is entitled to deduct under this section depends upon the number of years that the taxpayer could have taken a deduction under this section.

The percentage to be used in subsection (f) is as follows:

YEAR OF DEDUCTION	PERCENTAGE
1st through 4th	100%
5th	80%
6th	60%
7th	40%
8th	20%
9th and thereafter	0%

(h) The department shall determine for each taxpayer claiming a deduction under this section, the taxpayer's export sales ratio for purposes of IC 6-1.1-40. The department shall certify the amount of the ratio to the ~~state board of tax commissioners~~. **department of local government finance.**

SECTION 289. IC 6-3.5-1.1-2.5, AS AMENDED BY P.L.89-2001, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.5. (a) This section applies only to a county having a population of more than ~~thirty-seven thousand (37,000)~~ but ~~less than thirty-seven thousand eight hundred (37,800)~~. **forty-one thousand (41,000) but less than forty-three thousand (43,000).**

(b) The county council of a county described in subsection (a) may, by ordinance, determine that additional county adjusted gross income tax revenue is needed in the county to fund the operation and maintenance of a jail and juvenile detention center opened after July 1, 1998.

(c) Notwithstanding section 2 of this chapter, if the county council adopts an ordinance under subsection (b), the county council may impose the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) on adjusted gross income. However, a county may impose the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) for only eight (8) years. After the county has imposed the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) for eight (8) years, the rate is reduced to one percent (1%). If the county council imposes the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%), the county council may decrease the rate or rescind the tax in the manner provided

under this chapter.

(d) If a county imposes the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) under this section, the revenue derived from a tax rate of one-tenth percent (0.1%) on adjusted gross income:

- (1) shall be paid to the county treasurer;
- (2) may be used only to pay the costs of operating a jail and juvenile detention center opened after July 1, 1998; and
- (3) may not be considered by the ~~state board of tax commissioners~~ **department of local government finance** in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.

SECTION 290. IC 6-3.5-1.1-2.7, AS ADDED BY P.L.135-2001, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.7. (a) This section applies to a county having a population of more than ~~sixty-eight thousand (68,000) but less than seventy-three thousand (73,000):~~ **seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400).**

(b) The county council may, by ordinance, determine that additional county adjusted gross income tax revenue is needed in the county to:

- (1) finance, construct, acquire, improve, renovate, or equip the county jail and related buildings and parking facilities, including costs related to the demolition of existing buildings and the acquisition of land; and
- (2) repay bonds issued, or leases entered into, for constructing, acquiring, improving, renovating, and equipping the county jail and related buildings and parking facilities, including costs related to the demolition of existing buildings and the acquisition of land.

(c) In addition to the rates permitted by section 2 of this chapter, the county council may impose the county adjusted gross income tax at a rate of:

- (1) fifteen-hundredths percent (0.15%);
- (2) two-tenths percent (0.2%); or
- (3) twenty-five hundredths percent (0.25%);

on the adjusted gross income of county taxpayers if the county council makes the finding and determination set forth in subsection (b). The tax imposed under this section may be imposed only until the later of the date on which the financing on, acquisition, improvement, renovation, and equipping described in subsection (b) is completed or the date on which the last of any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping

C
o
p
y

described in subsection (b) are fully paid. The term of the bonds issued (including any refunding bonds) or a lease entered into under subsection (b)(2) may not exceed twenty (20) years.

(d) If the county council makes a determination under subsection (b), the county council may adopt a tax rate under subsection ~~(b)~~: **(c)**. The tax rate may not be imposed at a rate greater than is necessary to pay the costs of financing, acquiring, improving, renovating, and equipping the county jail and related buildings and parking facilities, including costs related to the demolition of existing buildings and the acquisition of land.

(e) The county treasurer shall establish a county jail revenue fund to be used only for purposes described in this section. County adjusted gross income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 11 of this chapter.

(f) County adjusted gross income tax revenues derived from the tax rate imposed under this section:

- (1) may only be used for the purposes described in this section;
- (2) may not be considered by the ~~state board of tax commissioners~~ **department of local government finance** in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
- (3) may be pledged to the repayment of bonds issued, or leases entered into, for purposes described in subsection (b).

(g) A county described in subsection (a) possesses unique economic development challenges due to underemployment in relation to similarly situated counties. Maintaining low property tax rates is essential to economic development and the use of county adjusted gross income tax revenues as provided in this chapter to pay any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described under subsection (b), rather than use of property taxes, promotes that purpose.

(h) Notwithstanding any other law, funds accumulated from the county adjusted gross income tax imposed under this section after:

- (1) the redemption of bonds issued; or
- (2) the final payment of lease rentals due under a lease entered into under this section;

shall be transferred to the county highway fund to be used for construction, resurfacing, restoration, and rehabilitation of county highways, roads, and bridges.

UPON PASSAGE]: Sec. 3.5. (a) This section applies only to a county having a population of more than ~~twelve thousand six hundred (12,600)~~ **but less than thirteen thousand (13,000): thirteen thousand five hundred (13,500) but less than fourteen thousand (14,000).**

(b) The county council of a county described in subsection (a) may, by ordinance, determine that additional county adjusted gross income tax revenue is needed in the county to fund the operation and maintenance of a jail and justice center.

(c) Notwithstanding section 2 of this chapter, if the county council adopts an ordinance under subsection (b), the county council may impose the county adjusted gross income tax at a rate of one and three-tenths percent (1.3%) on adjusted gross income. However, a county may impose the county adjusted gross income tax at a rate of one and three-tenths percent (1.3%) for only eight (8) years. After the county has imposed the county adjusted gross income tax at a rate of one and three-tenths percent (1.3%) for eight (8) years, the rate is reduced to one percent (1%). If the county council imposes the county adjusted gross income tax at a rate of one and three-tenths percent (1.3%), the county council may decrease the rate or rescind the tax in the manner provided under this chapter.

(d) If a county imposes the county adjusted gross income tax at a rate of one and three-tenths percent (1.3%) under this section, the revenue derived from a tax rate of three-tenths percent (0.3%) on adjusted gross income:

- (1) shall be paid to the county treasurer;
- (2) may be used only to pay the costs of operating and maintaining a jail and justice center; and
- (3) may not be considered by the ~~state board of tax commissioners~~ **department of local government finance** under any provision of IC 6-1.1-18.5, including the determination of the county's maximum permissible property tax levy.

(e) Notwithstanding section 3 of this chapter, the county fiscal body may adopt an ordinance under this section before June 1.

SECTION 292. IC 6-3.5-1.1-9.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9.5. (a) The county council of a county may adopt an ordinance to reduce the required six (6) month balance of that county's special account to a three (3) month balance for that county.

(b) To reduce the balance, a county council must adopt an ordinance. The ordinance must substantially state the following:

"The _____ County council elects to reduce the required county income tax special account balance from a six (6) month balance to a

C
o
p

three (3) month balance within ninety (90) days after the adoption of this ordinance."

(c) Not more than thirty (30) days after adopting an ordinance under subsection (b), the county council shall deliver a copy of the ordinance to the budget agency.

(d) Not later than:

(1) sixty (60) days after a county council adopts an ordinance under subsection (b); and

(2) December 31 of each year;

the budget agency shall make the calculation described in subsection (e). Not later than ninety (90) days after the ordinance is adopted, the budget agency shall make an initial distribution to the county auditor of the amount determined under subsection (e) STEP FOUR. Subsequent distributions needed to distribute any amount in the county income tax special account that exceeds a three (3) month balance, as determined under STEP FOUR of subsection (e), shall be made in January of the ensuing calendar year after the calculation is made.

(e) The budget agency shall make the following calculation:

STEP ONE: Determine the cumulative balance in a county's account established under section 8 of this chapter.

STEP TWO: Divide the amount estimated under section 9(b) of this chapter before any adjustments are made under section 9(c) or 9(d) of this chapter by twelve (12).

STEP THREE: Multiply the STEP TWO amount by three (3).

STEP FOUR: Subtract the amount determined in STEP THREE from the amount determined in STEP ONE.

(f) For the purposes of this subsection and subsection (g), "civil taxing unit" includes a city or town that existed on January 1 of the year in which the distribution is made. The county auditor shall distribute an amount received under subsection (d) to the civil taxing units in the same manner as the certified distribution is distributed and not later than thirty (30) days after the county auditor receives the amount. However, the county auditor shall distribute an amount to a civil taxing unit that does not have a property tax levy in the year of the distribution based on an estimate certified by the ~~state board of tax commissioners~~ **department of local government finance**. The ~~state board of tax commissioners~~ **department of local government finance** shall compute and certify an amount for a civil taxing unit that does not have a property tax levy equal to the amount to be distributed multiplied by a fraction in which:

(1) the numerator of the fraction equals an estimate of the budget of that civil taxing unit for:

C
o
p
y

(A) that calendar year, if the civil taxing unit has adopted a resolution indicating that the civil taxing unit will not adopt a property tax in the ensuing calendar year; or

(B) the ensuing calendar year, if clause (A) does not apply; and

(2) the denominator of the fraction equals the aggregate attributed levies (as defined in IC 6-3.5-1.1-15) of all civil taxing units of that county for that calendar year plus the sum of the budgets estimated under subdivision (1) for each civil taxing unit that does not have a property tax levy in the year of the distribution.

(g) The civil taxing units may use the amounts received under subsection (f) for any item for which the particular civil taxing unit's certified shares may be used. The amount distributed shall not be included in the computation under IC 6-1.1-18.5-3.

SECTION 293. IC 6-3.5-1.1-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) The part of a county's certified distribution for a calendar year that is to be used as property tax replacement credits shall be allocated by the county auditor among the civil taxing units and school corporations of the county.

(b) Except as provided in section 13 of this chapter, the amount of property tax replacement credits that each civil taxing unit and school corporation in a county is entitled to receive during a calendar year equals the product of:

(1) that part of the county's certified distribution that is dedicated to providing property tax replacement credits for that same calendar year; multiplied by

(2) a fraction:

(A) The numerator of the fraction equals the sum of the total property taxes being collected by the civil taxing unit or school corporation during that calendar year, plus with respect to a civil taxing unit, the amount of federal revenue sharing funds and certified shares received by it during that calendar year to the extent that they are used to reduce its property tax levy below the limit imposed by IC 6-1.1-18.5 for that same calendar year.

(B) The denominator of the fraction equals the sum of the total property taxes being collected by all civil taxing units and school corporations, plus the amount of federal revenue sharing funds and certified shares received by all civil taxing units in the county to the extent that they are used to reduce the civil taxing units' property tax levies below the limits

C
o
p
y

imposed by IC 6-1.1-18.5 for that same calendar year.

(c) The ~~state board of tax commissioners~~ **department of local government finance** shall provide each county auditor with the amount of property tax replacement credits that each civil taxing unit and school corporation in the auditor's county is entitled to receive. The county auditor shall then certify to each civil taxing unit and school corporation the amount of property tax replacement credits it is entitled to receive (after adjustment made under section 13 of this chapter) during that calendar year. The county auditor shall also certify these distributions to the county treasurer.

SECTION 294. IC 6-3.5-1.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) If a civil taxing unit or school corporation of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which property tax replacement credits are being distributed, that civil taxing unit or school corporation is entitled to receive a proportion of the property tax replacement credits to be distributed within the county. The amount such a civil taxing unit or school corporation is entitled to receive during that calendar year equals the product of:

- (1) the part of the county's certified distribution that is to be used to provide property tax replacement credits during that calendar year; multiplied by
- (2) a fraction:
 - (A) The numerator of the fraction equals the budget of that civil taxing unit or school corporation for that calendar year.
 - (B) The denominator of the fraction equals the aggregate budgets of all civil taxing units and school corporations of that county for that calendar year.

(b) If for a calendar year a civil taxing unit or school corporation is allocated a proportion of a county's property tax replacement credits by this section then the formula used in section 12 of this chapter to determine all other civil taxing units' and school corporations' property tax replacement credits shall be changed for that same year by reducing the amount dedicated to providing property tax replacement credits by the amount of property tax replacement credits allocated under this section for that same calendar year. The ~~state board of tax commissioners~~ **department of local government finance** shall make any adjustments required by this section and provide them to the appropriate county auditors.

SECTION 295. IC 6-3.5-1.1-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) In

determining the amount of property tax replacement credits civil taxing units and school corporations of a county are entitled to receive during a calendar year, the ~~state board of tax commissioners~~ **department of local government finance** shall consider only property taxes imposed on tangible property that was assessed in that county.

(b) If a civil taxing unit or a school corporation is located in more than one (1) county and receives property tax replacement credits from one (1) or more of the counties, then the property tax replacement credits received from each county shall be used only to reduce the property tax rates that are imposed within the county that distributed the property tax replacement credits.

(c) A civil taxing unit shall treat any property tax replacement credits that it receives or is to receive during a particular calendar year as a part of its property tax levy for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(d) A school corporation shall treat any property tax replacement credits that the school corporation receives or is to receive during a particular calendar year as a part of its property tax levy for its general fund, debt service fund, capital projects fund, transportation fund, and special education preschool fund in proportion to the levy for each of these funds for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-19. A school corporation shall allocate the property tax replacement credits described in this subsection to all five (5) funds in proportion to the levy for each fund.

SECTION 296. IC 6-3.5-6-18, AS AMENDED BY P.L.283-2001, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

- (1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
- (2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
- (3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
- (4) make payments permitted under IC 36-7-15.1-17.5;
- (5) make payments permitted under subsection (i); and
- (6) make distributions of distributive shares to the civil taxing units of a county.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year. The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the total property taxes that are first due and payable to the civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund, and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county. The denominator of the fraction equals the sum of the total property taxes that are first due and payable to all civil taxing units of the county during the calendar year in which the month falls, plus an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund, and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the

current uninsured parents program property tax levy imposed by the county.

(f) The ~~state board of tax commissioners~~ **department of local government finance** shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The ~~state board of tax commissioners~~ **department of local government finance** shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 297. IC 6-3.5-6-19, AS AMENDED BY P.L.273-1999, SECTION 73, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 19. (a) Except as provided in sections 17.6(d), 18(e), and 18.5(b)(3) of this chapter, in determining the fractional share of distributive shares the civil taxing units of a county are entitled to receive under section 18 of this chapter during a calendar year, the ~~state~~

C

~~board of tax commissioners~~ **department of local government finance** shall consider only property taxes imposed on tangible property subject to assessment in that county.

(b) In determining the amount of distributive shares a civil taxing unit is entitled to receive under section 18(g) of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** shall consider only the percentage of the civil taxing unit's budget that equals the ratio that the total assessed valuation that lies within the civil taxing unit and the county that has adopted the county option tax bears to the total assessed valuation that lies within the civil taxing unit.

(c) The distributive shares to be allocated and distributed under this chapter shall be treated by each civil taxing unit as additional revenue for the purpose of fixing its budget for the budget year during which the distributive shares is to be distributed to the civil taxing unit.

(d) In the case of a civil taxing unit that includes a consolidated city its fiscal body may distribute any revenue it receives under this chapter to any governmental entity located in its county except an excluded city, a township, or a school corporation.

SECTION 298. IC 6-3.5-7-12, AS AMENDED BY P.L.283-2001, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) Except as provided in section 23 of this chapter, the county auditor shall distribute in the manner specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and section 15 of this chapter, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

(1) The amount of the certified distribution for that month; multiplied by

(2) A fraction. The numerator of the fraction equals the sum of the following:

(A) Total property taxes that are first due and payable to the county, city, or town during the calendar year in which the month falls; plus

(B) For a county, an amount equal to:

(i) the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; plus

(ii) after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the

current uninsured parents program property tax levy imposed by the county.

The denominator of the fraction equals the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund, and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) The amount of the certified distribution that the county and each city and town in the county is entitled to receive during May and November of each year equals the product of:
 - (A) the amount of the certified distribution for the month; multiplied by
 - (B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. For a county, the numerator of the fraction equals the population of the part of the county that is not located in a city or town. The denominator of the fraction equals the sum of the population of all cities and towns located in the county and the population of the part of the county that is not located in a city or town.
- (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) The body imposing the tax may not adopt an ordinance under subsection (c) if, before the adoption of the proposed ordinance, any of the following have pledged the county economic development income tax for any purpose permitted by IC 5-1-14 or any other statute:

- (1) The county.
- (2) A city or town in the county.
- (3) A commission, a board, a department, or an authority that is

C
o
p
y

authorized by statute to pledge the county economic development income tax.

(e) The ~~state board of tax commissioners~~ **department of local government finance** shall provide each county auditor with the fractional amount of the certified distribution that the county and each city or town in the county is entitled to receive under this section.

(f) Money received by a county, city, or town under this section shall be deposited in the unit's economic development income tax fund.

(g) Except as provided in subsection (b)(2)(B), in determining the fractional amount of the certified distribution the county and its cities and towns are entitled to receive under subsection (b) during a calendar year, the ~~state board of tax commissioners~~ **department of local government finance** shall consider only property taxes imposed on tangible property subject to assessment in that county.

(h) In a county having a consolidated city, only the consolidated city is entitled to the certified distribution, subject to the requirements of section 15 of this chapter.

SECTION 299. IC 6-3.5-7-22.5, AS ADDED BY P.L.291-2001, SECTION 198, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 22.5. (a) This section applies to a county having a population of more than ~~twenty-seven thousand (27,000)~~ but less than ~~twenty-seven thousand three hundred (27,300)~~. **twenty-seven thousand four hundred (27,400) but less than twenty-seven thousand five hundred (27,500).**

(b) In addition to the rates permitted by section 5 of this chapter, the county council may impose the county economic development income tax at a rate of twenty-five hundredths percent (0.25%) on the adjusted gross income of county taxpayers if the county council makes the finding and determination set forth in subsection (c).

(c) In order to impose the county economic development income tax as provided in this section, the county council must adopt an ordinance finding and determining that revenues from the county economic development income tax are needed to pay the costs of financing, constructing, acquiring, renovating, and equipping the county courthouse and renovating the former county hospital for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions, including the repayment of bonds issued, or leases entered into, for constructing, acquiring, renovating, and equipping the county courthouse and renovating the former county hospital for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions.

(d) If the county council makes a determination under subsection

(c), the county council may adopt a tax rate under subsection (b). The tax rate may not be imposed at a rate or for a time greater than is necessary to pay the costs of financing, constructing, acquiring, renovating, and equipping the county courthouse and renovating the former county hospital for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions.

(e) The county treasurer shall establish a county courthouse revenue fund to be used only for the purposes described in this section. County economic development income tax revenues derived from the tax rate imposed under this section shall be deposited in the county courthouse revenue fund before making a certified distribution under section 11 of this chapter.

(f) County economic development income tax revenues derived from the tax rate imposed under this section:

- (1) may only be used for the purposes described in this section;
- (2) may not be considered by the ~~state board of tax commissioners~~ **department of local government finance** in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
- (3) may be pledged to the repayment of bonds issued, or leases entered into, for the purposes described in subsection (c).

(g) A county described in subsection (a) possesses:

- (1) unique fiscal challenges to finance the operations of county government due to the county's ongoing obligation to repay amounts received by the county due to an overpayment of the county's certified distribution under IC 6-3.5-1.1-9 for a prior year; and
- (2) unique capital financing needs due to the imminent transfer from the governing board of the county hospital of facilities no longer needed for hospital purposes and the need to undertake immediate improvements in order to make those facilities suitable for use by the county for additional office space, educational facilities, nonsecure juvenile facilities, and other county functions.

SECTION 300. IC 6-3.5-7-23, AS ADDED BY P.L.124-1999, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 23. (a) This section applies only to a county having a population of at least ~~forty-five thousand (45,000)~~ **fifty-five thousand (55,000)** ~~but not more than forty-seven thousand (47,000)~~ **but less than sixty-five thousand (65,000)**.

(b) The county council may by ordinance determine that, in order to promote the development of libraries in the county and thereby

C
o
p
y

encourage economic development, it is necessary to use economic development income tax revenue to replace library property taxes in the county. However, a county council may adopt an ordinance under this subsection only if all territory in the county is included in a library district.

(c) If the county council makes a determination under subsection (b), the county council may designate the county economic development income tax revenue generated by the tax rate adopted under section 5 of this chapter, or revenue generated by a portion of the tax rate, as revenue that will be used to replace public library property taxes imposed by public libraries in the county. The county council may not designate for library property tax replacement purposes any county economic development income tax revenue that is generated by a tax rate of more than fifteen-hundredths percent (0.15%).

(d) The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. County economic development income tax revenues derived from the portion of the tax rate designated for property tax replacement credits under subsection (c) shall be deposited in the library property tax replacement fund before certified distributions are made under section 12 of this chapter.

(e) The amount of county economic development income tax revenue dedicated to providing library property tax replacement credits shall, in the manner prescribed in this section, be allocated to public libraries operating in the county and shall be used by those public libraries as property tax replacement credits. The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section equals the lesser of:

(1) the product of:

(A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by

(B) a fraction described as follows:

(i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the public library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.

(ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax

C
o
p
y

- replacement under this section had not been in effect; or
- (2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The ~~state board of tax commissioners~~ **department of local government finance** shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into reciprocal borrowing agreements with all other public libraries in the county. If the total amount of county economic development income tax revenue deposited by the county auditor in the library property tax replacement fund for a calendar year exceeds the total property tax liability that would otherwise be imposed for public libraries in the county for the year, the excess shall remain in the library property tax replacement fund and shall be used for library property tax replacement purposes in the following calendar year.

(f) Notwithstanding subsection (e), if a public library did not impose a property tax levy during the previous calendar year, that public library is entitled to receive a part of the property tax replacement credits to be distributed for the calendar year. The amount of property tax replacement credits the public library is entitled to receive during the calendar year equals the product of:

- (1) the amount of revenue deposited in the library property tax replacement fund; multiplied by
- (2) a fraction. The numerator of the fraction equals the budget of the public library for that calendar year. The denominator of the fraction equals the aggregate budgets of public libraries in the county for that calendar year.

If for a calendar year a public library is allocated a part of the property tax replacement credits under this subsection, then the amount of property tax credits distributed to other public libraries in the county for the calendar year shall be reduced by the amount to be distributed as property tax replacement credits under this subsection. The ~~state board of tax commissioners~~ **department of local government finance** shall make any adjustments required by this subsection and provide the adjustments to the county auditor.

(g) The ~~state board of tax commissioners~~ **department of local government finance** shall inform the county auditor of the amount of property tax replacement credits that each public library in the county is entitled to receive under this section. The county auditor shall certify to each public library the amount of property tax replacement credits

C
o
p
y

that the public library is entitled to receive during that calendar year. The county auditor shall also certify these amounts to the county treasurer.

(h) A public library receiving property tax replacement credits under this section shall allocate the credits among each fund for which a distinct property tax levy is imposed. The amount that must be allocated to each fund equals:

- (1) the amount of property tax replacement credits provided to the public library under this section; multiplied by
- (2) the amount determined in STEP THREE of the following formula:

STEP ONE: Determine the property taxes that would have been collected for each fund by the public library during the previous calendar year if the property tax replacement under this section had not been in effect.

STEP TWO: Determine the sum of the total property taxes that would have been collected for all funds by the public library during the previous calendar year if the property tax replacement under this section had not been in effect.

STEP THREE: Divide the STEP ONE amount by the STEP TWO amount.

However, if a public library did not impose a property tax levy during the previous calendar year or did not impose a property tax levy for a particular fund during the previous calendar year, but the public library is imposing a property tax levy in the current calendar year or is imposing a property tax levy for the particular fund in the current calendar year, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the amount of property tax replacement credits allocated among the various funds of the public library and shall provide the adjustment to the county auditor. If a public library receiving property tax replacement credits under this section does not impose a property tax levy for a particular fund that is first due and payable in a calendar year in which the property tax replacement credits are being distributed, the public library is not required to allocate to that fund a part of the property tax replacement credits to be distributed to the public library.

(i) For each public library that receives property tax credits under this section, the ~~state board of tax commissioners~~ **department of local government finance** shall certify to the county auditor the property tax rate applicable to each fund after the property tax replacement credits are allocated.

(j) A public library shall treat property tax replacement credits

C
o
p
y

received during a particular calendar year under this section as a part of the public library's property tax levy for each fund for that same calendar year for purposes of fixing the public library's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(k) The property tax replacement credits that are received under this section do not reduce the total county tax levy that is used to compute the state property tax replacement credit under IC 6-1.1-21. For the purpose of computing and distributing certified distributions under IC 6-3.5-1.1 and tax revenue under IC 6-5-10, IC 6-5-11, IC 6-5-12, IC 6-5.5, or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar year.

SECTION 301. IC 6-3.5-8-12, AS ADDED BY P.L.151-2001, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) If the fiscal body of a municipality in a qualifying county adopts an ordinance under section 11(a) of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** may not certify a budget for the municipality under IC 6-1.1-17-16(f) for the 2002 calendar year that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the ~~state board~~ **department** for the 2001 calendar year. The ~~state board of tax commissioners~~ **department of local government finance** may not certify a budget for the municipality under IC 6-1.1-17-16(f) for any later calendar year that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the ~~state board~~ **department** for the calendar year that immediately precedes the later calendar year.

(b) If the fiscal body of a municipality in a qualifying county adopts an ordinance in a calendar year under section 11(c) of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** may not certify a budget for the municipality under IC 6-1.1-17-16(f) for the calendar year that immediately succeeds the calendar year in which the ordinance is adopted that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the ~~state board~~ **department** for the calendar year in which the ordinance was adopted. The ~~state board of tax commissioners~~ **department of local government finance** may not certify a budget for the municipality under IC 6-1.1-17-16(f) for any later calendar year that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the ~~state board~~ **department** for the calendar year that immediately precedes the later calendar year.

C
o
p
y

(c) Before July 1 of 2002 and of each year thereafter, the ~~state board of tax commissioners~~ **department of local government finance** shall review the budget approved for each municipality in a qualifying county in which a municipal option income tax is in effect to determine whether the restriction under subsection (a) or (b) has been applied. If the restriction has not been applied:

- (1) the municipal option income tax is rescinded as of July 1 of the year in which the review was made;
- (2) the municipality may not impose the municipal option income tax for any later year; and
- (3) the municipality is:
 - (A) subject to subsection (d), if the municipality adopted the municipal option income tax in 2002; or
 - (B) subject to subsection (e), if the municipality adopted the municipal option income tax in a year that succeeds 2002.

(d) In May 2003, the department of state revenue shall determine for each municipality subject to this subsection the amount of tax revenue collected for the municipality after August 31, 2001, and before July 1, 2002. The department of state revenue shall immediately notify the municipality of the amount determined under this subsection. Not later than thirty (30) days after receiving notification from the department of state revenue, the municipality shall transfer the amount determined by the department under this subsection from the municipality's general fund to the county family and children's fund of the qualifying county in which the municipality is located.

(e) In May 2004, and in May of each year thereafter, the department of state revenue shall determine for each municipality subject to this subsection the amount of tax revenue collected for the municipality after June 30 of the calendar year that precedes by two (2) years the calendar year in which the determination is made and before July 1 of the year that immediately precedes the calendar year in which the determination is made. The department of state revenue shall immediately notify the municipality of the amount determined under this subsection. Not later than thirty (30) days after receiving notification from the department of state revenue, the municipality shall transfer the amount determined by the department under this ~~subsection~~ **section** from the municipality's general fund to the county family and children's fund of the qualifying county in which the municipality is located.

(f) If a municipality makes a transfer from its general fund to the county's family and children's fund as described in subsection (d) or (e), the ~~state board of tax commissioners~~ **department of local**

C
o
p

government finance shall reduce by the amount transferred the county's maximum family and children's fund levy under IC 6-1.1-18.6 for the calendar year that immediately succeeds the year in which the transfer is made.

(g) This subsection applies if the fiscal body of a municipality in a qualifying county adopts an ordinance under section 11 of this chapter to impose a municipal option income tax. The maximum permissible ad valorem property tax levy of the municipality is not subject to any increase under IC 6-1.1-18.5-3(a) or IC 6-1.1-18.5-3(b) for taxes payable in:

- (1) the calendar year that immediately succeeds the calendar year in which the ordinance is adopted; and
- (2) each succeeding calendar year in which the municipal option income tax remains in effect.

(h) This subsection applies if the fiscal body of a municipality in a qualifying county adopts an ordinance under section 14 of this chapter to rescind the municipal option income tax, or if the municipal option income tax in a municipality is rescinded by operation of law. For purposes of IC 6-1.1-18.5-3(a) STEP ONE or IC 6-1.1-18.5-3(b) STEP ONE, the preceding calendar year is considered to be the calendar year in which an ordinance was adopted under section 11 of this chapter to impose the municipal option income tax.

SECTION 302. IC 6-3.5-8-20, AS ADDED BY P.L.151-2001, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 20. (a) The ~~state board of tax commissioners~~ **department of local government finance** shall each year reduce the general fund property tax levy of a municipality receiving a distribution under this chapter in that year. The municipality's general fund property tax levy shall be reduced by the amount of the distribution received or to be received by the municipality during the year. The ~~state board of tax commissioners~~ **department of local government finance** shall certify to the auditor of the qualifying county the property tax rate applicable to the municipality's general fund after the property tax reduction under this section.

(b) A municipality shall treat a distribution that the municipality receives or is to receive during a particular calendar year as a part of the municipality's property tax levy for the general fund for that same calendar year for purposes of fixing the municipality's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5. However, the distributions shall not reduce the total county tax levy that is used to compute the state property tax replacement credit under IC 6-1.1-21. In addition, for purposes of computing and distributing

C
o
p
y

any excise taxes or income taxes in which the distribution is based on property taxes, the distributions shall be treated as though they were property taxes that were due and payable during that same calendar year.

(c) A municipality may use distributions received under this chapter for any purpose for which the municipality may use property tax revenues.

SECTION 303. IC 6-5.5-8-2, AS AMENDED BY P.L.273-1999, SECTION 58, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) On or before February 1, May 1, August 1, and December 1 of each year the auditor of state shall transfer to each county auditor for distribution to the taxing units (as defined in IC 6-1.1-1-21) in the county, an amount equal to one-fourth (1/4) of the sum of the guaranteed amounts for all the taxing units of the county. On or before August 1 of each year the auditor of state shall transfer to each county auditor the supplemental distribution for the county for the year. For purposes of determining distributions under subsection (b), ~~the state board of tax commissioners~~ **department of local government finance** shall determine a state welfare allocation for each county calculated as follows:

(1) For 2000 and each year thereafter, the state welfare allocation for each county equals the greater of zero (0) or the amount determined under the following formula:

STEP ONE: For 1997, 1998, and 1999, determine the result of:

(A) the amounts appropriated by the county in the year for the county's county welfare fund and county welfare administration fund; divided by

(B) the amounts appropriated by all the taxing units in the county in the year.

STEP TWO: Determine the sum of the results determined in STEP ONE.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount that would otherwise be distributed to all the taxing units in the county under subsection (b) without regard to this subdivision.

STEP FIVE: Determine the result of:

(A) the STEP FOUR amount; multiplied by

(B) the STEP THREE result.

(2) The state welfare allocation shall be deducted from the distributions otherwise payable under subsection (b) to the taxing unit that is a county and shall be deposited in a special account

within the state general fund.

(b) A taxing unit's guaranteed distribution for a year is the greater of zero (0) or an amount equal to:

(1) the amount received by the taxing unit under IC 6-5-10 and IC 6-5-11 in 1989; minus

(2) the amount to be received by the taxing unit in the year of the distribution, as determined by the ~~state board of tax commissioners~~, **department of local government finance**, from property taxes attributable to the personal property of banks, exclusive of the property taxes attributable to personal property leased by banks as the lessor where the possession of the personal property is transferred to the lessee; minus

(3) in the case of a taxing unit that is a county, the amount that would have been received by the taxing unit in the year of the distribution, as determined by the ~~state board of tax commissioners~~, **department of local government finance** from property taxes that:

(A) were calculated for the county's county welfare fund and county welfare administration fund for 2000 but were not imposed because of the repeal of IC 12-19-3 and IC 12-19-4; and

(B) would have been attributable to the personal property of banks, exclusive of the property taxes attributable to personal property leased by banks as the lessor where the possession of the personal property is transferred to the lessee.

(c) The amount of the supplemental distribution for a county for a year shall be determined using the following formula:

STEP ONE: Determine the greater of zero (0) or the difference between:

(A) one-half (1/2) of the taxes that the department estimates will be paid under this article during the year; minus

(B) the sum of all the guaranteed distributions, before the subtraction of all state welfare allocations under subsection (a), for all taxing units in all counties plus the bank personal property taxes to be received by all taxing units in all counties, as determined under subsection (b)(2) for the year.

STEP TWO: Determine the quotient of:

(A) the amount received under IC 6-5-10 and IC 6-5-11 in 1989 by all taxing units in the county; divided by

(B) the sum of the amounts received under IC 6-5-10 and IC 6-5-11 in 1989 by all taxing units in all counties.

STEP THREE: Determine the product of:

C
o
p
y

- (A) the amount determined in STEP ONE; multiplied by
- (B) the amount determined in STEP TWO.

STEP FOUR: Determine the greater of zero (0) or the difference between:

- (A) the amount of supplemental distribution determined in STEP THREE for the county; minus
- (B) the amount of refunds granted under IC 6-5-10-7 that have yet to be reimbursed to the state by the county treasurer under IC 6-5-10-13.

(d) Such mortgage indebtedness shall not constitute a general obligation of such city, or of such utility district, but the holders thereof shall be entitled to look solely to the mortgaged property and the revenues derived from the operation thereof for the repayment of such indebtedness.

(e) All such certificates of indebtedness and mortgage bonds shall be signed by the mayor of such city and attested by the city controller, and shall on their face show the purpose for which they are issued and the character of the obligation created thereby. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the authority or the eligible entity for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the authority only after a public hearing by the board at which all interested parties are provided the opportunity to be heard. After the public hearing, the board may adopt an ordinance authorizing the execution of the lease if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the authority and is in the best interest of the residents of the authority district.

(d) Upon execution of a lease providing for payments by the authority in whole or in part from the levy of property taxes under IC 8-22-3-17, the board shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. The decision of the ~~state board of tax commissioners~~ **department of local government finance** on the

(f) An authority entering into a lease payable from any sources permitted under this chapter may:

(1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; or

(2) establish a special fund to make the payments.

(h) Except as provided in this section, no approvals of any governmental body or agency are required before the authority enters into a lease under this section.

(i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the later of:

However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the ~~state board of tax commissioners~~, **department of local government finance**, an action to contest the validity or enjoin the performance must be brought within thirty (30) days after the decision of the ~~state board of tax commissioners~~. **department of local government finance**.

(j) If an authority exercises an option to buy an airport project from a lessor, the authority may subsequently sell the airport project, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the authority through auction, appraisal, or arms length negotiation. If the airport project is sold at auction, after appraisal, or through negotiation, the board shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days of the hearing.

SECTION 339. IC 12-13-8-4, AS AMENDED BY P.L.273-1999, SECTION 168, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. For taxes first due and payable in 1990, each county shall impose a medical assistance property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were incurred by the county as determined by the state board of accounts for all medical care, including psychiatric care and institutional psychiatric care, for wards of the county office (described in IC 12-15-2-16) that was provided in 1986, 1987, and 1988.

STEP TWO: Subtract from the amount determined in STEP ONE the sum of:

- (A) the amount of bank taxes (IC 6-5-10);
- (B) the amount of savings and loan association taxes (IC 6-5-11);
- (C) the amount of production credit association taxes (IC 6-5-12); plus
- (D) the amount of motor vehicle excise taxes (IC 6-6-5);

that were allocated to the county welfare fund and used to pay for the medical care for wards provided in 1986, 1987, and 1988.

STEP THREE: Divide the amount determined in STEP TWO by three (3).

STEP FOUR: Adjust the amount determined in STEP THREE by the amount determined by the ~~state board of tax commissioners~~ **department of local government finance** under section 6 of this chapter.

STEP FIVE: Multiply the amount determined in STEP FOUR by the greater of:

- (A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 1990; or
- (B) the statewide average assessed value growth quotient using the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for property taxes first due and payable in 1990.

STEP SIX: Multiply the amount determined in STEP FIVE by the statewide average assessed value growth quotient, using all the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for the year in which the tax levy under this

section will be first due and payable.

SECTION 340. IC 12-13-8-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. For taxes first due and payable in 1991 and 1992, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the levy for each county to reflect the actual expenses incurred for all medical care, including psychiatric care and institutional psychiatric care, for wards of the county office that was provided in the preceding two (2) years. In making this adjustment, the ~~state board of tax commissioners~~ **department of local government finance** may consider all relevant information. This includes the county's use of bond and loan proceeds to make payments for the medical care for wards.

SECTION 341. IC 12-13-8-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. The ~~state board of tax commissioners~~ **department of local government finance** shall review each county's property tax levy under this section and shall enforce the requirements of this chapter with respect to the levy.

SECTION 342. IC 12-16-14-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. The ~~state board of tax commissioners~~ **department of local government finance** shall review each county's property tax levy under this chapter and shall enforce the requirements of this chapter with respect to that levy.

The ~~state board of tax commissioners~~ **department of local government finance** shall review each county's property tax levy under IC 12-16-14-1(1) and shall enforce the requirements of this chapter with respect to that levy.

SECTION 344. IC 12-19-7-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) For taxes first due and payable in 1995, each county must impose a county family and children property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were paid by the county minus the amounts reimbursed by the state (including reimbursements made with federal money), as determined by the state board of accounts, in 1991, 1992, and 1993 for the following:

(A) Payments for administrative expenses of the county office of family and children in administering the provision of child services.

C
o
p
y

(B) Payments for the services described in section 1 of this chapter that were made on behalf of the children described in section 1 of this chapter and for which payment was made from the county welfare fund.

(C) Payment for the facilities, supplies, and equipment needed for the provision of child services as operated by the county office of family and children.

(D) Payment of all other expenses incurred in providing child services that were paid by the county office of family and children.

STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to:

STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 1993 expenses only.

STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the amount determined by the ~~state board of tax commissioners~~ **department of local government finance** under subsection (c).

STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the greater of:

(A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 1995; or

(B) the statewide average assessed value growth quotient using the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for property taxes first due and payable in 1995.

STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property taxes first due and payable in 1995, as determined under IC 6-1.1-18.5-2.

C
o
p
y

(b) For taxes first due and payable in each year after 1995, each county shall impose a county family and children property tax levy equal to the product of:

- (1) the county family and children property tax levy imposed for taxes first due and payable in the preceding year; multiplied by
- (2) the greater of:
 - (A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or
 - (B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section.

(c) For taxes first due and payable in 1995 and in 1996, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the levy for each county to reflect the county's actual child services expenses incurred in providing child services in 1991, 1992, and 1993. In making this adjustment, the ~~state board of tax commissioners~~ **department of local government finance** may consider all relevant information, including the county's use of bond and loan proceeds to pay these expenses.

(d) The ~~state board of tax commissioners~~ **department of local government finance** shall review each county's property tax levy under this section and shall enforce the requirements of this section with respect to that levy.

SECTION 347. IC 12-20-21-4, AS AMENDED BY P.L.259-2001,

SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. If the board of commissioners determines from the quarterly reports filed by the township trustee under IC 12-20-21-5 with the county auditor and the levies made by the respective townships for poor relief purposes that there will be insufficient money in the township poor relief fund to provide free and available money during the following year for poor relief purposes on the basis of the total costs of poor relief granted by the township trustees, as administrators of poor relief, for the previous twelve (12) months:

- (1) the board of commissioners may include estimates for the advancements in the county general fund budget;
- (2) the county fiscal body may appropriate for the advancement in the budget and levy as adopted by the county fiscal body; and

Each official and body having to do with the levying of taxes for the county shall ensure that sufficient levies are made to meet the principal and interest on the bonds at the time fixed for the payment of the bonds, without regard for the provisions of any other statute. (b) A tax levy required by IC 12-2-5-6(a) (before its repeal) or subsection (a) may be reduced by the amount the county will receive in reimbursements from each township that receives an advancement of bond proceeds. The ~~state board of tax commissioners~~ **department** shall determine the amount the county will receive for each year that the bond principal and interest are payable. However, to the extent that the advancements together with all other township indebtedness exceed two percent (2%) of the adjusted value of the taxable property in the township as determined under IC 36-1-15, the township may not impose an ad valorem property tax levy to reimburse the county and the county is liable for the principal and interest obligations on the bonds.

the county fiscal body may dedicate to the provision of poor relief, from the county adjusted gross income tax or the county option income tax imposed as a result of adopting a financial plan under section 35 of this chapter, an amount necessary to satisfy the requirements of

SECTION 361. IC 12-20-25-42 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 42. (a) This section applies to a township that was certified a distressed township before January 1, 1988.

(b) The controlled status of the distressed township is terminated on July 1, 1989, if the ~~state board of tax commissioners~~ **department** finds that the following conditions exist:

(1) All valid poor relief claims in the distressed township, including the claims approved under IC 12-2-14-22 (before its repeal), IC 12-2-14-23 (before its repeal), or section 27 or 28 of this chapter, have been paid, except for the following:

The decision of the county fiscal body may be appealed to the ~~state board of tax commissioners~~ **department**.

(d) Notwithstanding IC 12-2-5-6 (before its repeal), IC 12-2-5-8 (before its repeal), IC 12-20-23-15, and IC 12-20-23-19, the aggregate principal amount of any outstanding debt that is incurred to pay poor relief claims during the five (5) years following the termination of the township's distressed status under subsection (b) and that is in excess of one-tenth percent (0.1%) of the adjusted valued of taxable property in the township as determined under IC 36-1-15 is the direct general obligation of the county.

- (4) the county adjusted gross income tax or county option income tax is in effect in the county as a result of adopting a financial plan under this chapter;

the county fiscal body shall dedicate from the county adjusted gross income tax or county option income tax imposed under this chapter an amount of revenue determined by the ~~state board of tax commissioners~~ **department** to be necessary to ensure the payment within thirty (30) days of all poor relief claims in the township that has been controlled. All persons interested are entitled to be heard at the time fixed on the necessity for the execution of the agreement. The hearing may be adjourned to a later date at a place fixed before adjournment.

(e) Following the hearing, if a majority of the county fiscal body of the contributing county approve the execution of the agreement, the county executive may authorize the execution of the original agreement or may make the modifications agreed upon with the county fiscal body. At least ten (10) taxpayers in the contributing county whose tax rate will be affected by the proposed agreement may file a petition with the county auditor of the contributing county not more than thirty (30) days after publication of notice of the execution of the agreement. The petition must set forth the objections to the contribution agreement and facts showing that the execution of the contribution agreement is unnecessary and unwise or that the amount of contribution is excessive. On the filing of the petition, the county auditor shall immediately certify a copy together with other data necessary to present the questions involved to the ~~state board of tax commissioners~~ **department of local government finance**. The ~~state board of tax commissioners~~ **department of local government finance** shall fix a time and place in the county for the hearing not less than five (5) or not

(h) A contribution agreement may extend for the full term of the lease or for any part and may provide for reimbursement by the contributing county to the lessee county of a part of the lease rental each year in an amount and upon terms and conditions agreed on between the contributing county and the lessee county. The contributing county shall annually levy a tax sufficient to produce each year the necessary funds sufficient to reimburse the lessee county as provided in the contribution agreement. The tax levies provided for in this section shall be reviewable by other bodies vested by law with the authority to ascertain that the levies are sufficient to raise the required payments under the contribution agreement. The issuance of the bonds shall be authorized by ordinance of the board providing for the amount, terms, and tenor of the bonds, for the time and character of notice, and the mode of making the sale. (e) The bonds are exempt from taxation for all purposes including the gross income tax but the interest is subject to gross income tax.

SECTION 396. IC 16-22-8-51 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 51. The tax levy approved by the ~~state board of tax commissioners~~ **department of local government finance** shall be assessed and collected by the county treasurer of the county within which the corporation is located as other taxes are levied and collected. The county treasurer shall remit all taxes to the treasurer of the corporation.

The promissory notes issued under

this section shall be treated for taxation purposes the same as bonds issued by a municipal corporation in accordance with IC 6-8-5-1.

(b) Funds obtained by the method provided in this section shall be limited in use to the payment of lease rental for medical, surgical, and related equipment used by the corporation when the board determines that leasing the equipment is more practical and economical than purchasing. The decision to lease rather than purchase is within the sole discretion of the board.

(c) The length, terms, and conditions of promissory notes issued under this section are subject to negotiation between the board or the board's representative and the lending institutions bidding. Before entering into negotiations for the loan, the board of trustees shall publish a notice one (1) time in a newspaper of general circulation in the health and hospital corporation naming a date not less than seven (7) days after the publication of notice on which the board will receive and consider proposals from lending institutions for the making of the loan.

(d) After determination of the board to borrow and to issue promissory notes, and after a determination of the best proposal submitted by lending institutions, the board shall give notice of the board's determination to borrow and to issue promissory notes in the manner provided by IC 6-1.1-20. The taxpayers have the right to appeal the determination to the ~~state board of tax commissioners~~ **department of local government finance** in the manner and within the time provided in IC 6-1.1-20.

SECTION 398. IC 16-23-1-31 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 31. (a) If the annual budget and appropriations, or any additional appropriations or transfers of money, made or proposed by the board of directors, excluding any cumulative building money:

the board only needs to adopt a resolution for the approval of the budget appropriations, additional appropriations, or transfers and file a true copy of the budget appropriations, additional appropriations, or transfers and the resolution in the offices of the county auditor and city clerk-treasurer within seven (7) days after board action for the information of the public.

(b) If the funds are not derived from taxation, the city fiscal body may review, consider, and file objections and take an appeal to the ~~state~~

~~board of tax commissioners~~ **department of local government finance** upon the following:

- (1) An annual budget and any appropriations in the budget and request the reduction or elimination of any item.
- (2) Additional appropriations or transfers of funds, or any part of additional appropriations or transfers of funds, within ten (10) days after the certificate has been filed in the clerk-treasurer's office.

The ruling and action of the ~~state board of tax commissioners~~ **department of local government finance** is final and conclusive.

(c) The annual budget and appropriations may be revised by the board of directors by increasing or decreasing items in the budget based on revenues derived from sources other than property taxes and by transfer from any items of the budget and appropriations to other items of the budget, without giving legal notice or any public hearing. However, a copy of each resolution changing the budget or any appropriations or transfers of funds shall be filed with the city clerk-treasurer and county auditor within seven (7) days after the passage of each resolution. The resolution is subject to appeal by the city fiscal body to the ~~state board of tax commissioners~~ **department of local government finance** for final action in the manner and within the period provided in this section.

(d) The governing board shall annually file a condensed annual report of receipts and expenditures of all hospital funds. Expenses or income items may be summarized in a fair and an accurate manner for the information of all taxpayers and citizens. A copy of the annual report covering the preceding calendar year shall be filed in the city clerk-treasurer's office and in the county auditor's office on or before the first Monday in March. Detailed information on the items must be available for inspection by the public at the hospital administrator's office.

SECTION 399. IC 16-23-1-39 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39. (a) This section applies to the county fiscal body of a county in which a city hospital is located and maintained.

(b) The county fiscal body may issue and sell bonds and appropriate money, if the fiscal body finds the following:

- (1) An emergency exists.
- (2) To meet the medical needs of the county residents living inside and outside the corporate limits of the city it is necessary to aid in the following:
 - (A) The construction, improvement, repair, or remodeling of

hospital buildings and grounds.

(B) The construction of an extension or addition to the hospital.

(C) The acquisition of real property for the hospital.

(3) An appropriation of county funds, borrowing of money, and issuance and sale of bonds by the county are in the best interests of all the citizens of the county.

(c) The county fiscal body may issue and sell bonds and appropriate the proceeds to meet the emergency:

(1) without regard to whether the city in which the hospital is located has issued and sold bonds for these purposes or contemplates the issuance and sale of bonds;

(2) as other county bonds are issued and sold under statute; and

(3) subject to approval of the ~~state board of tax commissioners~~
department of local government finance.

(d) The principal derived from the sale of the bonds, upon due appropriation by the county according to statute, shall be paid to the clerk-treasurer of the city to assist in paying the cost of the improvement, repair, remodeling, or construction project of the hospital or for the acquisition of real property, without reappropriation by the fiscal body of the city.

SECTION 400. IC 16-23-1-40 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 40. (a) The governing board may request a cumulative hospital building fund and a tax rate upon all taxable property in the county in which the hospital is located to finance the fund. If a resolution is approved by majority vote of all members at a regular or special board meeting, the resolution shall be certified to the county auditor, who shall submit the resolution to the county executive for preliminary approval and recommendation. Upon the approval of the county executive, the county auditor shall publish notice of a public hearing before the county council on the establishment of a cumulative hospital building fund and tax rate in each year.

(b) The cumulative building tax rate begins in any calendar year when all proceedings to establish the tax rate have been completed before August 2 in that year. The rate is levied on each one hundred dollars (\$100) of taxable property for that year, payable in the next year, and continues each year for a term not exceeding twelve (12) years. The resolution of the board must specify the following:

(1) The number of years.

(2) The effective date when the tax levy begins.

(3) The amount of rate on each one hundred dollars (\$100) of

C
o
p

taxable property.

(4) Any other pertinent facts considered advisable by the board.

(c) Except as provided in subsections (f) through ~~(i)~~, **(h)**, the rate on each one hundred dollars (\$100) may be reduced but not increased by the ~~state board of tax commissioners~~ **department of local government finance** in approving a cumulative building tax rate. The rate as finally fixed by the ~~state board of tax commissioners~~ **department of local government finance** is final. However, the county fiscal body, by three-fourths (3/4) affirmative vote of the county fiscal body's members, may reduce the rate in any given year or years to meet an emergency existing in the county, but the temporary reduction affects the rate only in the year when the action is taken. The rate is automatically restored to the rate's original amount in each succeeding year of the established period except in any other year when another emergency reduction is made. The rate is subject to review each year by the county fiscal body, but the county tax adjustment board and ~~state board of tax commissioners~~ **department of local government finance** may not reduce the rate below the original rate established and approved by vote of the county fiscal body unless the county fiscal body reduces the rate.

(d) The county fiscal body, city fiscal body, county tax adjustment board, or ~~state board of tax commissioners~~ **department of local government finance** does not have power or jurisdiction over the annual budget and appropriations, additional appropriations, or transfer of money unless the action involves the expenditure or raising of money derived from property taxes. If the cumulative building fund is the only hospital fund raised by taxation, section 31 of this chapter controls.

(e) The cumulative building fund raised may be properly and safely invested or reinvested by the board to produce an income until there is an immediate need for the fund's use. The fund and any income derived from investment or reinvestment of the fund may be used as follows:

- (1) To purchase real property and grounds for hospital purposes.
- (2) To remodel or make major repairs on any hospital building.
- (3) To erect and construct hospital buildings or additions or extensions to the buildings.
- (4) For any other major capital improvements, but not for current operating expenses or to meet a deficiency in operating funds.

(f) Not later than August 1 of any year, ten (10) or more taxpayers in the county may file with the county auditor of the county in which the hospital is located a petition for reduction or rescission of the cumulative building tax rate. The petition must set forth the taxpayers'

o

objections to the tax rate. The petition shall be certified to the ~~state board of tax commissioners;~~ **department of local government finance.**

(g) Upon receipt of a petition under subsection (f), the ~~state board of tax commissioners~~ **department of local government finance** shall, within a reasonable time, fix a date for a hearing on the petition. The hearing must be held in the county in which the hospital is located. Notice of the hearing shall be given to the county fiscal body and to the first ten (10) taxpayers whose names appear on the petition. The notice must be in the form of a letter signed by the secretary or any member of the ~~state board of tax commissioners;~~ **department of local government finance**, sent by mail with full prepaid postage to the county fiscal body and to the taxpayers at their usual places of residence at least five (5) days before the date fixed for the hearing.

(h) After the hearing under subsection (g), the ~~state board of tax commissioners~~ **department of local government finance** shall approve, disapprove, or modify the request for reduction or rescission of the tax rate and shall certify that decision to the county auditor of the county in which the hospital is located.

SECTION 401. IC 16-35-3-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) For taxes first due and payable in 1992, each county must impose a children with special health care needs property tax levy equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the amounts that were paid by the county minus the amounts reimbursed by the state (including reimbursements made with federal money), as determined by the state board of accounts, in 1988, 1989, and 1990 for the following:

(A) Payments for administrative expenses of the county office of family and children in the administration of the children with special health care needs program.

(B) Payment for the facilities, supplies, and equipment needed for the children with special health care needs program as operated by the county office of family and children.

(C) Payment of all other expenses under the children with special health care needs program that were paid by the county office of family and children.

STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to:

(A) the county welfare administration fund and used to pay expenses for administration, facilities, supplies, and equipment

C
o
p
y

for the children with special health care needs program in 1988, 1989, and 1990; and

(B) the county welfare fund and used to pay all other costs of the children with special health care needs program in 1988, 1989, and 1990.

STEP THREE: Divide the amount determined in STEP TWO by three (3).

STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 1990 expenses only.

STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the amount determined by the state board of tax commissioners under subsection (c).

STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the greater of:

(A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 1992; or

(B) the statewide average assessed value growth quotient using the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for property taxes first due and payable in 1992.

STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property taxes first due and payable in 1992, as determined under IC 6-1.1-18.5-2.

(b) For taxes first due and payable in each year after 1992, each county shall impose a children with special health care needs property tax levy equal to the product of:

(1) the children with special health care needs property tax levy imposed for taxes first due and payable in the preceding year; multiplied by

(2) the greater of:

(A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or

(B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section.

C
o
p
y

(c) For taxes first due and payable in 1992 and in 1993, the state board of tax commissioners shall adjust the levy for each county to reflect the county's actual welfare expenses for administration, facilities, supplies, equipment, and all other costs for the children with special health care needs program in 1988, 1989, and 1990. In making this adjustment, the state board of tax commissioners may consider all relevant information. This includes the county's use of bond and loan proceeds to pay these expenses.

(d) The ~~state board of tax commissioners~~ **department of local government finance** shall review each county's property tax levy under this section and shall enforce the requirements of this section with respect to that levy.

SECTION 402. IC 20-3-11-20 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 20. Each such board of school commissioners may from time to time, whenever its general fund shall be exhausted or in the board's judgment be in danger of exhaustion, make temporary loans for the use of its general fund to be paid out of the proceeds of taxes theretofore levied by such school city for its general fund. The amount so borrowed in aid of said general fund shall be paid into said general fund and may be used for any purpose for which the said general fund lawfully may be used. Any such temporary loan shall be evidenced by the promissory note or notes of said school city, shall bear interest at not more than seven per cent (7%) per annum, interest payable at the maturity of the note or periodically, as the note may express, and shall mature at such time or times as the board of school commissioners may decide, but not later than one (1) year from the date of the note. No such loan or loans made in any one (1) calendar year shall be for a sum greater than the amount estimated by said board as the proceeds to be received by it from the levy of taxes theretofore made by said school city in behalf of its said general fund. Successive loans may be made in aid of said general fund in any calendar year, but the aggregate amount thereof, outstanding at any one (1) time, shall not exceed such estimated proceeds of taxes levied in behalf of the said general fund.

No such loan shall be made until notice asking for bids therefor shall have been given by newspaper publication, which publication shall be made one (1) time in a newspaper published in said city and said publication shall be at least seven (7) days before the time when bids for such loans will be opened. Bidders shall name the amount of interest they agree to accept not exceeding seven per cent (7%) per annum, and the loan shall be made to the bidder or bidders bidding the lowest rate of interest. The note or notes or warrants shall not be

delivered until the full price of the face thereof shall be paid to the treasurer of said school city, and no interest shall accrue thereon before such delivery.

Any such school corporation wishing to make a temporary loan in aid of its general fund, finding that it has need to exercise the power in this section above given to make a temporary loan, which has in its treasury money derived from the sale of bonds, which money derived from the sale of bonds can not or will not, in the due course of the business of said school city, be expended in the then near future, may, if it so elects, temporarily borrow, and without payment of interest, from such bond fund, for the use and aid of said general fund in the manner and to the extent hereinafter expressed, viz.: Such school city shall, by its board of school commissioners, take all the steps required by law to effect such temporary loan up to the point of advertising for bids or offers for such loans; it shall then present to the ~~state board of tax commissioners~~ **department of local government finance** of the state of Indiana, and to the state board of accounts of the state of Indiana, a copy of the corporate action of said school city concerning its desire to make such temporary loan and a petition showing the particular need for such temporary loan, and the amount and the date or dates when said general fund will need such temporary loan, or instalments of such loan, and the date at which such loan, and each instalment thereof, will be needed, and the estimated amounts from taxes to come into said general fund, and the dates when it is expected such proceeds of taxes will be received by such school city in behalf of said general fund, and showing what amount of money said school city has in any fund derived from the proceeds of the sale of bonds, which can not or will not be expended in the then near future, and showing when and to what extent and why money in such bond fund, not soon to be expended, will not be expended in the then near future and requesting that ~~said state board of tax commissioners;~~ **the department of local government finance**, and said state board of accounts, respectively, authorize a temporary loan from said bond fund in aid of said general fund.

If ~~said state board of tax commissioners~~ **the department of local government finance** shall find and order that there is need for such temporary loan, and that it should be made, and said state board of accounts shall find that the money proposed to be borrowed will not be needed during the period of the temporary loan by the fund from which it is to be borrowed, and ~~said two (2) state boards~~ **the state board of accounts and the department of local government finance** shall approve the loan, the business manager and treasurer of said school city

C
o
p
y

shall, upon such approval by ~~said two (2) state boards~~, **the state board of accounts and the department of local government finance**, take all steps necessary to transfer the amount of such loans, as a temporary loan from the fund to be borrowed from, to said general fund of such school city. The loan so effected shall, for all purposes, be a debt of the school city chargeable against its constitutional debt limit.

~~Such two (2) state boards~~ **The state board of accounts and the department of local government finance** may fix the aggregate amount so to be borrowed on any one (1) petition and shall determine at what time or times and in what instalments and for what periods it shall be borrowed. The treasurer and business manager of such school city, from time to time, as money shall be collected from taxes levied in behalf of said general fund, shall credit the same on such loan until the amount borrowed is fully repaid to the lending fund, and they shall at the end of each calendar month report to the board the several amounts so applied from taxes to the payment of such loan.

The school city shall, as often as once a month, report to both ~~of said state boards~~ **the state board of accounts and the department of local government finance** the amount of money then so borrowed and unpaid, the anticipated like borrowings of the current month, the amount left in the said general fund, and the anticipated drafts upon the lending bond fund for the objects for which that fund was created.

~~Said two (2) state boards~~ **The state board of accounts and the department of local government finance**, or either of them, may, if it shall seem to ~~said boards, the board and department~~, or to either of them, that the fund from which the loan was made requires the repayment of all or of part of such loan(s) before its maturity or said general fund no longer requires all or some part of the proceeds of such loan, require such school city to repay all or any part of such loan, and, if necessary to perform the requirement, such school city shall exercise its power of making a temporary loan procured from others to raise the money so needed to repay the lending bond fund the amount so ordered repaid.

SECTION 403. IC 20-4-1-18 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) Whenever the creation of a community school corporation out of an existing corporation would involve no change in its territorial boundaries or in its board of school trustees or other governing body, other than a change, if any, in the time of election or appointment or the time the board members take office, and such creation is consistent with the standards set up pursuant to the provisions of this chapter as modified, if any, by the standards set out in this section, the state board may upon

For the purposes of this provision the following terms shall have the following meanings:

(1) "County tax" shall be a property tax which is levied at an equal rate in the entire county in which any school corporation is located, other than a tax qualifying as a county-wide tax within the meaning of Acts 1959, c.328, s.2, or any similar statute, and the net proceeds of which are distributed to school corporations in the county.

(2) "Assessed valuation" of any school corporation shall mean the net assessed value of its real and personal property as of March 1, 1964, adjusted in the same manner as such assessed valuation is adjusted for each county by the ~~state board of tax commissioners~~ **department of local government finance** under Acts 1949, c.247, s.5, as now or hereafter amended, unless such statute has been repealed or no longer provides for such adjustment. In the event a county has a county tax, then the assessed valuation of each school corporation in the county shall be increased by the amount of assessed valuation, if any, which would be required to raise an amount of money, equal to the excess of the amount distributed to any school corporation from the county tax over the amount collected from such county tax in such school corporation, using total taxes levied by such school corporation in terms of rate excluding the countywide tax under Acts 1959, c.328, s.2, or any similar statute, and including all other taxes levied by or for such school corporation, including but not limited to the county tax, bond fund levy, lease rental levy, library fund levy, special school fund levy, tuition fund levy, capital projects fund levy, and special funds levies. (b) Such community school corporation shall automatically come into being on either July 1 or January 1 following the date of such approval, whichever is earlier. The state board shall mail by certified United States mail, return receipt requested, a copy of such resolution certified by its director or its secretary to the recorder of the county from which the county committee having jurisdiction of such existing school corporation was appointed and to such county committee. Such resolution may change the time of election or appointment of the board members of such school corporation or the time such board members take office. The recorder shall without cost record such certified resolution in the miscellaneous records of the county. Such recording shall constitute a permanent record of the action of the state board and may be relied on by any person. Unless the resolution otherwise

provides no interim board member shall be appointed, the board members in office on the date of such action shall continue to constitute the board of trustees of such school corporation until their successors are qualified, and the terms of their respective office and board membership shall remain unchanged except to the extent that such resolution otherwise provides. C
o
p
y

(1) are not paid from other revenues available to the fund as specified in section 4 of this chapter; and

(2) are listed in section 2(a)(1) through 2(a)(7) of this chapter.

(b) For taxes first due and payable in 1996, the property tax levy for the fund may not exceed the amount determined using the following formula:

STEP ONE: Determine the sum of the expenditures attributable to operating costs listed in section 2(a)(1) through 2(a)(7) of this chapter that were made by the school corporation as determined by the ~~state board of tax commissioners~~ **department of local government finance** for all operating costs attributable to transportation that are not paid from other revenues available to the fund for school years ending in 1993, 1994, and 1995.

STEP TWO: Divide the amount determined in STEP ONE by three (3).

STEP THREE: Determine the greater of:

(A) the STEP TWO amount; or

(B) the school corporation's actual transportation fund levy attributable to operating costs for property taxes first due and payable in 1995.

STEP FOUR: Multiply the amount determined in STEP THREE by one and five-hundredths (1.05).

(c) For each year after 1996, the levy for the fund may not exceed the levy for the previous year multiplied by the assessed value growth quotient determined using the following formula:

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth) of the school corporation's total assessed value of all taxable property in the particular calendar year, divided by the school corporation's total assessed value of all taxable property in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Determine the greater of the result computed in STEP THREE or one and five-hundredths (1.05).

STEP FIVE: Determine the lesser of the result computed in STEP FOUR or one and one-tenth (1.1).

If the assessed values of taxable property used in determining a school corporation's property taxes that are first due and payable in a particular calendar year are significantly increased over the assessed values used for the immediately preceding calendar year's property taxes due to the settlement of litigation concerning the general reassessment of that school corporation's real property, then for purposes of determining that school corporation's assessed value growth quotient for an ensuing calendar year, the ~~state board of tax commissioners~~ **department of local government finance** shall replace the quotient described in STEP TWO for that particular calendar year. The ~~state board of tax commissioners~~ **department of local government finance** shall replace that quotient with one that as accurately as possible will reflect the actual growth in the school corporation's assessed values of real property from the immediately preceding calendar year to that particular calendar year. The maximum property levy limit computed under this section for the school transportation fund shall be reduced to reflect the transfer of costs for operating to the school bus replacement fund under section 2(e) of this chapter. The total reduction in the school transportation fund maximum property tax levy may not exceed the amount of the fair market lease value of the contracted transportation service expenditures paid from the fund before the transfer.

(d) Each school corporation may levy for the calendar year a tax for the school bus replacement fund in accordance with the school bus acquisition plan adopted under section 3.1 of this chapter.

(e) The tax rate and levy for each fund shall be established as a part of the annual budget for the calendar year in accord with IC 6-1.1-17.

Clause (B) does not apply if contracted transportation services are not paid from the school bus replacement fund.
- (5) If the school corporation is seeking to:
 - (A) replace an existing school bus earlier than ten (10) years after the existing school bus was originally acquired; or

(b) Whenever the area of a school corporation of any such county shall extend into an adjoining county, the tax rate fixed by such board of county commissioners, aforesaid, shall control for the levying and assessment of such tax in the area so extending into such adjoining county. SECTION 432. IC 21-2-13-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. The amount to be raised by the county supplemental school financing tax shall be determined in any calendar year by the county auditor and certified to by the board of county commissioners prior to the time for making the county budgets in such year. - (A) the total amount deposited in the county school distribution fund in calendar year 1979 or the first year in which a deposit was made, whichever is later; divided by
- (B) the total average daily membership (ADM) of the immediately preceding school year of schools which received money under the fund in 1979.

STEP TWO: Calculate the product of:

- (A) the result obtained in STEP ONE; multiplied by
- (B) the ADM of the immediately preceding school year of the school corporation which received money under the fund in 1979.

The entitlement of any receiving school corporation shall not have the effect of reducing the total school tax rate in such school corporation below the total school tax rate prevailing in any paying school corporation, and any entitlement payable hereunder shall be reduced so as not to produce such effect. However, the entitlement of a receiving school corporation which levies its maximum general fund tax levy shall not be affected by that receiving school corporation's tax rate. The board of county commissioners shall levy a rate on all the real and taxable personal property in the county which is sufficient to raise the total of such entitlements in the same manner as other county rates are

The ~~state board of tax commissioners~~ **department of local government finance** may approve appropriations from the capital projects fund only if they conform to a plan that has been adopted in compliance with this chapter.

SECTION 447. IC 21-2-15-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) A governing body may amend a plan adopted under section 5 of this chapter to:

- (1) provide money for the purposes described in section 4 of this chapter; or
- (2) supplement money accumulated in the capital projects fund for those purposes.

(b) When an amendment to a plan is required by reason other than the occurrence of an emergency, the governing body must hold a public hearing on the proposed amendment. At this hearing, the governing body must declare the nature of and the need for the amendment and then pass a resolution to adopt the amendment to the plan. The plan, as proposed to be amended, must comply with the requirements for a plan under section 5(b) of this chapter, and the governing body must publish the proposed amendment to the plan and notice of the hearing in accordance with IC 5-3-1-2(b). This amendment to the plan is not subject to the deadline for adoption described in section 5(a) of this chapter. However, the amendment to the plan must be submitted to the ~~state board of tax commissioners~~ **department of local government finance** for its consideration and is subject to approval, disapproval, or

modification in accordance with the procedures for adopting a plan set forth in sections 6 through 8 of this chapter.

(c) When an emergency arises that results in costs that exceed the amount accumulated in the fund for the purposes described in section 4(b)(4) of this chapter, the governing body is not required to comply with subsection (b), but instead must immediately apply to the ~~state board of tax commissioners~~ **department of local government finance** for a determination that an emergency exists. If the ~~board~~ **department of local government finance** determines that an emergency exists, the governing body may adopt a resolution to amend the plan. The amendment is not subject to the deadline and the procedures for adoption described in section 5 of this chapter. However, the amendment is subject to modification by the ~~state board of tax commissioners~~ **department of local government finance**.

(d) An amendment adopted under this section may require the payment of eligible costs from:

- (1) money accumulated in the capital projects fund for other purposes; or
- (2) money to be borrowed from other funds of the school corporation or from a financial institution. The amendment may also require an increase in the property tax rate for the capital projects fund to restore money to the fund or to pay principal and interest on a loan. Any increase to the property tax rate for the capital projects fund is effective for property taxes first due and payable for the year next certified by the ~~state board of tax commissioners~~ **department of local government finance** under IC 6-1.1-17-16. However, the property tax rate may not exceed the maximum rate established under section 11 of this chapter.

(a) To provide for the capital projects fund, the governing body may, for each year in which a plan adopted under section 5 of this chapter is in effect, impose a property tax rate that does not exceed forty-one and sixty-seven hundredths cents (\$0.4167) on each one hundred dollars (\$100) of assessed valuation of the school corporation. This actual rate must be advertised in the same manner as other property tax rates.

(b) The maximum property tax rate levied by each school corporation must be adjusted each time a general reassessment of property takes effect.

(c) The new maximum rate under this section is the tax rate determined under STEP SEVEN of the following formula:

STEP ONE: Determine the maximum rate for the school

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the year preceding the year the general reassessment takes effect to the year that the general reassessment is effective.

STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

(d) The ~~state board of tax commissioners~~ **department of local government finance** shall compute the maximum rate allowed under subsection (c) and provide the rate to each school corporation.

SECTION 449. IC 21-2-15-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. The ~~state board of tax commissioners~~ **department of local government finance** may adopt rules under IC 4-22-2 to implement this chapter.

Such day shall fall within the first thirty (30) days of the school term. If, however, extreme patterns of student in-migration, illness, natural disaster, or other unusual conditions in a particular school corporation's enrollment on the particular day thus fixed, cause the enrollment to be unrepresentative of the school corporation's enrollment throughout a school year, the Indiana state board of education may designate another day for determining the school corporation's enrollment. The Indiana state board of education shall monitor changes that occur after the fall count, in the number of students enrolled in programs for children with disabilities and shall, before December 2 of that same year, make an adjusted count of students enrolled in programs for children with disabilities. The superintendent of public instruction shall certify the adjusted count to the budget committee before February 5 of the following year. Where a school corporation commences kindergarten in a school year, the ADM of the current and prior calendar years shall be adjusted to reflect the enrollment of the kindergarten pupils. If the railroad or other corporation in some subsequent calendar year makes payment of the delinquent taxes, then the state superintendent of public instruction shall prescribe adjustments in the distributions of state funds pursuant to this chapter as are thereafter to become due to a school corporation affected by the delinquency as will ensure that the school corporation will not have been unjustly enriched under the provisions of P.L.382-1987(ss). The amount of the valuation shall also be adjusted downward by the ~~state board of tax commissioners~~ **department of local government finance** to the extent it consists of real or personal property described in IC 6-1.1-17-0.5(b).

- (2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;
- (3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the extent the redevelopment commission determines that a reserve is reasonably required; and
- (4) expenses that the redevelopment commission is required or permitted to pay under IC 8-23-17.

(c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the redevelopment commission.

(d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds must be executed by the appropriate officer of the unit, and attested by the municipal or county fiscal officer.

(f) The bonds are exempt from taxation for all purposes.

(g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

(h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

C

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the **state board of tax commissioners department of local government finance** apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers to remonstrate against the issuance of bonds apply to bonds issued under this chapter, except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be deposited in the allocation fund established under section 39(b)(2) of this chapter.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

SECTION 474. IC 36-7-14-25.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 25.2. (a) A redevelopment commission may enter into a lease of any property that could be financed with the proceeds of bonds issued under this chapter

with a lessor for a term not to exceed fifty (50) years, and the lease may provide for payments to be made by the redevelopment commission from special benefits taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other revenues available to the redevelopment commission, or any combination of these sources.

(b) A lease may provide that payments by the redevelopment commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the redevelopment commission only after a public hearing by the redevelopment commission at which all interested parties are provided the opportunity to be heard. After the public hearing, the redevelopment commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the redevelopment commission must be approved by an ordinance of the fiscal body of the unit.

(d) Upon execution of a lease providing for payments by the redevelopment commission in whole or in part from the levy of special benefits taxes under section 27 of this chapter and upon approval of the lease by the unit's fiscal body, the redevelopment commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the redevelopment district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be.

(e) Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with such other data as may be necessary in order to present the questions involved, to the ~~state board of tax commissioners~~ **department of local government finance**. Upon receipt of the certified petition and information, the ~~state~~

~~board of tax commissioners~~ **department of local government finance** shall fix a time and place for a hearing in the redevelopment district, which must be not less than five (5) or more than thirty (30) days after the time is fixed. Notice of the hearing shall be given by the ~~state board of tax commissioners~~ **department of local government finance** to the members of the fiscal body, to the redevelopment commission, and to the first fifty (50) petitioners on the petition by a letter signed by ~~one~~ **(1) member of the state board of tax commissioners the commissioner or deputy commissioner of the department** and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the ~~state board of tax commissioners~~ **department of local government finance** on the appeal, upon the necessity for the execution of the lease, and as to whether the payments under it are fair and reasonable, is final.

(f) A redevelopment commission entering into a lease payable from allocated taxes under section 39 of this chapter or other available funds of the redevelopment commission may:

(1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and

(2) establish a special fund to make the payments.

(g) Lease rentals may be limited to money in the special fund so that the obligations of the redevelopment commission to make the lease rental payments are not considered debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(h) Except as provided in this section, no approvals of any governmental body or agency are required before the redevelopment commission enters into a lease under this section.

(i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the ~~state board of tax commissioners~~ **department of local government finance**, an action to contest the validity or enjoin the performance must be brought within thirty (30) days after the decision of the ~~state board of tax commissioners~~ **department**.

(j) If a redevelopment commission exercises an option to buy a leased facility from a lessor, the redevelopment commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the

redevelopment commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the redevelopment commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days of the hearing.

SECTION 475. IC 36-7-14-27.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 27.5. (a) The redevelopment commission may borrow money in anticipation of receipt of the proceeds of taxes levied for the redevelopment district bond fund and not yet collected, and may evidence this borrowing by issuing warrants of the redevelopment district. However, the aggregate principal amount of warrants issued in anticipation of and payable from the same tax levy or levies may not exceed an amount equal to eighty percent (80%) of that tax levy or levies, as certified by the ~~state board of tax commissioners,~~ **department of local government finance**, or as determined by multiplying the rate of tax as finally approved by the total assessed valuation (after deducting all mortgage deductions) within the redevelopment district, as most recently certified by the county auditor.

(b) The warrants may be authorized and issued at any time after the tax or taxes in anticipation of which they are issued have been levied by the redevelopment commission. For purposes of this section, taxes for any year are considered to be levied upon adoption by the commission of a resolution prescribing the tax levies for the year. However, the warrants may not be delivered and paid for before final approval of the tax levy or levies by the county board of tax adjustment or, if appealed, by the ~~state board of tax commissioners,~~ **department of local government finance**, unless the issuance of the warrants has been approved by the ~~state board of tax commissioners,~~ **department**.

(c) All action that this section requires or authorizes the redevelopment commission to take may be taken by resolution, which need not be published or posted. The resolution takes effect immediately upon its adoption by the redevelopment commission. An action to contest the validity of tax anticipation warrants may not be brought later than ten (10) days after the sale date.

(d) In their resolution authorizing the warrants, the redevelopment commission must provide that the warrants mature at a time or times not later than December 31 after the year in which the taxes in anticipation of which the warrants are issued are due and payable.

(e) In their resolution authorizing the warrants, the redevelopment commission may provide:

- (6) the place or places of payment of the warrants, either inside or outside the state;
- (7) the medium of payment of the warrants;
- (8) the terms of redemption, if any, of the warrants, at a price not exceeding par value and accrued interest;
- (9) the manner of execution of the warrants; and
- (10) that all costs incurred in connection with the issuance of the warrants may be paid from the proceeds of the warrants.

(f) The warrants shall be sold for not less than par value, after notice inviting bids has been published under IC 5-3-1. The redevelopment commission may also publish the notice in other newspapers or financial journals.

(g) Warrants and the interest on them are not subject to any limitation contained in section 25.1 of this chapter, and are payable solely from the proceeds of the tax levy or levies in anticipation of which the warrants were issued. The authorizing resolution must pledge a sufficient amount of the proceeds of the tax levy or levies to the payment of the warrants and the interest.

before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid

into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements in or serving that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) in or serving that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in or serving that allocation area under any lease entered into under IC 36-1-10.

(I) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of twenty percent (20%) of each county's total county tax levy payable that year as determined under

C
o
p
y

IC 6-1.1-21-4 that is attributable to the taxing district; by
(B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; times
- (B) the total amount of the taxpayer's property taxes levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the ~~state board of tax commissioners~~ **department of local government finance**.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The allocation fund may not be used for operating expenses of the commission.

(3) Except as provided in subsection (g), before July 15 of each year the commission shall do the following:

- (A) Determine the amount, if any, by which the base assessed value when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

C
o
p
y

(B) Notify the county auditor of the amount, if any, of the amount of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1). The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2) or lessors under section 25.3 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the

C
o
p
y

amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the portion of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and ~~state board of tax commissioners~~ **department of local government finance** shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The ~~state board of tax commissioners~~ **department of local government finance** may prescribe procedures for county and township officials to follow to assist the ~~state board~~ **department** in making the adjustments.

SECTION 477. IC 36-7-14.5-12.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12.5. (a) This section applies only to an authority in a county having a United States government military base that is scheduled for closing or is completely

or partially inactive or closed.

(b) In order to accomplish the purposes set forth in section 11(b) of this chapter, an authority may create an economic development area:

- (1) by following the procedures set forth in IC 36-7-14-41 for the establishment of an economic development area by a redevelopment commission; and
- (2) with the same effect as if the economic development area was created by a redevelopment commission.

However, an authority may not include in an economic development area created under this section any area that was declared a blighted area, an urban renewal area, or an economic development area under IC 36-7-14.

(c) In order to accomplish the purposes set forth in section 11(b) of this chapter, an authority may do the following in a manner that serves an economic development area created under this section:

- (1) Acquire by purchase, exchange, gift, grant, condemnation, or lease, or any combination of methods, any personal property or interest in real property needed for the redevelopment of economic development areas located within the corporate boundaries of the unit.
- (2) Hold, use, sell (by conveyance by deed, land sale contract, or other instrument), exchange, lease, rent, or otherwise dispose of property acquired for use in the redevelopment of economic development areas on the terms and conditions that the authority considers best for the unit and the unit's inhabitants.
- (3) Sell, lease, or grant interests in all or part of the real property acquired for redevelopment purposes to any other department of the unit or to any other governmental agency for public ways, levees, sewerage, parks, playgrounds, schools, and other public purposes on any terms that may be agreed on.
- (4) Clear real property acquired for redevelopment purposes.
- (5) Repair and maintain structures acquired for redevelopment purposes.
- (6) Remodel, rebuild, enlarge, or make major structural improvements on structures acquired for redevelopment purposes.
- (7) Survey or examine any land to determine whether the land should be included within an economic development area to be acquired for redevelopment purposes and to determine the value of that land.
- (8) Appear before any other department or agency of the unit, or before any other governmental agency in respect to any matter affecting:

C
o
p
y

- (A) real property acquired or being acquired for redevelopment purposes; or
- (B) any economic development area within the jurisdiction of the authority.
- (9) Institute or defend in the name of the unit any civil action, but all actions against the authority must be brought in the circuit or superior court of the county where the authority is located.
- (10) Use any legal or equitable remedy that is necessary or considered proper to protect and enforce the rights of and perform the duties of the authority.
- (11) Exercise the power of eminent domain in the name of and within the corporate boundaries of the unit subject to the same conditions and procedures that apply to the exercise of the power of eminent domain by a redevelopment commission under IC 36-7-14.
- (12) Appoint an executive director, appraisers, real estate experts, engineers, architects, surveyors, and attorneys.
- (13) Appoint clerks, guards, laborers, and other employees the authority considers advisable, except that those appointments must be made in accordance with the merit system of the unit if such a system exists.
- (14) Prescribe the duties and regulate the compensation of employees of the authority.
- (15) Provide a pension and retirement system for employees of the authority by using the public employees' retirement fund or a retirement plan approved by the United States Department of Housing and Urban Development.
- (16) Discharge and appoint successors to employees of the authority subject to subdivision (13).
- (17) Rent offices for use of the department or authority, or accept the use of offices furnished by the unit.
- (18) Equip the offices of the authority with the necessary furniture, furnishings, equipment, records, and supplies.
- (19) Design, order, contract for, and construct, reconstruct, improve, or renovate the following:
 - (A) Any local public improvement or structure that is necessary for redevelopment purposes or economic development within the corporate boundaries of the unit.
 - (B) Any structure that enhances development or economic development.
- (20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in section 11(b) of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the ~~state board of tax commissioners~~, **department of local government finance**, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority

only to do one (1) or more of the following:

- (1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or benefitting that allocation area.
- (2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).
- (3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.
- (4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefitting that allocation area.
- (5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of the twenty percent (20%) of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's property taxes levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

- (6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefitting the allocation area.
- (7) Reimburse public and private entities for expenses incurred in

C

training employees of industrial facilities that are located:

- (A) in the allocation area; and
- (B) on a parcel of real property that has been classified as industrial property under the rules of the ~~state board of tax commissioners~~ **department of local government finance**.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

- (1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.
- (2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.
- (3) The bonds are exempt from taxation for all purposes.
- (4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.
- (5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:
 - (A) from the tax proceeds allocated under subsection (d);
 - (B) from other revenues available to the authority; or
 - (C) from a combination of the methods stated in clauses (A) and (B).
- (6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.
- (7) Laws relating to the filing of petitions requesting the issuance

C
o
p
y

of bonds and the right of taxpayers to remonstrate against the issuance of bonds do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under section 11(b) of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than seven (7) members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of

C
o
p

bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

SECTION 478. IC 36-7-15.1-17.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 17.1. (a) A commission may enter into a lease of any property that may be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed fifty (50) years. The lease may provide for payments to be made by the commission from special benefits taxes levied under section 19 of this chapter, taxes allocated under section 26 of this chapter, any other revenue available to the commission, or any combination of these sources.

(b) A lease may provide that payments by the commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the commission only after a public hearing by the commission at which all interested parties are given the opportunity to be heard. Notice of the hearing must be given by publication in accordance with IC 5-3-1. After the public hearing, the commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the commission must be approved by an ordinance of the fiscal body of the unit.

(d) Upon execution of a lease providing for payments by the commission in whole or in part from the levy of special benefits taxes under section 19 of this chapter and upon approval of the lease by the fiscal body, the commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in

C
o
p
y

the lease are not fair and reasonable, as the case may be. Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with such other data as may be necessary in order to present the questions involved, to the ~~state board of tax commissioners~~ **department of local government finance**. Upon receipt of the certified petition and information, the ~~state board of tax commissioners~~ **department of local government finance** shall fix a time and place for the hearing in the redevelopment district, which must be not less than five (5) or more than thirty (30) days after the time for the hearing is fixed. Notice of the hearing shall be given by the ~~state board of tax commissioners~~ **department of local government finance** to the members of the fiscal body, to the commission, and to the first fifty (50) petitioners on the petition by a letter signed by ~~one~~ **(+) member of the state board of tax commissioners the commissioner or deputy commissioner of the department** and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the ~~state board of tax commissioners~~ **department of local government finance** on the appeal, upon the necessity for the execution of the lease and as to whether the payments under it are fair and reasonable, is final.

(e) A commission entering into a lease payable from allocated taxes under section 26 of this chapter or revenues or other available funds of the commission may:

- (1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and
- (2) establish a special fund to make the payments.

Lease rentals may be limited to money in the special fund so that the obligations of the commission to make the lease rental payments are not considered a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(f) Except as provided in this section, no approvals of any governmental body or agency are required before the commission enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the ~~state board of tax commissioners~~ **department of local government finance**, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the ~~state board of tax~~

~~commissioners; department.~~

(h) If a commission exercises an option to buy a leased facility from a lessor, the commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days after the hearing.

SECTION 479. IC 36-7-15.1-26 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the ~~state board of tax commissioners;~~ **department of local government finance**, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the ~~state board of tax~~

~~commissioners, department of local government finance~~, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded portion of the area added after June 30, 1995.

(6) If an allocation area established in a blighted area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded portion of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter before January 1, 2006, may include a provision with respect to the allocation

C
o
p

and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

C
o
p
y

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements in that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) in that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the ~~state board of tax commissioners~~ **department of local government finance**.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the base assessed value when multiplied by the estimated tax rate of the allocated area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Notify the county auditor of the amount, if any, of excess assessed value that the commission has determined may be

C
o
p
y

allocated to the respective taxing units in the manner prescribed in subdivision (1).

The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those

C
o
p

described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:
 - (A) Businesses operating in the enterprise zone.
 - (B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.
- (3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and ~~state board of tax commissioners~~ **department of local government finance** shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The ~~state board of tax commissioners~~ **department of local government finance** may prescribe procedures for county and township officials to follow to assist the ~~state board~~ **department** in making the adjustments.

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26.5. (a) As used in this section, "adverse determination" means a determination by the fiscal officer of the consolidated city that the granting of credits described in subsection (g) or (h) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund.

(b) As used in this section, "allocation area" has the meaning set forth in section 26 of this chapter.

(c) As used in this section, "special fund" refers to the special fund into which property taxes are paid under section 26 of this chapter.

(d) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(e) Except as provided in subsections (g), (h), and (i), each taxpayer in an allocation area is entitled to an additional credit for property taxes that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of twenty percent (20%) of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to an allocation fund under section 26 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the redevelopment district and paid into the special fund.

(f) The credit for property tax replacement under IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h), and (i), unless the credits under subsections (g) and (h) are partial credits, shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. Except as provided in subsections (h) and (i), the credit for property tax replacement under

C
o
p
y

IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h), and (i) shall be combined on the tax statements sent to each taxpayer.

(g) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method provided in subsection (e) may be granted under this subsection. The credit provided under this subsection is first applicable for the allocation area for property taxes first due and payable in 1992. The following apply to the determination of the credit provided under this subsection:

(1) Before June 15 of each year, the fiscal officer of the consolidated city shall determine and certify the following:

(A) All amounts due in the following year to the owners of outstanding bonds payable from the allocation area special fund.

(B) All amounts that are:

- (i) required under contracts with bond holders; and
- (ii) payable from the allocation area special fund to fund accounts and reserves.

(C) An estimate of the amount of personal property taxes available to be paid into the allocation area special fund under section 26.9(c) of this chapter.

(D) An estimate of the aggregate amount of credits to be granted if full credits are granted.

(2) Before June 15 of each year, the fiscal officer of the consolidated city shall determine if the granting of the full amount of credits in the following year would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund.

(3) If the fiscal officer of the consolidated city determines under subdivision (2) that there would not be an impairment or adverse effect:

(A) the fiscal officer of the consolidated city shall certify the determination; and

(B) the full credits shall be applied in the following year, subject to the determinations and certifications made under section 26.7(b) of this chapter.

(4) If the fiscal officer of the consolidated city makes an adverse determination under subdivision (2), the fiscal officer of the consolidated city shall determine whether there is an amount of partial credits that, if granted in the following year, would not result in the impairment or adverse effect. If the fiscal officer

C
o
p
y

determines that there is an amount of partial credits that would not result in the impairment or adverse effect, the fiscal officer shall do the following:

- (A) Determine the amount of the partial credits.
- (B) Certify that determination.
- (5) If the fiscal officer of the consolidated city certifies under subdivision (4) that partial credits may be paid, the partial credits shall be applied pro rata among all affected taxpayers in the following year.
- (6) An affected taxpayer may appeal any of the following to the circuit or superior court of the county in which the allocation area is located:
 - (A) A determination by the fiscal officer of the consolidated city that:
 - (i) credits may not be paid in the following year; or
 - (ii) only partial credits may be paid in the following year.
 - (B) A failure by the fiscal officer of the consolidated city to make a determination by June 15 of whether full or partial credits are payable under this subsection.
- (7) An appeal of a determination must be filed not later than thirty (30) days after the publication of the determination.
- (8) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether the credits are payable under this subsection must be filed by July 15 of the year in which the determination should have been made.
- (9) All appeals under subdivision (6) shall be decided by the court within sixty (60) days.
- (h) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method in subsection (e) and in subdivision (2) of this subsection may be granted under this subsection. The following apply to the credit granted under this subsection:
 - (1) The credit is applicable to property taxes first due and payable in 1991.
 - (2) For purposes of this subsection, the amount of a credit for 1990 taxes payable in 1991 with respect to an affected taxpayer is equal to:
 - (A) the amount of the quotient determined under STEP TWO of subsection (e); multiplied by
 - (B) the total amount of the property taxes payable by the taxpayer that were allocated in 1991 to the allocation area

C
o
p

special fund under section 26 of this chapter.

(3) Before June 15, 1991, the fiscal officer of the consolidated city shall determine and certify an estimate of the aggregate amount of credits for 1990 taxes payable in 1991 if the full credits are granted.

(4) The fiscal officer of the consolidated city shall determine whether the granting of the full amounts of the credits for 1990 taxes payable in 1991 against 1991 taxes payable in 1992 and the granting of credits under subsection (g) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund for an allocation area described in subsection (g).

(5) If the fiscal officer of the consolidated city determines that there would not be an impairment or adverse effect under subdivision (4):

(A) the fiscal officer shall certify that determination; and

(B) the full credits shall be applied against 1991 taxes payable in 1992 or the amount of the credits shall be paid to the taxpayers as provided in subdivision (12), subject to the determinations and certifications made under section 26.7(b) of this chapter.

(6) If the fiscal officer of the consolidated city makes an adverse determination under subdivision (4), the fiscal officer shall determine whether there is an amount of partial credits for 1990 taxes payable in 1991 that, if granted against 1991 taxes payable in 1992 in addition to granting of the credits under subsection (g), would not result in the impairment or adverse effect.

(7) If the fiscal officer of the consolidated city determines under subdivision (6) that there is an amount of partial credits that would not result in the impairment or adverse effect, the fiscal officer shall determine the amount of partial credits and certify that determination.

(8) If the fiscal officer of the consolidated city certifies under subdivision (7) that partial credits may be paid, the partial credits shall be applied pro rata among all affected taxpayers against 1991 taxes payable in 1992.

(9) An affected taxpayer may appeal any of the following to the circuit or superior court of the county in which the allocation area is located:

(A) A determination by the fiscal officer of the consolidated city that:

(i) credits may not be paid for 1990 taxes payable in 1991;

C
o
p
y

or

(ii) only partial credits may be paid for 1990 taxes payable in 1991.

(B) A failure by the fiscal officer of the consolidated city to make a determination by June 15, 1991, of whether credits are payable under this subsection.

(10) An appeal of a determination must be filed not later than thirty (30) days after the publication of the determination. Any such appeal shall be decided by the court within sixty (60) days.

(11) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether credits are payable under this subsection must be filed by July 15, 1991. Any such appeal shall be decided by the court within sixty (60) days.

(12) If 1991 taxes payable in 1992 with respect to a parcel are billed to the same taxpayer to which 1990 taxes payable in 1991 were billed, the county treasurer shall apply to the tax bill for 1991 taxes payable in 1992 both the credit provided under subsection (g) and the credit provided under this subsection, along with any credit determined to be applicable to the tax bill under subsection (i). In the alternative, at the election of the county auditor, the county may pay to the taxpayer the amount of the credit by May 10, 1992, and the amount shall be charged to the taxing units in which the allocation area is located in the proportion of the taxing units' respective tax rates for 1990 taxes payable in 1991.

(13) If 1991 taxes payable in 1992 with respect to a parcel are billed to a taxpayer other than the taxpayer to which 1990 taxes payable in 1991 were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (i) to the tax bill for 1991 taxes payable in 1992.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit under this subsection.

A taxpayer entitled to a credit must file an application for refund of the credit with the county auditor not later than November 30, 1991.

(14) A taxpayer who files an application by November 30, 1991, is entitled to payment from the county treasurer in an amount that is in the same proportion to the credit provided under this subsection with respect to a parcel as the amount of 1990 taxes

C
o
p

payable in 1991 paid by the taxpayer with respect to the parcel bears to the 1990 taxes payable in 1991 with respect to the parcel. This amount shall be paid to the taxpayer by May 10, 1992, and shall be charged to the taxing units in which the allocation area is located in the proportion of the taxing units' respective tax rates for 1990 taxes payable in 1991.

(i) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. The following apply to the credit granted under this subsection:

(1) A prior year credit is applicable to property taxes first due and payable in each year from 1987 through 1990 (the "prior years").

(2) The credit for each prior year is equal to:

(A) the amount of the quotient determined under STEP TWO of subsection (e) for the prior year; multiplied by

(B) the total amount of the property taxes paid by the taxpayer that were allocated in the prior year to the allocation area special fund under section 26 of this chapter.

(3) Before January 31, 1992, the county auditor shall determine the amount of credits under subdivision (2) with respect to each parcel in the allocation area for all prior years with respect to which:

(A) taxes were billed to the same taxpayer for taxes payable in each year from 1987 through 1991; or

(B) an application was filed by November 30, 1991, under subdivision (8) for refund of the credits for prior years.

A report of the determination by parcel shall be sent by the county auditor to the **state board of tax commissioners department of local government finance** and the budget agency within five (5) days of such determination.

(4) Before January 31, 1992, the county auditor shall determine the quotient of the amounts determined under subdivision (3) with respect to each parcel divided by six (6).

(5) Before January 31, 1992, the county auditor shall determine the quotient of the aggregate amounts determined under subdivision (3) with respect to all parcels divided by twelve (12).

(6) Except as provided in subdivisions (7) and (9), in each year in which credits from prior years remain unpaid, credits for the prior years in the amounts determined under subdivision (4) shall be applied as provided in this subsection.

(7) If taxes payable in the current year with respect to a parcel are billed to the same taxpayer to which taxes payable in all of the

C
o
p
y

prior years were billed and if the amount determined under subdivision (3) with respect to the parcel is at least five hundred dollars (\$500), the county treasurer shall apply the credits provided for the current year under subsections (g) and (h) and the credit in the amount determined under subdivision (4) to the tax bill for taxes payable in the current year. However, if the amount determined under subdivision (3) with respect to the parcel is less than five hundred dollars (\$500) (referred to in this subdivision as "small claims"), the county may, at the election of the county auditor, either apply a credit in the amount determined under subdivision (3) or subdivision (4) to the tax bill for taxes payable in the current year or pay either amount to the taxpayer. If title to a parcel transfers in a year in which a credit under this subsection is applied to the tax bill, the transferor may file an application with the county auditor within thirty (30) days of the date of the transfer of title to the parcel for payments to the transferor at the same times and in the same amounts that would have been allowed as credits to the transferor under this subsection if there had not been a transfer. If a determination is made by the county auditor to refund or credit small claims in the amounts determined under subdivision (3) in 1992, the county auditor may make appropriate adjustments to the credits applied with respect to other parcels so that the total refunds and credits in any year will not exceed the payments made from the state property tax replacement fund to the prior year credit fund referred to in subdivision (11) in that year.

(8) If taxes payable in the current year with respect to a parcel are billed to a taxpayer that is not a taxpayer to which taxes payable in all of the prior years were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (h) to the tax bill for taxes payable in the current year.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit.

A taxpayer entitled to the credit must file an application for refund of the credit with the county auditor not later than November 30, 1991. A refund shall be paid to an eligible applicant by May 10, 1992.

(9) A taxpayer who filed an application by November 30, 1991, is entitled to payment from the county treasurer under subdivision (8) in an amount that is in the same proportion to the credit

C
o
p
y

determined under subdivision (3) with respect to a parcel as the amount of taxes payable in the prior years paid by the taxpayer with respect to the parcel bears to the taxes payable in the prior years with respect to the parcel.

(10) In each year on May 1 and November 1, the state shall pay to the county treasurer from the state property tax replacement fund the amount determined under subdivision (5).

(11) All payments received from the state under subdivision (10) shall be deposited into a special fund to be known as the prior year credit fund. The prior year credit fund shall be used to make:

(A) payments under subdivisions (7) and (9); and

(B) deposits into the special fund for the application of prior year credits.

(12) All amounts paid into the special fund for the allocation area under subdivision (11) are subject to any pledge of allocated property tax proceeds made by the redevelopment district under section 26(d) of this chapter, including but not limited to any pledge made to owners of outstanding bonds of the redevelopment district of allocated taxes from that area.

(13) By January 15, 1993, and by January 15 of each year thereafter, the county auditor shall send to the ~~state board of tax commissioners~~ **department of local government finance** and the budget agency a report of the receipts, earnings, and disbursements of the prior year credit fund for the prior calendar year. If in the final year that credits under subsection (i) are allowed any balance remains in the prior year credit fund after the payment of all credits payable under this subsection, such balance shall be repaid to the treasurer of state for deposit in the property tax replacement fund.

(14) In each year, the county shall limit the total of all refunds and credits provided for in this subsection to the total amount paid in that year from the property tax replacement fund into the prior year credit fund and any balance remaining from the preceding year in the prior year credit fund.

SECTION 481. IC 36-7-15.1-26.7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26.7. (a) The definitions set forth in section 26.5 of this chapter apply to this section.

(b) Between November 15 and December 1 of each year following 1990, the fiscal officer of the consolidated city shall confirm the determinations and certifications required under section 26.5(g) and 26.5(h) of this chapter for the year. The determinations and certifications made for a year under this subsection govern the

application of credits in the following year.

(c) An affected taxpayer may appeal any of the following in the circuit or superior court of the county in which the allocation area is located:

(1) A determination by the fiscal officer of the consolidated city under subsection (b) that:

(A) credits may not be paid in the following year; or

(B) only partial credits may be paid in the following year.

(2) A failure by the fiscal officer of the consolidated city to make, within the time required under subsection (b), a determination of whether credits are payable.

(d) An appeal under subsection (c) of a determination must be made not later than thirty (30) days after the date of publication of the determination. An appeal under subsection (c) of a failure by the fiscal officer of the consolidated city to make a determination of whether the credits are payable must be filed not later than December 31 of the year in which the determination should have been made under subsection (b). Any appeal under subsection (c) shall be decided by the court within sixty (60) days.

(e) All certifications made under this section or under section 26.5 of this chapter shall be made to the commission, county auditor, county treasurer, ~~state board of tax commissioners~~, **department of local government finance**, and the budget agency.

SECTION 482. IC 36-7-15.1-26.9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26.9. (a) The definitions set forth in section 26.5 of this chapter apply to this section.

(b) The fiscal officer of the consolidated city shall publish in the newspaper in the county with the largest circulation all determinations made under section 26.5 or 26.7 of this chapter that result in the allowance or disallowance of credits. The publication of a determination made under section 26.5 of this chapter shall be made not later than June 20 of the year in which the determination is made. The publication of a determination made under section 26.7 of this chapter shall be made not later than December 5 of the year in which the determination is made.

(c) If credits are granted under section 26.5(g) or 26.5(h) of this chapter, whether in whole or in part, property taxes on personal property (as defined in IC 6-1.1-1-11) that are equal to the aggregate amounts of the credits for all taxpayers in the allocation area under section 26.5(g) and 26.5(h) of this chapter shall be:

(1) allocated to the redevelopment district;

(2) paid into the special fund for that allocation area; and

C

p

(3) used for the purposes specified in section 26 of this chapter.

(d) The county auditor shall adjust the estimate of assessed valuation that the auditor certifies under IC 6-1.1-17-1 for all taxing units in which the allocation area is located. The county auditor may amend this adjustment at any time before the earliest date a taxing unit must publish the unit's proposed property tax rate under IC 6-1.1-17-3 in the year preceding the year in which the credits under section 26.5(g) or 26.5(h) of this chapter are paid. The auditor's adjustment to the assessed valuation shall be:

(1) calculated to produce an estimated assessed valuation that will offset the effect that paying personal property taxes into the allocation area special fund under subsection (c) would otherwise have on the ability of a taxing unit to achieve the taxing unit's tax levy in the following year; and

(2) used by the county board of tax adjustment, the ~~state board of tax commissioners~~, **department of local government finance**, and each taxing unit in determining each taxing unit's tax rate and tax levy in the following year.

(e) The amount by which a taxing unit's levy is adjusted as a result of the county auditor's adjustment of assessed valuation under subsection (d), and the amount of the levy that is used to make direct payments to taxpayers under section 26.5(h) of this chapter, is not part of the total county tax levy under IC 6-1.1-21-2(g) and is not subject to IC 6-1.1-20.

(f) The ad valorem property tax levy limits imposed by IC 6-1.1-18.5-3 and IC 6-1.1-19-1.5 do not apply to ad valorem property taxes imposed that are used to offset the effect of paying personal property taxes into an allocation area special fund during the taxable year under subsection (d) or to make direct payments to taxpayers under section 26.5(h) of this chapter. For purposes of computing the ad valorem property tax levy limits imposed under IC 6-1.1-18.5-3 and IC 6-1.1-19-1.5, a taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed to offset the effect of paying personal property taxes into an allocation area special fund under subsection (d) or to make direct payments to taxpayers under section 26.5(h) of this chapter.

(g) Property taxes on personal property that are deposited in the allocation area special fund:

(1) are subject to any pledge of allocated property tax proceeds made by the redevelopment district under section 26(d) of this chapter, including but not limited to any pledge made to owners of outstanding bonds of the redevelopment district of allocated

taxes from that area; and

(2) may not be treated as property taxes used to pay interest or principal due on debt under IC 6-1.1-21-2(g)(1)(D).

SECTION 483. IC 36-7-15.1-46, AS ADDED BY P.L.102-1999, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 46. (a) A commission may enter into a lease of any property that may be financed with the proceeds of bonds issued under section 45 of this chapter with a lessor for a term not to exceed fifty (50) years. The lease may provide for payments to be made by the commission from special benefits taxes levied under section 50 of this chapter, taxes allocated under section 53 of this chapter, any other revenue available to the commission, or any combination of these sources.

(b) A lease may provide that payments by the commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the commission only after a public hearing by the commission at which all interested parties are given the opportunity to be heard. Notice of the hearing must be given by publication in accordance with IC 5-3-1. After the public hearing, the commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the commission must be approved by an ordinance of the fiscal body of the excluded city.

(d) Upon execution of a lease providing for payments by the commission in whole or in part from the levy of special benefits taxes under section 50 of this chapter and upon approval of the lease by the fiscal body, the commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in

C

the lease are not fair and reasonable, as the case may be. Upon the filing of the petition, the county auditor shall immediately certify a copy of the petition, together with such other data as may be necessary in order to present the questions involved, to the ~~state board of tax commissioners~~ **department of local government finance**. Upon receipt of the certified petition and information, the ~~state board of tax commissioners~~ **department of local government finance** shall fix a time and place for the hearing in the redevelopment district, which must not be less than five (5) or more than thirty (30) days after the time for the hearing is fixed. Notice of the hearing shall be given by the ~~state board of tax commissioners~~ **department of local government finance** to the members of the fiscal body, to the commission, and to the first fifty (50) petitioners on the petition by a letter signed by ~~one~~ **(1) member of the state board of tax commissioners the commissioner or deputy commissioner of the department** and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the ~~state board of tax commissioners~~ **department of local government finance** on the appeal, upon the necessity for the execution of the lease and as to whether the payments under it are fair and reasonable, is final.

(e) A commission entering into a lease payable from allocated taxes under section 53 of this chapter or revenues or other available funds of the commission may:

- (1) pledge the revenue to make payments under the lease as provided in IC 5-1-14-4; and
- (2) establish a special fund to make the payments.

Lease rentals may be limited to money in the special fund so that the obligations of the commission to make the lease rental payments are not considered a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(f) Except as provided in this section, no approvals of any governmental body or agency are required before the commission enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the ~~state board of tax commissioners~~ **department of local government finance**, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the ~~state board of tax~~

~~commissioners.~~ **department of local government finance.**

(h) If a commission exercises an option to buy a leased facility from a lessor, the commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days after the hearing.

SECTION 484. IC 36-7-15.1-53, AS ADDED BY P.L.102-1999, SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means:

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the ~~state board of tax commissioners,~~ **department of local government finance**, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established.

However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements in that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this

C

chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) in that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the ~~state board of tax commissioners~~ **department of local government finance**.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Notify the county auditor of the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective

C
o
p
y

date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in

C
o
p

the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and ~~state board of tax commissioners~~ **department of local government finance** shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The ~~state board of tax commissioners~~ **department of local government finance** may prescribe procedures for county and township officials to follow to assist the ~~state board~~ **department** in making the adjustments.

SECTION 485. IC 36-7-29-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) District bonds may be issued by a board under this chapter without following any procedures set forth in any other statute except that the board must:

(1) adopt a bond resolution after a public hearing following public notice of the hearing published in accordance with IC 5-3-1;

(2) publish notice of the determination to issue district bonds in accordance with IC 6-1.1-20-5;

(3) obtain the approval for the appropriation of the proceeds of the district bonds as set forth in IC 6-1.1-18-5 if the appropriation is

an additional appropriation; and

(4) obtain the approval of the ~~state board of tax commissioners~~
department of local government finance for a tax levy under
IC 6-1.1-18.5-8.

(b) The bond resolution must contain a finding that substance removal or remedial action at the qualified site will be of public utility and benefit because the conditions at the qualified site are detrimental to the social and economic interests of the district.

SECTION 486. IC 36-7-30-25 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 25. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the ~~state board of tax commissioners;~~ **department of local government finance**, as finally determined for any assessment date after the effective date of the allocation provision.

Clause (C) applies only to allocation areas established in a military reuse area after June 30, 1997, and to the portion of an allocation area that was established before June 30, 1997, and that is added to an existing allocation area after June 30, 1997.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 10 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory

C
o
p
y

resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the reuse authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

C
o
p
y

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of the twenty percent (20%) of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's property taxes levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 27 of this chapter in the same year.

(F) Pay expenses incurred by the reuse authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the ~~state board of tax commissioners~~ **department of local government finance**.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

The allocation fund may not be used for operating expenses of the reuse authority.

(3) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

- (A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed

C
o
p
y

the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Notify the county auditor of the amount, if any, of the amount of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1). The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (2) or lessors under section 19 of this chapter. Property taxes received by a taxing unit under this subdivision are eligible for the property tax replacement credit provided under IC 6-1.1-21.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes

C
o
p
y

specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment under IC 6-1.1-4, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The ~~state board of tax commissioners~~ **department of local government finance** may prescribe procedures for county and township officials to follow to assist the ~~state board~~ **department** in making the adjustments.

SECTION 487. IC 36-8-6-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) If the local board determines that the total amount of money available for a year will be insufficient to pay the benefits, pensions, and retirement

allowances the local board is obligated to pay under this chapter, the local board shall, before the date on which the budget of the municipality is adopted, prepare an itemized estimate in the form prescribed by the state board of accounts of the amount of money that will be receipted into and disbursed from the 1925 fund during the next fiscal year. The estimated receipts consist of the items enumerated in section 4(a) of this chapter. The estimated disbursements consist of an estimate of the amount of money that will be needed by the local board during the next fiscal year to defray the expenses and obligations incurred and that will be incurred by the local board in making the payments prescribed by this chapter to retired members, to members who are eligible to and expect to retire during the ensuing fiscal year, and to the dependents of deceased members.

(b) The local board may provide in its annual budget and pay all necessary expenses of operating the 1925 fund, including the payment of all costs of litigation and attorney fees arising in connection with the fund, as well as the payment of benefits and pensions. Notwithstanding any other law, neither the municipal legislative body, the county board of tax adjustment, nor the **state board of tax commissioners department of local government finance** may reduce an item of expenditure.

(c) At the time when the estimates are prepared and submitted, the local board shall also prepare and submit a certified statement showing:

- (1) the name, age, and date of retirement of each retired member and the monthly and yearly amount of the payment to which the retired member is entitled;
- (2) the name and age of each member who is eligible to and expects to retire during the next fiscal year, the date on which the member expects to retire, and the monthly and yearly amount of the payment that the member will be entitled to receive; and
- (3) the name and age of each dependent, the date on which the dependent became a dependent, the date on which the dependent will cease to be a dependent by reason of ~~his~~ attaining the age at which dependents cease to be dependents, and the monthly and yearly amount of the payment to which the dependent is entitled.

(d) The total receipts shall be deducted from the total expenditures stated in the itemized estimate and the amount of the excess of the estimated expenditures over the estimated receipts shall be paid by the municipality in the same manner as other expenses of the municipality are paid. A tax levy shall be made annually for this purpose, as provided in subsection (e). The estimates submitted shall be prepared and filed in the same manner and form and at the same time that

C
o
p
y

estimates of other municipal offices and departments are prepared and filed.

(e) The municipal legislative body shall levy an annual tax in the amount and at the rate that are necessary to produce the revenue to pay that part of the police pensions that the municipality is obligated to pay. All money derived from the levy is for the exclusive use of the police pensions and benefits. The amounts in the estimated disbursements, if found to be correct and in conformity with the data submitted in the certified statement, are a binding obligation upon the municipality. The legislative body shall make a levy for them that will yield an amount equal to the estimated disbursements, less the amount of the estimated receipts. Notwithstanding any other law, neither the county board of tax adjustment nor the ~~state board of tax commissioners~~ **department of local government finance** may reduce the levy.

SECTION 488. IC 36-8-7-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) The local board shall meet annually and prepare an itemized estimate, in the form prescribed by the state board of accounts, of the amount of money that will be receipted into and disbursed from the 1937 fund during the next fiscal year. The estimated receipts consist of the items enumerated in section 8 of this chapter. The estimated disbursements must be divided into two (2) parts, designated as part 1 and part 2.

(b) Part 1 of the estimated disbursements consists of an estimate of the amount of money that will be needed by the local board during the next fiscal year to defray the expenses and obligations incurred and that will be incurred by the local board in making the payments prescribed by this chapter to retired members, to members who are eligible to and expect to retire during the next fiscal year, and to the dependents of deceased members. Part 2 of the estimated disbursements consists of an estimate of the amount of money that will be needed to pay death benefits and other expenditures that are authorized or required by this chapter.

(c) At the time when the estimates are prepared and submitted, the local board shall also prepare and submit a certified statement showing the following:

- (1) The name, age, and date of retirement of each retired member and the monthly and yearly amount of the payment to which the retired member is entitled.
- (2) The name and age of each member who is eligible to and expects to retire during the next fiscal year, the date on which the member expects to retire, and the monthly and yearly amount of the payment that the member will be entitled to receive.

(3) The name and the age of each dependent, the date on which the dependent became a dependent, the date on which the dependent will cease to be a dependent by reason of attaining the age at which dependents cease to be dependents, and the monthly and yearly amount of the payment to which the dependent is entitled.

(4) The amount that would be required for the next fiscal year to maintain level cost funding during the active fund members' employment on an actuarial basis.

(5) The amount that would be required for the next fiscal year to amortize accrued liability for active members, retired members, and dependents over a period determined by the local board, but not to exceed forty (40) years.

(d) The total receipts shall be deducted from the total expenditures as listed in the itemized estimate. The amount of the excess of the estimated expenditures over the estimated receipts shall be paid by the unit in the same manner as other expenses of the unit are paid, and an appropriation shall be made annually for that purpose. The estimates submitted shall be prepared and filed in the same manner and form and at the same time that estimates of other offices and departments of the unit are prepared and filed.

(e) The estimates shall be made a part of the annual budget of the unit. When revising the estimates, the executive, the fiscal officer, and other fiduciary officers may not reduce the items in part 1 of the estimated disbursements.

(f) The unit's fiscal body shall make the appropriations necessary to pay that proportion of the budget of the 1937 fund that the unit is obligated to pay under subsection (d). In addition, the fiscal body may make appropriations for purposes of subsection (c)(4), (c)(5), or both. All appropriations shall be made to the local board for the exclusive use of the 1937 fund. The amounts listed in part 1 of the estimated disbursements, if found to be correct and in conformity with the data submitted in the certified statement, are a binding obligation upon the unit. Notwithstanding any other law, neither the county board of tax adjustment nor the ~~state board of tax commissioners~~ **department of local government finance** may reduce the appropriations made to pay the amount equal to estimated disbursements minus estimated receipts.

SECTION 489. IC 36-8-7-22 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 22. The 1937 fund may not be, either before or after an order for distribution to members of the fire department or to the surviving spouses or guardians of a child or children of a deceased, disabled, or retired member, held,

seized, taken, subjected to, detained, or levied on by virtue of an attachment, execution, judgment, writ, interlocutory or other order, decree, or process, or proceedings of any nature issued out of or by a court in any state for the payment or satisfaction, in whole or in part, of a debt, damages, demand, claim, judgment, fine, or amercement of the member or ~~his~~ **the member's** surviving spouse or children. The 1937 fund shall be kept and distributed only for the purpose of pensioning the persons named in this chapter. The local board may, however, annually expend an amount from the 1937 fund that it considers proper for the necessary expenses connected with the fund. Notwithstanding any other law, neither the fiscal body, the county board of tax adjustment, nor the ~~state board of tax commissioners~~ **department of local government finance** may reduce these expenditures.

SECTION 490. IC 36-8-7.5-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) If the local board determines that the total amount of money available for a year will be insufficient to pay the benefits, pensions, and retirement allowances the local board is obligated to pay under this chapter, the local board shall, before the date on which the budget of the police special service district is adopted, prepare an itemized estimate in the form prescribed by the state board of accounts of the amount of money that will be receipted into and disbursed from the 1953 fund during the next fiscal year. The estimated receipts consist of the items enumerated in section 8 of this chapter. The estimated disbursements consist of an estimate of the amount of money that will be needed by the local board during the next fiscal year to defray the expenses and obligations incurred and that will be incurred by the local board in making the payments prescribed by this chapter to retired members, to members who are eligible and expect to retire during the ensuing fiscal year, and to the dependents of deceased members.

(b) At the time when the estimates are prepared and submitted, the local board shall also prepare and submit a certified statement showing:

- (1) the estimated number of beneficiaries from the 1953 fund during the ensuing fiscal year in each of the various classifications of beneficiaries as prescribed in this chapter, and the names and amount of benefits being paid to those actively on the list of beneficiaries at that time;
- (2) the name, age, and length of service of each member of the police department who is eligible to and expects to retire during the ensuing fiscal year, and the monthly and yearly amounts of the payment that the member will be entitled to receive;
- (3) the name and age of each dependent of a member of the police

department who is then receiving benefits, the date on which the dependent commenced drawing benefits, and the date on which the dependent will cease to be a dependent by reason of ~~his~~ attaining the age limit prescribed by this chapter, and the monthly and yearly amounts of the payments to which each of the dependents is entitled.

(c) After the amounts of receipts and disbursements shown in the itemized estimate are fixed and approved by the executive, fiscal officer, legislative body and other bodies, as provided by law for other municipal funds, the total receipts shall be deducted from the total expenditures stated in the itemized estimate, and the amount of the excess shall be paid by the police special service district in the same manner as other expenses of the district are paid. The legislative body shall levy a tax and the money derived from the levy shall, when collected, be credited exclusively to the 1953 fund. The tax shall be levied in the amount and at the rate that is necessary to produce sufficient revenue to equal the deficit. Notwithstanding any other law, neither the county board of tax adjustment nor the ~~state board of tax commissioners~~ **department of local government finance** may reduce the tax levy.

SECTION 491. IC 36-8-11-18 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) The board shall annually budget the necessary money to meet the expenses of operation and maintenance of the district, including repairs, fees, salaries, depreciation on all depreciable assets, rents, supplies, contingencies, bond redemption, and all other expenses lawfully incurred by the district. After estimating expenses and receipts of money, the board shall establish the tax levy required to fund the estimated budget.

(b) The budget must be approved by the fiscal body of the county, the county board of tax adjustment, and the ~~state board of tax commissioners~~ **department of local government finance**.

(c) Upon approval by the ~~state board of tax commissioners~~ **department of local government finance**, the board shall certify the approved tax levy to the auditor of the county having land within the district. The auditor shall have the levy entered on the county treasurer's tax records for collection. After collection of the taxes the auditor shall issue ~~his~~ a warrant on the treasurer to transfer the revenues collected to the board, as provided by statute.

SECTION 492. IC 36-8-11-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 19. The ~~state board of tax commissioners~~ **department of local government finance**, when

approving a rate and levy fixed by the board, shall verify that a duplication of tax levies does not exist between a fire protection district and a municipality or township within the boundaries of the district, so that taxpayers do not bear two (2) levies for the same service, except as provided by section 20 of this chapter.

SECTION 493. IC 36-8-11-26 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. After a sufficient appropriation for the purchase of firefighting apparatus and equipment, including housing, is made and is available, the district's fiscal officer, with the approval of the board and the county fiscal body, may purchase the firefighting apparatus and equipment for the district on an installment conditional sale or mortgage contract running for a period not exceeding:

- (1) six (6) years; or

(5) Contract with a volunteer fire department that maintains adequate firefighting service in accordance with IC 36-8-12.

(b) This subsection applies only to townships that provide fire protection or emergency services or both under subsection (a)(1) and to municipalities that have all municipal territory completely within a township and do not have a full-time paid fire department. A township may provide fire protection or emergency services or both without contracts inside the corporate boundaries of the municipalities if before July 1 of a year the following occur:

(1) The legislative body of the municipality adopts an ordinance to have the township provide the services without a contract.

The resolution must identify the included towns to which the resolution applies. In a township providing services to a municipality under this section, the legislative body of the township may opt out of participation under this subsection by adopting a resolution before July 1 of a year. SECTION 495. IC 36-8-13-4.6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.6. (a) For townships and municipalities that elect to have the township provide fire protection and emergency services under section 3(b) of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust each township's and each municipality's maximum permissible levy in the year following the year in which the change is elected, as determined under IC 6-1.1-18.5-3, to reflect the change from providing fire protection under a contract between the municipality and the township to allowing the township to impose a property tax levy on the taxable property located within the corporate boundaries of each municipality. Each municipality's maximum permissible property tax levy shall be reduced by the amount of the municipality's property tax levy that was imposed by the municipality to meet the obligations to the township under the fire protection contract. The township's maximum permissible property tax levy shall be increased by the product of:

- (1) one and five-hundredths (1.05); multiplied by
- (2) the amount the township received:
 - (A) in the year in which the change is elected; and
 - (B) as fire protection contract payments from all municipalities whose levy is decreased under this section.

(b) For purposes of determining a township's or municipality's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5-3 for years following the first year after the year in which the change is elected, a township's or municipality's maximum permissible ad valorem property tax levy is the levy after the adjustment made under subsection (a).

SECTION 496. IC 36-8-13-4.7 IS AMENDED TO READ AS

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4.7. (a) For a township that elects to have the township provide fire protection and emergency services under section 3(c) of this chapter, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the township's maximum permissible levy in the year following the year in which the change is elected, as determined under IC 6-1.1-18.5-3, to reflect the change from providing fire protection or emergency services under a contract between the municipality and the township to allowing the township to impose a property tax levy on the taxable property located within the corporate boundaries of each municipality. For the ensuing calendar year, the township's maximum permissible property tax levy shall be increased by the product of:

- (1) one and five-hundredths (1.05); multiplied by
- (2) the amount the township contracted or billed to receive, regardless of whether the amount was collected:
 - (A) in the year in which the change is elected; and
 - (B) as fire protection or emergency service payments from the municipalities or residents of the municipalities covered by the election under section 3(c) of this chapter.

The maximum permissible levy for a general fund or other fund of a municipality covered by the election under section 3(c) of this chapter shall be reduced for the ensuing calendar year to reflect the change to allowing the township to impose a property tax levy on the taxable property located within the corporate boundaries of the municipality. The total reduction in the maximum permissible levies for all electing municipalities must equal the amount that the maximum permissible levy for the township is increased under this subsection for contracts or billings, regardless of whether the amount was collected, less the amount actually paid from sources other than property tax revenue.

(b) For purposes of determining a township's and each municipality's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5-3 for years following the first year after the year in which the change is elected, a township's and each municipality's maximum permissible ad valorem property tax levy is the levy after the adjustment made under subsection (a).

(c) The township may use the amount of a maximum permissible property tax levy computed under this section in setting budgets and property tax levies for any year in which the election in section 3(c) of this chapter is in effect. A county board of tax adjustment may not reduce a budget or tax levy solely because the budget or levy is based on the maximum permissible property tax levy computed under this section.

(d) Section 4.6 of this chapter does not apply to a property tax levy or a maximum property tax levy subject to this section.

SECTION 497. IC 36-8-13-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. - (1) six (6) years; or
- (2) fifteen (15) years for a township that:
 - (A) has a total assessed value of twenty million dollars (\$20,000,000) or less, as determined by the ~~state board of tax commissioners~~; **department of local government finance**; and

 - (i) state or its instrumentalities; or
 - (ii) federal government or its instrumentalities.

The purchase shall be amortized in equal or approximately equal installments payable on January 1 and July 1 each year.

SECTION 498. IC 36-8-13-6.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6.5. (a) If the executive and the legislative body determine that money should be borrowed under section 6 of this chapter, not less than ten (10) taxpayers in the township who disagree with the determination may file a petition in the office of the county auditor not more than thirty (30) days after notice of the determination is given. The petition must state the taxpayers' objections and the reasons why the taxpayers believe the borrowing to be unnecessary or unwise.

(b) The county auditor shall immediately certify a copy of the petition, together with other data necessary to present the questions involved, to the ~~state board of tax commissioners~~; **department of local government finance**. Upon receipt of the certified petition and other data, the ~~state board of tax commissioners~~ **department of local government finance** shall fix a time and place for the hearing of the matter. SECTION 499. IC 36-8-15-15.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 15.1. (a) A board may enter into a lease of any facility that may be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed fifty (50) years. The lease may provide for payments to be made by the board from special benefits taxes levied under section 14 of this chapter and any other revenue available to the board, or any combination of these sources.

(b) A lease may provide that payments by the board to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the board only after a public hearing by the board at which all interested parties are given the opportunity to be heard. Notice of the hearing must be given by publication in accordance with IC 5-3-1. After the public hearing, the board may adopt a resolution authorizing the execution of the lease on behalf of the unit if the board finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of the unit's residents. A lease approved by a resolution of the board must be approved by an ordinance of the fiscal body of the unit.

(d) Upon execution of a lease providing for payments by the board in whole or in part from the levy of special benefits taxes under section 14 of this chapter and upon approval of the lease by the fiscal body, the board shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease

C

are not fair and reasonable, as the case may be. Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with any other data necessary in order to present the questions involved, to the ~~state board of tax commissioners~~ **department of local government finance**. Upon receipt of the certified petition and information, the ~~state board of tax commissioners~~ **department of local government finance** shall fix a time and place for the hearing in the district, which must be not less than five (5) or more than thirty (30) days after the time of the hearing is fixed. Notice of the hearing shall be given by the ~~state board of tax commissioners~~ **department of local government finance** to the members of the fiscal body, the board, and the first fifty (50) petitioners on the petition by a letter signed by ~~one~~ **(1) member of the state board of tax commissioners the commissioner or deputy commissioner of the department** and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at ~~least~~ **least** five (5) days before the date of the hearing. The decision of the ~~state board of tax commissioners~~ **department of local government finance** on the appeal, upon the necessity for the execution of the lease and as to whether the payments under it are fair and reasonable, is final.

(e) A board entering into a lease that is payable from revenues or other available funds of the board may:

- (1) pledge the revenue to make payments under the lease as provided in IC 5-1-14-4; and
- (2) establish a special fund to make the payments.

Lease rentals may be limited to money in the special fund so that the obligations of the board to make the lease rental payments are not considered a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(f) Except as provided in this section, no approvals of a governmental body or an agency are required before the board enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the ~~state board of tax commissioners~~ **department of local government finance**, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the ~~state board of tax commissioners~~ **department**.

(h) If a board exercises an option to buy a leased facility from a

C

lessor, the board may subsequently sell the leased facility, without regard to any other statutes, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the board through an auction, appraisal, or arms length negotiation. The board shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. An action to contest the sale must be brought within fifteen (15) days after the hearing.

or any combination of these options. The property tax rate for the levy imposed under this section may not exceed ten cents (\$0.10). Before debt may be incurred, the fiscal bodies of all participating units must adopt identical ordinances specifying the amount and purpose of the debt. In addition, the ~~state board of tax commissioners~~ **department of local government finance** must approve the incurrence of the debt using the same standards as applied to the incurrence of debt by civil taxing units.

(b) A unit that incurred indebtedness for fire protection services before becoming a participating unit under this chapter shall continue to repay that indebtedness by levies within the boundaries of the unit until the indebtedness is paid in full.

(c) A unit that agreed to the borrowing of money to purchase fire protection equipment while a participating unit under this chapter shall continue to repay the unit's share of that indebtedness by imposing a property tax within the boundaries of the unit until the indebtedness is paid in full. The ~~state board of tax commissioners~~ **department of local government finance** shall determine the amount of the indebtedness that represents the unit's fair share, taking into account the equipment purchased, the useful life of the equipment, the depreciated value of the equipment, and the number of years the unit benefited from the equipment.

SECTION 517. IC 36-10-3-24 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 24. The bonds may not exceed in amount the total cost of all land to be acquired and all improvements described in the resolution, including all expenses necessarily incurred in connection with the proceedings, together with a sum sufficient to pay the costs of supervision and inspection during the period of construction of a work. The expenses to be covered in the bond issue include all expenses of every kind actually incurred preliminary to acquiring the land and the construction of the work, such as the cost of the necessary record, engineering expenses, publication of notices, preparation of bonds, and other necessary expenses. If more than one (1) resolution or proceeding of the board under section 23 of this chapter is confirmed whereby different parcels of land are to be acquired, or more than one (1) contract for work is let by the board at approximately the same time, the cost involved under all of the resolutions and proceedings may be included in one (1) issue of bonds.

(b) The bonds may be issued in any denomination not less than one thousand dollars (\$1,000) each, in not less than five (5) nor more than forty (40) annual series. (d) The board may not have bonds of the district issued under this section that are payable by special taxation when the total issue for that purpose, including the bonds already issued or to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the district as determined under IC 36-1-15. All bonds or obligations issued in violation of this subsection are void. The bonds are not obligations or indebtedness of the unit, but constitute an indebtedness of the district as a special taxing district. The bonds and interest are payable only out of a special tax levied upon all the property of the district as prescribed by this chapter. The bonds must recite the terms upon their face, together with the purposes for which they are issued.

SECTION 518. IC 36-10-7-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) This section applies to all townships having a population of less than two thousand (2,000).

(c) The legislative body may establish a township park and may, by resolution, appropriate from the general fund of the township the necessary money to lease, purchase, accept, or otherwise acquire land for park purposes or make improvements thereon. The executive shall then lease, purchase, accept, or acquire the land for park purposes or shall make improvements thereon as directed in the resolution. However, the costs of the park grounds or of the improvements provided for in the resolution may not exceed in one (1) year one-fifth of one percent (0.2%) of the adjusted value of all taxable property of the township as determined under IC 36-1-15.

(d) If a park has been established under this section, the executive shall have the park maintained and may make improvements and construct and maintain facilities for the comfort and convenience of the public. However, the executive annually may not spend more than one cent (\$0.01) on each one hundred dollars (\$100) of assessed valuation of taxable property in the township as it appears on the tax duplicates

of the auditor of the county in which the township is located. The money shall be paid from the general fund of the township.

(e) If the general fund of the township is insufficient to meet the expenses of acquiring or improving the land for park purposes, the executive shall call a special meeting of the legislative body by written notice to each member of the legislative body at least three (3) days before the date of the meeting. The notice must state the time, place, and purpose of the meeting. The legislative body shall meet and determine whether an emergency exists for the issuance of the warrants or bonds of the township. The legislative body shall, by resolution, authorize the issuance and sale of the warrants or bonds of the township in an amount not exceeding two percent (2%) of the adjusted value of all taxable property in the township as determined under IC 36-1-15. The amount of bonds may not exceed the total estimated cost of all land to be acquired and all improvements described in the resolution, including all expenses necessarily incurred in connection with the proceedings. The proceeds from the sale of the bonds shall be deposited in the general fund of the township. The bonds become due and payable not less than two (2) nor more than ten (10) years after the date of issuance, may bear interest at any rate, and may not be sold for less than par value. The bonds shall be sold after giving notice of the sale of bonds in accordance with IC 5-3-1. The bonds and the interest thereon are exempt from taxation as provided by IC 6-8-5 and are subject to the provisions of IC 6-1.1-20 relating to the filing of a petition requesting the issuance of bonds, the appropriation of the proceeds of the bonds, and the approval by the ~~state board of tax commissioners~~ **department of local government finance**.

(f) The legislative body shall, at its next annual meeting after authorization of bonds and annually each following year, levy a sufficient tax against all the taxable property of the township to pay the principal of the bonds, together with accruing interest, as they become due. The executive shall apply the money received from the levy only to the payment of bonds and interest as they become due.

(g) In addition to the levy required by subsection (f), the legislative body shall, when a park has been established under this section and at every annual meeting after establishment, levy a tax not exceeding one cent (\$0.01) on each one hundred dollars (\$100) of taxable property in the township. The levy required by this subsection shall be used by the executive for the maintenance and improvement of the park. The executive may not expend more for maintenance and improvement of the park than the amount collected by the levy except:

- (1) upon petition by fifty-one percent (51%) of the taxpayers of

C

the township; or

- (2) when warrants or bonds are to be issued under this section to finance the expenses of improvements.

The amount received from the levy shall be deposited in the general fund of the township.

(h) A park established under this section shall be kept open to the public in accordance with rules prescribed by the executive.

(i) If the executive determines that land or other property used for park purposes under this section should be disposed of and that the park should no longer be maintained, the executive shall appoint three (3) disinterested appraisers to appraise the property. The property shall then be disposed of either at public or private sale for at least its appraised value.

(j) This subsection applies if the township sells the property by acceptance of bids. A bid submitted by a trust (as defined in IC 30-4-1-1(a)) must identify each:

- (1) beneficiary of the trust; and
- (2) settlor empowered to revoke or modify the trust.

(k) All money from the sale of park property, less the expenses incurred in making the appraisal and sale, shall be paid into the general fund of the township.

The bonds may not exceed in amount the total cost of all land to be acquired and all improvements described in the resolution, including all expenses necessarily incurred in connection with the proceedings, together with a sum sufficient to pay the costs of supervision and inspection during the period of construction of a work. The expenses to be covered in the bond issue include all expenses of every kind actually incurred preliminary to acquiring the land and the construction of the work, such as the cost of the necessary record, engineering expenses, publication of notices, preparation of bonds, and other necessary expenses.
